BONES AND BAGS

On account of the War many of our supplies of bones have been cut off and in order to get all the nice dry country bones possible we have determined to pay about twice as much for dry bones as we used to pay, if they are delivered at our factory. The country boys should pick up all they can and bring them to us instead of selling them to junk dealers.

We will also pay the highest market price for good second-hand Fertilizer bags. Please communicate with us. Very truly yours.

CORN SHELLERS

THERE is a large crop of corn in Kent and Queen Anne's counties to be handled this year. Are you prepared to shell yours? We are ready to assist you in shelling it.

We have everything in Shellers, from the small machine that bolts on a box up to the large eight-hole Sheller, Our No. 7 Sheller, the 2-hole with shaker, has made a reputation for itself in nearly 15 years of continuous selling and use. We have ordered these the second time this season already. Power Shellers from 2-hole up. Strange to say, the price of KEYSTONE Power Shellers have made no advances over last year's prices. If you need a Sheller to handle your crop, see us about it now. Takes very little engine power to run a 4-hole Sheller.

☞ We have a fine line of OIL ENGINES that will run these Shellers, if you need power.

NEWSY TIDINGS FROM OUR BOYS

The "News" Will Be Glad To Mention Any Items of Interest You May Send About Your Soldier Or Sailor Lad—Let's Help Each Other In This Way.

The NEWS received a few lines recently from Lieut. Frank B. Hines in which he stated that he and his famity were in Alabama. The doctor is at Camp McClellan, about six miles from Anniston. "Everything" says he, is on the jump, and if you could see the boys from old Kent—Bob Ayers, Donald Stam, Bates Russell, Nick Denny, Olin Stafford and Colin Duyer—they have all grown bigger and stouter and look fine. Donald and Stafford are in this train and near me. The other boys are farther away. The old KENT NEWS looks awful good each week and I miss it very much when it fails to arrive. If you see any relatives or friends of the Kent county boys tell them they are getting along finely and making good in their new life. The Dr. is known as lieutenant in the army having lost the Dr.

Nick Denny, son of J. Hall Denny and wife, is at Anniston, Alabama. He has been promoted three times and is now a sergeant. He will likely be given a commission next as he cannot go any higher under his present Captain.

The Sunday Sun had a fine picture of Norman Hirons, son of John Hirons and wife of Chestertown. Norman is somewhere in France in headquarters department. He and Irving Sparks went over on same transport.

A letter from Norman Crouch says he reached Waco Texas after three days of travel and had nothing to do now *except to fly!* Mr. Crouch was one of 14 graduates of a class of 34 at Atlanta and is in Texas to get practical experience in managing an air ship. There are 30,000 soldiers encamped there but only these few fliers. Mr Allan Harris is also at this camp.

Kent county boys take the prize for being popular with the girls. It is reported there is one in camp who received no less than *six* beautiful sweaters besides other things to keep him warm.

L. Shreeve Stevens, son of Mr. and Mrs. Lawrence Stevens, spent Thanksgiving holidays at home. On his return he enlisted in the Navy, giving up a lucrative position with the Penn. R. R. Shreeve expects to be assigned to his ship this week. His employees told him that his position is ready for him any time he returns.

Henry A. Kratzer spent Sunday with his parents in Quaker Neck. He has succeeded in getting transferred to the Aviation Corp and left for the school at Princeton Monday.

Dr. Herman Lemen, formerly of the Stam Drug Co., now at Camp Meade, had his rib broken last week while playing football.

Edward Blackway has received his fifth promotion since his entrance at Camp Meade. He has been made First Battalion Sergeant-Major. This is the highest promotion he can receive as a non-com.

W. T. Medford, formerly R R agent at Massey, has been appointed chief train despatcher from the base supply to outlying points in France. A brother, F. P. Medford, Jr., is a member of the same battalion and also sailed on the same steamer.

Don B. Falls, who was accepted in the draft after repeated unsuccessful attempts to enlist, has been finally discharged because of physical disability. Mr. Falls is now with his wife and child at their home on High street.

