THE FACT that the Commissioners of Kent County are keeping expenditures well within levy for the year of June 15, 1939—June 15, 1940, is revealed in the monthly report of the County Treasurer submitted this week. The report showed estimated expenditures to the end of the county year of $12,279.21 and uncollected taxes for 1939-'40 of $43,553.-76. While the estimated expenditure item may be slightly incresaed due to unforseen costs it will still be well within the amount of taxes yet to be paid.

THE SPEECH of Senor Cesare Andrade, of the Country of Ecuador, before the Chestertown Rotary Club Monday night revealed the fact that the North, Central and South American countries can be brought closer together through better understanding and relationship. He stated that all of the Americas have, and favor, in the main, the same type of government and that this Democratic form of government can be maintained by an intermingling of ideas and closer personal relationships. He advocated the study by the inhabitants of the language of the various countries, which is mostly English and Spanish. He stated that if individuals can settle their differences through mutual understanding there is no reason to believe that nations cannot do the same. He is enthused with the Rotary idea, and having been elected a Director of Rotary International last month, he will travel in many of the Central and South American countries during the coming year. His talk was encouraging at this particular time when the Americas must stick together to preserve the type of life and government that we know this hemisphere wants and can maintain.

IN THE midst of the drive for funds for the enlargement of the Kent and Queen Annes General Hospital, the report of the financial condition as published this week, is an encouraging note in the drive. The report shows the hospital to be self sustaining, out of debt and very efficiently managed. When one is asked to give for the enlargement of a hospital, they first want to know whether or not this enlargement will put another loadstone around their neck. People generally, are willing to assist a going and well managed institution and not should hestitate to give to the local hospital when they realize that institution is out of debt and selft supporting. Additions and improvements, however, have to come through special contributions by the public.

PENALTY

IMPORTANT NOTICE TO MERCHANTS AND TRADERS

Your attention is called to the provisions of the Senate Bill No. 63 passed by the General Assembly of 1929, under which there is imposed on persons who fail to take out licenses in the Month of May a penalty of 10 per cent per month on the cost of the license. This is not merely a 10 percent flat penalty but 10 percent per month or fraction of a month.

The Clerk of the Court has no discretion in the matter but will be held accountable to the State for the collection of all penalties.

Licenses are now on hand ready for distribution.

Embarrassing

When *Acid Indigestion, Gas on Stomach or Heartburn* make you feel uncomfortable or embarrass you, try Alka-Seltzer, which contains alkalizing buffers and so helps counteract the associated Excess Stomach Acidity.

But the relief of these minor stomach upsets is only a small part of what you can expect Alka-Seltzer to do for you. You will find it effective for Pain Relief in *Headache, Neuralgia, Colds and Muscular Aches and Pains.* It contains an analgesic, (sodium acetyl salicylate), made more prompt and effective in its pain-relieving action by alkaline buffer salts.

When hard work or strenuous exercise make you feel tired and dragged out, enjoy the refreshing effect of a glass of sparkling, tangy Alka-Seltzer.

At Drug Stores in packages and at drug store soda fountains by the glass.
