BONES AND BAGS

On account of the War, many of our supplies of bones have been cut off and in order to get all the nice dry country bones possible we have determined to pay about twice as much for dry bones as we used to pay, if they are delivered at our factory. The country boys should pick up all they can and bring them to us instead of selling them to junk dealers.

We will also pay the highest market price for good second-hand Fertilizer bags. Please communicate with us. Very truly yours,

CHESTERTOWN BEING STIRRED

Union Revival Service Sunday Evening Attracted Crowds—The Week Night Meetings Result in Rich Harvest of Souls And Membership Revived—Practical Sermons From an Honest And Sincere Speaker.

The second week of the union evangelistic meeting in Chestertown began in the M. E. Church with a packed house and some were unable to gain admission. Dr. Alexander B. Davidson preached a strong sermon on "A Great Salvation" and at its close scores of church members were at the altar and two souls were converted. This meeting has been followed each evening except Wednesday evening by other splendid services. There have been eight persons converted besides the great good done to the churches.

An innovation which has proven of great power in this campaign are the morning prayer services. The town has bee divided into four zones and in each zone for four mornings half hour prayer services have been held. The average attendance was about ten making forty persons engaged in prayer each morning.

The meetings will continue in the M. E. church the coming week and then return for the fourth week to Christ M P church. There were two conversions Thursday night besides several who came foward for prayers. The sermon on this evening was powerful and listened to by the largest week-night congregation of the campaign.

Sunday will be Rally Day and Harvest Home at St. James Church. Rev. H. B. Jester, pastor, the ingathering of vegetables to be sent to the aged People's Home. Sunday school Rally at 9 45 a. m; Harvest Home services at 11 a. m; Christian Endeavor at 7 o'clock lead by Wm. Newton. Each family is requested to bring or send a basket of vegetables or something else.

Church, Crumpton, will begin next Sunday the 18th inst., the Rev. L. F. Warner, president of the Maryland Conference M. P. Church, will conduct the service on the 21st inst. at 7.30 p. m. Cordial invitation to all.

KENT COUNTY ASKED TO RAISE $4,500.00

For The War Work Fund of the Y. M. C. A.—Sprendid Meeting In Chestertown — Speeches By Hon. James Alfred Pearce, Senator Williams and Others.

At a well attended meeting held in the M. E Church, Chestertown, Wednesday night, a drive was started to raise $4,500 for the Y. M. C. A. War Fund. Hon. James A. Pearce presided and made a strong address. He read a letter from Wilbur W. Hubbard pledging $200 to the Kent fund. The following captains were named and a report asked for by noon Monday:

Sassafras—Harry Griffith.
Millington—John P. Ahern.
Galena—Samuel G. Caldwell.
Kennedyville—John Medders.
Still Pond—William Medders.
Betterton—Howard Turner.
Melitota—Nathan Lieberman.
Fairlee—William G. Smyth.
Sandy Bottom—Abe Cohen.
Rock Hall—Elmer E. Leary.
Chestertown—Chas. L. Dodd, Chas. S. Smith.

Cards with your subscriptions may be sent to any one of the above gentlemen.

The NEWS has received a card from Dr. F. B. Hines, in which he says, "The good the Army Y. M. C. A. is doing is inestimable as I have seen to men and officers. If you will boost it in your paper you will do a great good."

Senator Williams, of Elkton, made a fine address while Rev. Mr. Sanchfield proved an interesting speaker.

Now then, let's all pull together to raise the $4,5000 asked of Kent. The work of the Young Men's Christian Association in this country, for years, has been of incalculable value. All the people know this. Now the organization is devoting special efforts for the welfare of our soldiers in camp and afield, at home and abroad, and that it will do great work is not doubted. But work of this kind costs money, and the exigencies of the war will increase financial obligations to a tremendous extent.

The association stands for church and home in the camps; it provides materials and a place for the boys to write home; it also provides clean amusement, opportunity for study, religious instruction and a general moral uplift. Its work has come to be looked upon as a necessary part of the army by the leading generals, and President Wilson in a whole hearted way endorses it. A large amount of money is necessary, not only that the association may send its workers abroad with our boys, to look after them at the front, but also to provide similar comforts for the soldiers of those countries that are fighting with us, as well as to look after men in the prison camps of all the armies.

Home of "Rose Bud."—Have you ever visited the home of "Rose Bud" flour? If you have not you have missed one of the busiest and most up-to-date plants on the Eastern Shore. The home of this well-known flour is at Radcliffe Mills, Chestertown, and the proprietor and manager is P. Medford Brooks. He is on the job all the time and is doing a business that is flattering to his ability as an energetic young business man. He is continually making improvements. He has just finished installing a complete electric light system for his plant and now is able to work at night as well as day. A large new brick office has just been completed on the ground floor and with his courteous secrecary, Miss Annie Newton, he keeps in close touch with his trade, both mail orders and personal calls. For the past several months he has been making two hundred barrels of Rose Bud flour every week. He handles everything in feed both for man and beast. Chestertown is glad to have such industries in her midst. Mr. Brooks has able assistants in John Hadaway and Griffith Clift.

A CHILDREN'S Junior Chorus will be organized at 4 p. m. Monday next at the home of Mrs. Miriam Sheppard Davidson on Queen street—girls on this date and boys Wednesday afternoon. Ages 8 to 16.
