Real Estate for Sale.

THE subscriber, as agent for Mrs. Mary E. Emory, offers for sale her valuable Farm situated on Skipton Creek and Wye River, in Talbot county, Md., about eight or ten miles from Easton, the county seat, and convenient to church and schools. This farm contains **401 Acres**, of which about 180 Acres are well covered with valuable Oak, Chestnut and Walnut Timber.—The rest of the track is arable and susceptible of the highest improvement.

The buildings on this farm are a large new and convenient residence, granary, corn house, stables, and servants' dwellings, and all other requisite out-buildings in a good state of repair.

Singer's Sewing Machines.

THESE celebrated machines are in practical and profitable use in all parts of the civilized world. In all the various trades, and in sewing every sort of fabric, either of cloth or leather, they have been fully tried and approved. Sewing machines of other manufacturers often fail to work, but SINGER'S ALWAYS OPERATE PERFECTLY, being strong, durable and complete in contrivance and workmanship. A perfect sewing machine kept employed affords a clear profit of $1,000 a year; but an imperfect one is a cause of constant vexation and loss. The entire RELIABILITY of our machines is one great reason for their unparalleled popularity.

MACHINES FOR FAMILY SEWING, of a frail and delicate construction, are recommended by other manufacturers. Such machines are made to catch the eye, not to perform substantial work. The truth is, family sewing machines ought to be stronger than any other, because they go into less skilful hands than when sold to manufacturers, and are used for a greater variety of work. The machines which have proved best for family use, and they are Singer's. The speed of our machines has lately been doubled. No other can compare with them in quantitity of work.

☞ New machines of the latest improved style will be exchanged on liberal terms for old sewing machines of our own make, or for operative manufacturers. Local Agents wanted to sell our machines.☜

N. B.—All persons desiring full information about sewing machines, can obtain it by applying for a copy of "I. M. Singer & Co's Gazette," a paper devoted entirely to the subject. It will be sent gratis. I. M. SINGER & CO.
