1831 THE CULTIVATOR AND 1885

Country Gentleman.

THE BEST OF THE

AGRICULTURAL WEEKLIES!

The Country Gentleman is the Leading Journal of American Agriculture. In amount and practical value of contents, in extent and ability of correspondence, in quality of paper and style of publication, it occupies the first rank. It is believed to have no superior in either of the three chief divisions of

Farm Crops and Processes,
Horticulture and Fruit-Growing,
Live Stock and Dairying,

while it also includes all minor departments of rural interest, such as the Poultry Yard, Entomology, Bee-Keeping, Greenhouse and Grapery, Veterinary replies, Farm Questions and Answers, Fireside Reading, Domestic Economy, and a summary of the News of the Week. Its Market Reports are usually complete, and much attention is paid to the Prospects of the Crops, as throwing light upon one of the most important of all questions—When to Buy and When to Sell. It is liberally illustrated, and is intended to supply, in a continually increasing degree, and in the best sense of the term, a

Live Agricultural Newspaper.

Although the Country Gentleman has been greatly enlarged by increasing its size from 16 to 20 pages weekly, the terms continue as heretofore, when paid strictly in advance: One Copy, one year, $2.50; four copies, $10, and an additional copy for the year free to the sender of the Club; ten copies $20, and an additional copy for the year free to the sender of the Club.

☞All new subscribers for 1885, paying in advance now, will receive the paper weekly, from our receipt of the remittance, to January 1st, 1885, without charge.

☞Specimen copies free. Address
