ROCK HALL

Easter Sunday was an ideal spring day and had the effect of bringing out hundreds of our people to church services. At St. Johns Church servises was attended by a very large gathering. Many at the M. E. Church was flustrated by the "tom-fool daylight saving time." They thought that in as much as the day would begin one hour ahead of the old time. Church service would also begin an hour ahead of the usual time, hence they were at the church at about nine o'clock, only to learn service would not begin until eleven o'clock, but everybody tried to "possess their souls in patience." A large attendance was present and enjoyed a red hot sermon right off the burning coals. Rev. Mr. Prettyman's text was "Many Shall Come from the East and West, and Shall Sit Down With Abraham and Isaac, and Jacob in the Kingdom of Heaven." An enjoyable Easter entertainment was held at night, witnessed by a packed house. The program consisted of recitations by the primary class, special song and music and an address by the pastor. The offering amounted to about $46.00. At the close of the exercises a special drive was made to wipe out an indebtedness of $100.00, which proved successful as evidenced by the destruction of the paper showing the whole financial claim against the church by a match in the hand of the pastor during the singing of the doxoligy.

Rev. J. W. Prettyman left here on Wednesday for his new charge at Sharptown, Md.

Among those of our former residents spending Easter here were noticed, Mr. and Mrs. Bliss Sommers, Mr. and Mrs.W. J. Davis, of Baltimore, Norris Colyer, of Philadelphia, Thomas E. Jones, of Indian Head.

N. M. Ryan and C. M. Ryan, of near Chestertown, Mr. and Mrs. Hiram Crew, of Worton, Mrs. C. J. Reiche and Mrs. W. G. Davis, of Quaker Neck, were geusts of Mr. and Mrs. J. R. Ryan last week.

Our town bailiff, B. F. Jester, who has been a patient in the City Hospital for several weeks is now on his job again.

W. P. Durding, who was seriously injured in an automobile accident during the early winter, is now able to be out and about.

Kent's last contingent of draftees left here on Monday for headquarters.

We have some mighty bad road bridges down this way. Somebody is needed on the job [illegible]

N. R. Satterfield, always fond of a reminiscent spirit, has just been looking back to the early fifties, when as a boy of seven years, he attended the Wesley Chapel Sunday school in the frame building that is now a part of the Rock Hall primary school. He was a day school pupil in the same building after its removal to Rock Hall and he is now a janitor of the same building and has been such for 18 years He is proud of the fact that he has been doing his best in each department in all the years. He is now 76 years old and is as spry as most men of 40 years. He can touch the tip of his nose with his lower lip and can jump up and crack his heels together twice before touching the ground again. Who can beat the record?

SUNDAY SCHOOL ANNIVERSARY

The 46th anniversary of the Juvenile Home Missionary Society of Christ Church Sunday School was held Sunday evening under most inspiring auspices and amid beautiful surroundings. The theme was "Spanning the Years" and an arch with these letters reached from one side of the pulpit recess to the other with a cross of lillies in the centre and an American flag as a back ground. Potted plants and flowers added loveliness to the scene. The classes sent representatives forward who gave a word picture each of the 46 anniversaries, while a letter from Dr. J. S. Bowers, the president, was of unusual interest.

The carols from "The Risen Saviour" interspersed the exercises accompanied by Arthur Bacon, cornet, C. Merritt Twilley and Joseph N. Wheatley, violinists. The acting president, Willard Culp, made a splendid address in introducing the pictures, the secretary being Misses Dorothy Ward and Emily Lusby.

The banner, for the night was won by W. W. Hubbard's class with over $90, which was presented in an appropriate speech by Prof. Cobb, of Washington College. Mrs. W. R. Huey's class of young ladies came second with $42. The collection for the night was 320.60. The winners for the year were classes taught by W. W. Hubbard, $115.22; Miss Clara B. Usilton, $72.70; Primary Class, $71.17, and Bible Class, $52.40. Total for the year was $599.67.

The following were awarded gold pins and certificates for attendance: Walter U. Lusby, M. Elwood Baker, Mrs. W. Robert Huey, Misses Lucy Frazier, Mary Knight, Olive Kent, Nellie Jones, Ruth Maxwell, Flora Wheatley, Mrs. H. B. Nicholson, Virginia Nicholson, Elizabeth Culp, Mary Jones, Myrtle Needles, Martha Crossley, William Parrott, Harry Russell, Norris Reed, Spencer Smyth, Dudley Stafford, Kennard Stafford, Robert Huey, Jr., Katharine Baker, Esther Peacock, Irma Adams, Mr. and Mrs. Adams, Frank Fowler, Ballard Ward.

The committee on decoration included the members of Thomas D. Bowers' class of ladies, and who were ably assisted by Prof. Owen C. Blades, of the High School. The great events of the past will no doubt serve as an incentive to this school to do greater things in the future.

BARRED ROCK EGGS FOR HATCHING

My experience has been that Barred Rock chickens are the best all-around chicken for the farmer. They are easy to raise, easy to keep in good condition and lay well. My breeders are in particularly good condition and have made egg records that are hard to beat From one flock of 60 I gathered an average of slightly over 200 eggs per pullet in one year. From this pen my prices are $1.25 per 15; $6.00 per 100.

From my other hens—no doubt almost as good—my prices are $1.00 per 15; $5.00 per 100

Fond Du Lac Tractor Attachment, $198 00

WHY PAY MORE?

AT the demonstration held on the farm of Mr. Backus, near Elkton, under the auspices of the County Agent, Mr. Knode, on the 27th and 28th ultimo, in two fields a little wet, much of which was on a 12% to 15% grade, the allotted task of this Tractor Attachment was performed in connection with a 1912 Ford car, to the satisfaction of many interested spectators.

Read what the great Berlin (Md.) nurserymen say about the Fond Du Lac Tractor Attachment and Ford cars:

HARRISON'S NURSERY, BERLIN, MD, March 18, 1918.

MR. I. C. COCKEY, CLAIBORNE, MD.

DEAR SIR:—We have been using one of your Fond du Lac Tractor Attachments for about one month; have put it through very severe tests and have found it satisfactory. We have it attached to a 1912 Ford Auto, and have been pulling a 2-[illegible] plow, also a 32 disc harrow, which ordinarily requires six horses to pull. As a result of these tests, you may enter our order for two more of the attachments, and we think within 30 days we will allow you to ship us six more.

Yours very truly,
J. G. HARRISON & SONS.
