letter to the Rev. Samuel Gwin, can no longer be misunderstood or misrepresented. The object was to settle the question of the *succession* in favor of the candidate of the Caucus. The first questions which will be asked by the people, upon the perusal of this Executive Edict, will be, 'What right have the Caucus to choose a President for the republican party?" What individuals will compose this Caucus, and to whom are they responsible for their acts? and 'Who will be the Caucus candidate?' This right assumed for the Caucus will be unanimously and indignantly denied by every freeman in the nation; and, with equal unanimity, will the people come to the conclusion that the Caucus, so far from representing their feelings and wishes, will consist only of office-holders & office seekers, whose hopes of continuance in or accession to office, depend upon the elevation of *Martin Van Buren!* Does any one believe that a single man will be sent to the Baltimore Convention who is not *bound* to vote for the nomination of *Martin Van Buren?* Does any one imagine that the wishes and interests of the people, particularly of the great mass of the republicans of the South and West will receive the slightest consideration from this Caucus?

Why, the whole mashinery of the Caucus was fixed and prepared at *Albany* a fortnight ago by the journeymen of the Magician, and the whole *apparatus* was brought on to Baltimore the other day by the *incog.* of the Globe, who is to set it in motion on the 20th of May. The people cannot be humbugged with this Albany Caucus, transferred to Baltimore under the name of a Convention of the Democratic Republicans. The intelligent republicans of the South and West understand this imposition and they will blow it sky high. That General Jackson is deceived by it, is not a matter of wonder to those who know the men by whom he is surrounded and influenced; but his certificatory manifesto cannot lead the people into the same error.—They know a wooden nutmeg when they see it, and no Albany legerdemain can impose it upon them as genuine. There is already abundant proof that the *effect* of Gen. Jackson's letter will be to attract the most anxious attention of the people to the snares prepared for them by the New York politicians, and to give promptness and unanimity to the efforts of the people's candidate, *Judge White.*

VIRGINIA ELECTIONS.

From the Correspondent of the Balt. Chronicle

Charlotsville, April 7, 1835.

I send you below a statement of the vote in Albemarle (ex-senator Rives' county) which is decisive of the fate of Virginia, as I learn that although the question for and against the administration is still made, there are few so poor as to do Van Buren reverence. We had a brilliant illumination last night in consequence of this result. One of the defeated candidates is Mr. ex-senitor Rives' brother. This county was last spring entirely Jackson, and I most heartily congratulate you in its regeneration.

Congress.—Gordon (Whig) 669—Garland (J.) 628—majority for Gordon 41.

State Senate.—Cocke (Whig) 650—Carr, (Jackson) 630—majority for Cocke 26.

House of Delegates—*Whigs*—Gilmer 658; Southall 650. *Jackson*—Rives 646; Randolph 636—average majority 13.

Henrico—*Congress*—Mr. H. Roane, Jackson) 395—John Robertson (Whig) 385.

House of Delegates—Mr. B Randolph, (Jackson) 419—John W. Botts, (Whig 379.

Nottoway—*Congress*—John W. Jones, (J.) 254—W. S. Archer, (Whig) 119.

House of Delegates—Fitzgerald (Jackson) 253—H R. Anderson, (Whig) 129.

State Senate.—John W. Noah, (Jackson) 209—W. Old, (Whig) 196.

Powhattan—*Congress.*—W. S. Archer, (W.) 203—Jones 199.

House of Delegates.—H. L. Hopkins, (Jackson) 241—Wm. Grump, (Whig) 204.

Princess Ann—*Congress*—Arthur Emerson, (Whig) 322—Loyall, (Jackson) 151.

House of Delegates—Jesse Morris, Jr. (Whig) 216—W. Roberts, (Whig) 77—P. H Whitehurst, (Jackson) 98.

Isle of Wight.—*Congress.*—A. Emerson, (W) 55—G. Loyall, (J) 407—J. Hollman, (J) was re-elected to the House of Delegates, without opposition

Frederick—We learn that the Jackson candidate (Lucas) is ahead of the Whig candidate (John R. Cooke) only 91 votes in this county, instead of four or five hundred as was anticipated by the party. It is not doubted that Mr. Cooke will be elected, Frederick being decidedly the strongest Jackson county in the district.

BANK OF MARYLAND.—Creditors desirous of promoting the object of the meetings held by a large portion of the persons having claims against the Bank of Maryland, on the 30th and 31st March and 1st and 2nd April, will please call and join with their fellow creditors in signing the necessary papers. The committee on behalf of the creditors believe that if an effort be now made, and if the measures recently adopted at those meetings, at which were represented upwards of $500,000, be properly sustained, a considerable amount of the remaining essets may be made available to the creditors; but, if those exertions are not now sustained; or creditor's interests longer deferred, their loss must be considerably more than it yet has been.

Those papers are left for signatures with G. W. Andrews, No. 3 Baltimore street, near the bridge, William Rogers, No. 129 Baltimore street, and Andrew Ruff, Baltimore st. near Charles.

New Improved Patent THRASHING MACHINE.

THE SUBSCRIBERS having purchased the right of the Eastern Shore of Maryland of S. S. Allen's Improved Thrashing Machine, respectfully ask the public to suspend the purchase of any machine until they shall have an opportunity of seeing theirs, as they think it will give more general satisfaction than any thing of the sort yet offered to the public, as regards its threshing, cheapness and convenience. It thrashes rapidly with one horse, and requires but two for any speed, and so completely portable that the whole ready for use may be easily taken from barn to barn in a light waggon with one horse, and with the improved Concave Hopper and Wind Mill is an excellent machine for getting out clover seed.