The Greek who was drafted and sent to Camp Meade has returned to the Chestertown Candy Kitchen, having gotten his release on account of being an alien. He is a lieutenant in the Greek army and won a medal as a marksman.

Earle R. Stouffer, son of Mrs. Catharine J. Stouffer, writes from France that he is well.

The Sun of Tuesday contained a picture of William B. Wilmer, Jr., son of William B. Wilmer, of Chestertown. He is a sergeant in the Johns Hopkins Base Hospital Unit now "over there."

Medders & Co. Have the Goods.—The greatest drawing card with the merchants this Christmas is in having sufficient stock to supply the trade. Wm. Medders & Co., of Still Pond, have laid in an unusual large stock of real *Xmas Supplies* and are prepared to handle the big Xmas rush that will surely visit their place next week. See their advertisement in this issue.

WEDDING NOTES

W. Miller Strong, son of the late J. Edgar Strong, and Miss Anna Marie Brice, the attractive daughter of Mr. and Mrs. John Brice, were married at Elkton Tuesday afternoon by the Rev. Alfred E. Jones. Her father gave her in holy wedlock, while Messrs. Albert Strong and Edwin Brice acted as best men. A wedding reception was given the couple at their home at Grey's Inn Wednesday evening. About forty persons were present and enjoyed the feast of turkey, wild duck, &c.

Miss Eva States and Paul Harrison were quietly married at Crumpton Sunday evening, December 9, 1917, by Rev. Mr. Morton.

Colored Man Killed.—Geo. Carroll, a colored man, fell from a load of corn fodder on Tuesday last and was killed. He was in the field of Mr. Frank Lamb, on the P. G. Wilmer farm, in Morgnec, when the team was noticed going in another direction from the proper one and when the Lamb boys investigated they found that Carroll had fallen off and sustained concussion of the brain. Geo. Carroll was about 67 years of age and was one of the most wonderful and faithful colored men in Kent county. He had lived with Mr. Frank Lamb's father and in fact spent his whole life with the Lamb family. Dr. F. W. Smith examined the body after the accident.

A SPLENDID RECITAL

The Chestertown Lyceum was well-filled Thursday evening with an appreciative audience who enjoyed the recital and musical comedy, "Fairyland" given by Junior Choral under direction of Mrs. Miriam Sheppard Davidson, dramatic soprano. Mrs. Davidson was ably assisted by Miss Mabel Toulson, Piano, Miss Miriam Louise Gardner, Lyric Soprano, Miss Helen Boyd, Contralto, Prof. Charles Monzani, Tenor, F. Kemp Bordley, Basso and Violin, Prof. Martin Ten Hoor, Violin, Priscilla Davidson, Impersonator. The little folks captured the audience with their singing and splendid acting while the other talent was up to the usual high standard.

THRIFT STAMPS.

The sale of Thrift stamps thruout the country began with a rush last week.

The following table gives the denominations of the certificates and how they can be purchased

A Thrift Stamp costs 25 cents. It does not bear interest.

Sixteen Thrift Stamps, plus 12 cents in cash, buys a War Savings Certificate Stamp. This bears interest, can be cashed at any time and is worth on Jan. 1, 1923, $5.

Twenty Savings Stamps buys a $100 certificate. This bears interest, can be cashed at any time, is worth $82.40 when bought, and $100 in 1923

Information may be obtained at any bank or postoffice. W. B. Copper has been named State Chairman by Robert Crain to take charge of the campaign in Kent. Let's all help in this worthy and commendable saving method. It's a fine thing for the young folks in teaching thrift.

Peter G. Chance, a highly respected citizen of Church Hill, died last Saturday night after an illness of ten days from pleurisy. He was 67 years old. Mr. Chance had been a resident of Church Hill for nearly fifty years. He was born in Millington. He leaves one daughter Mrs. W. A. Bowen, of Church Hill.
