A Medicine for Women

For Forty Years Lydia E. Pinkham's Vegetable Compound has Relieved the Sufferings of Women.

It hardly seems possible that there is a woman in this country who continues to suffer without giving Lydia E. Pinkham's Vegetable Compound a trial after all the evidence that is continually being published, proving beyond contradiction that this grand old medicine has relieved more suffering among women than any other medicine in the world.

Mrs. Kieso Cured After Seven Month's Illness.

Aurora, Ill.—"For seven long months I suffered from a female trouble, with severe pains in my back and sides until I became so weak I could hardly walk from chair to chair, and got so nervous I would jump at the slightest noise. I was entirely unfit to do my house work, I was giving up hope of ever being well, when my sister asked me to try Lydia E. Pinkham's Vegetable Compound. I took six bottles and today I am a healthy woman able to do my own housework. I wish every suffering woman would try Lydia E. Pinkham's Vegetable Compound, and find out for herself how good it is."—MRS. KARL A. KIESO, 596 North Ave., Aurora, Ill.

Could Hardly Get Off Her Bed.

Cincinnati, Ohio.—"I want you to know the good Lydia E. Pinkham's Vegetable Compound has done for me. I was in such bad health from female troubles that I could hardly get off my bed. I had been doctoring for a long time and my mother said, 'I want you to try Lydia E. Pinkham's Vegetable Compound.' So I did, and it has certainly made me a well woman. I am able to do my house work and am so happy as I never expected to go around the way I do again, and I want others to know what Lydia E. Pinkham's Vegetable Compound has done for me."—MRS. JOSIE COPNER, 1668 Harrison Ave., Fairmount, Cincinnati, Ohio.

If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

THE END OF A TALK

The good-bye
at the end
of a telephone talk
is a universal signal
to "hang up."
It closes the talk
graciously ank effectively.
If you neglect
to say good-bye,
the person
at the other end
may remain at the telephone,
blaming the operator
for what seems to be
a cut-off.

GRANGE EXHIBIT NEXT WEEK

If every one could just take in the full meaning of co-operation and practice it to the fullest extent, we will win. *You* may think you have the biggest potatoes and the best seed corn, and so may your neighbor think of his, so to prove you are right, bring it out to Betterton and put it with his and several others and see who is right. It is absolutely necessary that we save all the transportation we can this year because there is so much need for cars, so if we can get all of our seed right here in the county, we are helping Uncle Sam in another way, and helping ourselves a good bit more. Every one agrees that acclimated seed is better to use than that brought from afar, and yet so many think that nothing good is to be found near home. Now, we will have one of the best judges of corn in the State to tell you why it will be better to use corn from a certain nearby farm for your seeds. He will tell you about it on Saturday in the afternoon, Nov. 3rd.

There will be someone to tell you about everything you want to know in relation to the farmer's part in this great war. The question in our minds now is how best to get you out to ask them. Prof. Symons, in his genial way, will be on the program the first night, to tell you something of this Extension Work, Mr. Harrison will talk about the Horticultural Society, and our own Bro. Wm. G. Smyth and wife will give you a genuine Grange welcome.

After the real serious part of the work has been done, an informal dance will be held each evening free of charge, except for admission. We are anxious to have every section of the county represented in this competition.

WHY NOT PUT PRISONERS TO WORK

A well-known resident of Betterton vicinity voices the sentiment of the NEWS and many patrons in this letter: "As you are well aware, there is a tremendous shortage of help down here on the farms. We have to work long and late; some of us, too, who never really had to do the manuel work in the fields before are now straining every effort to harvest the crops and seed the wheat.

If you have taken a trip through Kent county you have struck some pretty bad roads through the towns. The county is too poor to put them through; towns are in the same state. So the poor fellow in a Ford gets his, all right.

The Circuit Court of Kent county held a record session Monday of last week, adjourned in two hours to meet in December, when the would not be so busy. That leaves in jail in Chestertown about three dozen able bodied farm hands, who might be forced to work and earn at least their "keep."

These men, under guard of the Sheriff and directed by a good road engineer, in a few weeks could fix every piece of bad road in the country. Why let them eat their three meals a day when they don't earn them? Where is the taxpayer ever going to "come out" if these things are done?

Does putting a loafer or drunkard in a warm place and giving him his meals five or six months, free of charge cure him of being a nuisance? Does he feel ashamed of himself and decide that he won't go to jail again? No! And again no!

He is glad of the chance, being usually too lazy to work, and getteng two months more of free lodging is just what suits him. Now as a mere woman, and, of course, not a voter in Maryland, I cannot do anything; but I am writing this in hope of catching the eye of a real voter. Why not make everyone of them work that six weeks, and, in fact, all of the time that they are incarcerated and I venture to say the Sheriff won't have so many free boarders!"

The NEWS has made deligent inquiry into this matter and find that a certain class of *sentenced* prisoners may be put to work but provisiem is not made for the enforcement. The next Legistature will be asked to perfect this law. It is a great need.

DEATHS

William T. Harrison died of nephritis on Oct. 20th, 1917, at the Maryland General Hospital in Baltimore where he had been about four weeks. Mr. Harrison was seventy-two years of age and one of the oldest members of Rock Hall M. E. Church. He leaves two sons, Charles H. and Richard J., and several grandchildren besides a large circle of friends. He was brought to the home of his son, Charles H., on Saturday afternoon and his funeral was held there on Monday at two o'clock, Rev. J. W. Prettyman officiating. The interment was in Wesley Chapel cemetery where the burial service of the P. O. S. of A. was read. The bearers were Richard J. and Charles H. Harrison, George H. and Lawrence Davis, Wm. T. Harrison and J. W. Joiner. Undertaker Casey had charge.

James A. Wooleyhan, a highly respected and aged resident of Cecil, died at his home near Bethel Tuesday morning, aged 68 years. He is survived by his wife and one son, G. Carroll Wooleyhan, of the Whitaker Iron Company, Wheeling, West V., by three brothers, William, John and Joseph Wooleyhan, of the First district, and three sisters, Mrs. Martha Duhamell, of Earleville; Mrs. Robert Davis, of Cecilton, and Mrs. Kate Davis, of Newark, Del.

Memorial sent to Governor Harrington by the W. C. T. U. of Maryland:

To the Governor of Maryland and Others in Authority:

The five thousand members of the Woman's Christian Temperance Union of Maryland, in the name of the mothers of the soldier boys in training in our state, appeal to you to use the authority vested in you in every possible way to keep the environs of Camp Meade free from those vicious influences that heretofore have been lamentably considered a matter of course around military establishments.

Secretary Baker and the War Department are trying wholeheartedly to protect the boys who have left their homes at their country's call from vice and its terrible results, moral and physical, and we women of Maryland, urgently insist that you do all in your power to see that these sons of ours and of other mothers, have a fair chance to keep clean.

We ask this not only for the sake of the boys but for the sake of the girls of our country also, on whom jointly depends the future of our nation and of the race.

By order of the W. C. T. U. of Maryland in Forty-Second Annual Convention assembled.
