Watch Your Kidneys!

Help Them Cleanse the Blood of Harmful Body Waste

Your kidneys are constantly filtering waste matter from the blood stream. But kidneys sometimes lag in their work—do not act as Nature intended—fail to remove impurities that, if retained, may poison the system and upset the whole body machinery.

Symptoms may be nagging backache, persistent headache, attacks of dizziness, getting up nights, swelling, puffiness under the eyes—a feeling of nervous anxiety and loss of pep and strength.

Other signs of kidney or bladder disorder are sometimes burning, scanty or too frequent urination.

There should be no doubt that prompt treatment is wiser than neglect. Use *Doan's Pills*. *Doan's* have been winning new friends for more than forty years. They have a nation-wide reputation. Are recommended by grateful people the country over. *Ask your neighbor!*

"AMERICAN" by Fostoria

THE "AMERICAN" PATTERN CAPTURES THE ROMANCE OF COLONIAL SIMPLICITY

In quality glass, at moderate prices, the name *Fostoria* is foremost. Among its own designs, "American" has proved to be the most popular.

And quite rightly it should be. For Fostoria "American" crystal is a perfect companion for the modern trend toward colonial simplicity. It is Early American in spirit, but up-to-the-minute for modern fashions. Beautiful, durable crystal — but equally important is cost. That's another good feature. The prices are exceedingly moderate.

Come in and discover Fostoria "American." Or add to those pieces which you already have.

ATTORNEY GENERAL'S INSTRUCTION TO VOTERS

Pursuant to legislative mandate in Article 33, Sections 132 and 133 of the Code of Public General Laws, I herewith offer the following instructions and suggestions to aid vot ers in casting the ballot:

1. Upon entering the room give your registered name and address to the judge. After your name and number have been written in ink upon the ballot, and a judge's name or ini tials placed upon the back, you will be handed your ballot.

2. You then r etire to one of the booths or compartments and mark your ballot with an indelible pencil. Be sure to use an indelible pencil because any other kind of pencil, or a pen, will make your ballot illegal. An indelible pencil is usually provided in the booths. Make a cross-mark (X) after the name of every person for whom you wish to vote; and in case of a question submi tted to a vote of the people, mark (X) likewise in the appropriate square after the answer you desire to give. You should be careful to make no mark on the ballot other than the cross-marks. Be sure to make your cross-marks entirely within the squares.

3. After marking your ballot, fold it as it was when you received it; then hand it to the judge at the ballot box. You then must leave the polling room and may not go behind the guard-rail again during the day.

4. You must not take any ballot outside the guard-rail. If you spoil a ballot you must deliver the spoiled ballot to the judge in charge of the ballots and receive another from him. If you spoil three ballots, you lost your vote.

5. A voter who is physically disabled from marking his or her ballot must make affidavit to that effect, if he or she desires assistance. The two polling clerks, after such affidavit has been made, can accompany him orher into one of the compartments and there mark hsi or her ballot as he or she instructs them, marking only the names of the candidates whom he or she shall name. The clerks are not allowed to read the ballot to the voter.

6. Violations of the election laws, such as placing distinguishing marks upon a ballot, making the voter to ments, etc., subject the voter to penal ties provided by law.

7. The above instructions in reference to obtaining and marking the ballot do not apply, of course, where voting machines are provided. In such a ca se you will be fully instructed by proper persons on duty as to the manner in which you are to cast your ballot.

The privilege of casting the ballot is one of the most sacred and time-honored rights reserved to the people under our form of Government. Guard this right carefully and exercise it correctly and efficiently in accordance with the law and with these instructions.

WILLIAM C. WALSH.
Attorney General of Maryland.
