LIBERTY LOAN IN KENT COUNTY

Interest Aroused At Various Places By Local Committee Reach A Climax In the Big Parade and Kilty Turn-Out In Chestertown Monday Night.

A GREAT NIGHT IN THE OLD TOWN.

The people of old Kent are to be congratulated at the great interest manifested in the cause of humanity and in their outburst of patriotism as shown in the subscriptions to the Liberty Loan. The local committees, of which Allan A. Harris is chairman, have been holding meetings at various places so that when the big rally was called for Monday evening they turned out by the thousand. Everything was up to promise on this occasion and great enthusiasm prevailed. The crowd began to gather at 6 30, while by seven the streets were lined by townspeople and country folk, all eager to see the Kilties Band, of Ontario, Canada, hear the strange music or listen to the speakers.

The musicians and speakers arrived on a special train at about 7 30, all financed by several well-to-do gentlemen. They formed in order at the train and paraded the streets, making an impressive sight with their kilts and tasseled hats, while with their bag pipes they rendered strange but impressive music.

Lyceum Theatre would not accommodate the crowd, so the Court House was opened and soon it was packed. Then an open air meeting was arranged with the Kent Co. Savings Bank steps a rostrum for the speakers. Wm. F. Russell presided at this meeting which was addressed by Sewell J. Watts and Col. C. F. Macklin, and Miss Vanderuse, an operatic singer, rendered the Star Spangled Banner. Over $8,000 was raised here for bonds of which a thousand were taken by the colored residents.

In the meantime, Lyceum Theatre was jammed to the doors. The crowd was highly entertained in the theatre. Singing, dancing, playing on the famous bag pipes and other means of entertainment by the Kilties Band made the evening one of enjoyment, while the speakers expounded the object of the meeting in no uncertain way. Allan A. Harris presided at this meeting, and introduced Hon. Albert G. Towers and Judge Harry Covington, who made forceful speeches in the interest of the Liberty Loan Bonds. Like the meeting on the street, pledges for bonds were taken by marines, who went through the audience and about $56,000 were subscribed.

While the above meetings were in progress an equally enthusiastic meeting was being held in the Court House, W. B. Copper presiding. Messrs B. Howard Haman, S. J. Watts, Bladen Lowndes and Col. C. F. Mcaklin made stirring speeches and $26,000 worth of bonds were sold as a result.

Altogether $90,250 in pledges were secured Monday evening and everybody enjoyed the evening. It was a great treat to hear the band, the speeches, and the singers.

THE Chestertown High School subscribed $250 for Liberty Bonds in the name of the school. The income from which is each year to be added to the Liberty Fund of the school. Individual members of the High School subscribed a total of $8000, making in all $8250 00.

ALL those who have subscribed to the Liberty Loan and have not arranged with the bank to make first payment will please do so today as the campaign closes tonight and the final subscription list has to be sent in.

Scoutmaster Parks requests us to announce that the Boy Scouts will thank all who will give them credit at the banks for liberty bonds purchased.