☞Machines can be seen at their shop in Elkton, where they are now building them.

Union Bank of Maryland,

Baltimore, 3d April, 1835.

NOTICE IS HEREBY GIVEN, That a general meeting of the Stockholders of this Institution will be held at the Banking House in the City of Baltimore on MONDAY, the 25th day of May next, at the hour of 11 o'clock in the forenoon, for the purpose of taking into consideration the following Act of Assembly passed by the Legislature of Maryland at their December session, 1834, and to determine whether they will accept of the provisions of said Act of Assembly, and authorise the President and Directors to pass a resolution to that effect.

By order,

R. MICKLE, Cashier.

AN ACT to extend the Charters of the several Banks in the City of Baltimore.

Section 1st. Be it enacted by the General Assembly of Maryland, that the acts incorporating the several Banks in the city of Baltimore whose Charters were extended by the Act of December session of the year eighteen hundred and twenty-one, chapter one hundred and thirty one, be and the same is hereby upon their respective compliance with the provisions of this act declared to be severally extended and continued in force as follows, to wit. The charters of the Farmers' and Merchants' Bank and of the Marine Bank, until the end of the year eighteen hundred and fifty-six, the charters of the Mechanics' Bank and the Franklin Bank, until the end of the year eighteen hundred and fifty-seven; the charters of the Commercial and Farmers' Bank of Baltimore and of the Bank of Baltimore, until the end of the year eighteen hundred and fifty eight; and the charter of the Union Bank of Maryland, until the end of the year eighteen hundred and fifty-nine: Provided however, that the said Corporations shall be and they are hereby made subject from and after the first day of January in the year eighteen hundred and forty-five, to all the rules, restrictions, limitation and provisions declared to be fundamental articles of the constitution of the corporation called "The Merchants Bank of Baltimore," and to the provisions of the eleventh, twelfth, thirteenth and fifteenth sections of the act creating said corporation; and that said corporations shall henceforth have and enjoy all the privileges of said corporation—And further provided that said Banks and each of them on their respective acceptance of this act as hereinafter provided, shall be subject to the provisions of the fourteenth section of the act incorporating "The Merchants Bank of Baltimore."

Section 2nd. And be it enacted, that in order to their respective enjoyments of the benefit of this act the said corporations shall on the first day of January in the year eighteen hundred and thirty-six, and annually thereafter, respectively pay to the Treasurer of the Western Shore upon their respective Capitals, now or that shall hereafter be paid in, the sum of twenty cents upon every hundred dollars of said capitals respectively; and shall also pay to the Treasurer in two equal yearly instalments, computed from the passage of this act, their respective proportional parts according to and in the combined ratio of their said respective capitals paid in, and of the time for which their charter are hereby respectively continued beyond the first day of January, eighteen hundred and forty five, of the sum of seventy-five thousand dollars, the aggregate of the assessments hereby fixed upon the capitals of the said corporations; it being however understood that said charge of twenty cents upon said capital, is not additional to the like charge as prescribed by the seventh section of said act of eighteen hundred and twenty-one, chapter one hundred and thirty-one, as to the term of said act.

Section 3d. And be it enacted, That if any of the said corporations shall fail to pay said charge of twenty cents on every hundred dollars for the space of six months after the same shall be payable as aforesaid, this act as to the corporation so in default, shall be null and void.

Section 4th. And be it enacted, That if any of the said corporations shall fail to pay any one of the said instalments for the space of six months after the same shall be payable as aforesaid; this act as to the corporation so in default, shall be null and void.

Section 5th. And be it enacted, That if any of said corporations, shall by or in any proceeding whatsoever at law or in equity, attempt to call in question or dispute or to procure to be so called in question or disputed the validity in any respect or to any extent of any acts that have or may be passed, either during the present session or during any future session, of the Legislature of Maryland, incorporating any Bank within the limits of the City of Baltimore, or to attempt to restrain or in any wise interfere with the exercise of the corporate powers that shall be purported to be granted by any such act of incorporation, then this act as to the said incorporations so attempting or procuring, shall be null and void.

Sec. 6th. And be it enacted, That this act shall have no effect whatever as to any of said corporations which shall not by resolution of its president and Directors, authorised at a general meeting of the Stockholders, declare its acceptance of this act, and bind itself to comply with the provisions thereof on or before the first day of July next: and on or before that day transmit to the Governor and Council to be filed in the Executive Department, a copy of such a resolution certified under the common seal of said corporation.

Section 7th. And be it enacted, That after the year eighteen hundred and forty five the Legislature of Maryland shall have full power to restrict the notes or issues of said banks, to any denomination they may see fit to fix, as the lowest denomination of bank notes in this Stae.

We certify the aforegoing to be truly copied from the original Act which passed both Branches of the Legislature of Maryland at its December Session, eighteen hundred and thirty four.

AMERICAN NANKEEN.

THE undersigned, during the last two years, has had some agency in placing before the public, and in bringing into fashionable wear, the

AMERICAN NANKEEN,

made of Nankeen colored Cotton, the growth of Georgia. The numerous persons, who have given this handsome and durable fabric a trial, so far as I have been able to ascertain, are entirely satisfied with it.—and intend in future to bring it more extensively into use, and in doing so, whilst a strict regard to economy is kept in view, a benefit is conferred on the cotton grower, the manufacturer, & the common sense merchant. Having made the necessary arrangements to receive an *ample* supply I shall in a few days be prepared to furnish those with it, that are disposed to patronise American skill and industry.
