DEMOCRATIC TICKET

FOR COMPTROLLER:
HUGH A. McMULLEN,
of Allegany County.

FOR HOUSE OF DELEGATES:
HARRY GRIFFITH,
S. ELLWOOD BURGESS.

FOR TREASURER:
C. FRANK CROW.

FOR SHERIFF:
WILLIAM E. BROWN.

FOR COUNTY COMMISSIONER:
ARTHUR L. HARRIS.

OLD KENT made the Liberty bell ring loud and clear.

COMPTROLLER McMULLEN was in Kent Tuesday and met a great many people. He says the time spent here will be among his sweetest memories and was glad to learn that the party was united in support of the Democratic ticket.

ELSEWHERE in this issue appears the form of the official ballot, published by order of the Supervisors of Elections. Study it carefully so as to be sure not to miss any Democratic candidate's name when you cast your ballot November 6

ALL the world loves a *doer*. Do something worth while, and don't worry about who gets the credit. Those who chase the spot-light find that it is a thankless job. Do something, and the spot-light will follow you; you can't get away from it. *Credit will fall where it is due*, just as sure as God gave you air to breathe.

DEMOCRACY TO THE FRONT.

At no time in the history of the party has the Democracy offered the people a better grade of candidates than who occupy positions on the State and county ticket this fall. If the public desires efficiency in office, if it wants duty faithfully and conscientiously performed, if it wants the interests of the taxpayers guarded, the Democratic party is the instrument by which those things may be secured.

No man who has ever held office of Comptroller of Maryland has performed his duties with a higher degree of efficiency than has Hon. Hugh A. McMullen in the two-year term which is now drawing to a close.

For the Legislature Harry Griffith and Elwood Burgess would be a credit to Kent and to the party. They are clean men, high character and Democrats from principle.

Arthur L. Harris, candidate for commissioner, is an ideal man for the place. He has intelligence and sound judgment and would bring to the office economy and efficiency which would mean a great deal to the tax-payers. He is worthy the vote of every citizen irrespective of party as are all on this ticket.

Wm. E. Brown has been tried in the office of Sheriff and found true to the public's service. He is 500 per cent sound and a Democrat without blemish. Give him your hearty support.

C. Frank Crow for treasurer deserves election from every point of view. He is a Democrat, a good citizen, a kind neighbor and intelligent man and will conduct the office in a faithful manner.

Vote for these six men and you will have done your county a good service.

LAST WEEK Kent county was represented at the North Atlantic Tuberculosis Conference by Mrs. Lewis Wood, of Chestertown, and the County Health Nurse, Miss Ruth V. Norton. The war and its effect upon the tuberculosis situation was discussed. The lack of sufficient beds for tuberculosis patients was cited as an obstacle which must be overcome by a campaign to provide enough sanataria to accommodate the patients, who must now wait several months for admission. The rate of tuberculous men examined for the draft throughout the country was found to be 3%. This rate, it was thought, was likely to increase if the war is of long duration. To offset it there must be increased child welfare wards and education in hygiene through the visiting nurses. The expenditures for public health work in this time of stress must be increased rather than decreased, if we would avoid the plight in which the European nations find themselves in regard to disease conditions.

ANNEXATION BILL EXTREMELY UNFAIR

THE PRESTON-FIELD FORCE BILL, which is designed to annex about half the people and wealth of Baltimore County to the City, IS SO UNFAIR THAT ITS SPONSORS DARE NOT SUBMIT IT TO THE PEOPLE TO BE AFFECTED BY THE CHANGE. The Constitution of Maryland declares that there must be a referendum, or vote of the people in such cases, but the annexationists claim, in effect, that the Constitution is unconstitutional.

In 1888 the city proposed a fair annexation bill, the Legislature passed it and THE NORTHERN AND WESTERN SUBURBS voted to go into the city. Most of them have been regretting it ever since, BUT IF THEY HAVE BEEN BURNT BY A FAIR BILL, WHAT WILL HAPPEN TO THE PEOPLE OF THE PROPOSED NEW ANNEX UNDER A BILL WHICH ITS FRAMERS REFUSE TO SUBMIT TO THEM, SAYING "A REFERENDUM MEANS NO ANNEXATION."

Next week we will point out some of the many iniquitous provisions of this bill, which the Democratic Convention refused to indorse, but which the Republican party indorsed with emphasis.
