Absconded from Georgetown, where he was bound to a Blacksmith, a Negro Man called SAM, about 24 years old, 5 feet 10 inches high, slender and very black, oval face, a scar over one eye, stands generally with one foot forward, and seems to drag his feet, having a very slovenly walk, notwithstanding is very active and healthy, apt to get drunk, and very quarrelsome; he is a good Blacksmith, and probably will endeavor to hire as a free man. He is well known to most of the stage drivers, as the man with whom he lived did all the work for Mr. Crawford's tavern.——He went away the 5th July, and was apprehended at M'Coy's, between this and Baltimore, but escaped the same night; he was again seen and taken, at Gunpowder Ferry, between Baltimore and Susquehanna, about the last of October, but escaped again.

FOR SALE,
The Rum Distillery,

On Jones's Falls, known by the name of John Baron's Distillery, one of the most extensive establishments of the kind in the U. States, making annually from 90 to 100,000 Gallons of strong 4th proof Rum, and where 100 bushels of Grain can be distilled in 24 hours, and with sufficient stores for 300 hhds molasses, stable, hay loft, Cooper's shop, shed for wood and carriages, &c. and a dwelling house—the whole in such order as to require no repair of any consequence it is presumed for a long time, and which can be better ascertained by viewing the premises.

It is sold in the present advantageous conjuncture for establishments of that kind, for no other reason than the weak constitution of Mr. John Baron, which does not permit him to follow any longer this line of business. He will nevertheless let the purchaser or such person as may be appointed for the purpose, know all his processes to extract from the molasses all the spirits it is susceptible to yield, and to make the 4th proof rum generally known under the appellation of *Baltimore 4th proof Rum*, which by the price it has constantly obtained, has given to the establishment an advantage over all the other Distilleries of the country, of not less than 12 cents but oftener of 16 and 20 cents per gallon of 1st proof, which can be satisfactorily demonstrated to persons inclined to purchase.

Possession may be given immediately by the purchasing at prime cost the stock on hand of grain, of wood, or immediately after the same will be consumed or distilled.

Will be exposed to sale at Public Auction or Vendue, on the 1st day of February next, at Belle Air, the county town of Harford, Maryland,

The New Blast Furnace,

Situate on the Public Road, leading from Kirk's (commonly called Peach Bottom Ferry,) thro' Belle Air to Baltimore, and near the old noted Mill and Homestad of Mr. Ashmore. This Furance was lately erected on a large scale, an over shot wheel, thirty feet diameter, of excellent plan and construction, and of the best materials, and large Tub Bellows with all the harness complete, the stack of Stone Work (well secured with heavy Iron bars) about 30 feet diameter at the base and 30 feet high; large Bridge and Casting House, 3 Dwelling houses for workmen, with work shops and stables sufficient for the establshment. Also, a good Stamping Mill, detached from but very convenient, being worked by the same steam below; the water power is amply sufficient in all seasons without risk of inundation or damage to the dams and races. Appendant to this property is a lease on a bank of very rich Iron Ore (called Black Oxyde or Steel Ore) apparently inexhaustable and of easy access, there are also appearances of several veins of other good Iron ore within common hauling distance not yet explored, and a large scope of young growing woods in the vicinity to the north, the east and the west, extending to the state ridge. Upon the whole of these qualities and conveniences it is conceived it would in the hands of a person well skilled and experienced in working the black Oxyde or steel ore be a very valuable establishment. It is situate about 5 miles West and directly opposite the head of the Canal which empties into the tide water of Susquehanna. This water power and scite would it is believed (if not kept up as a furnace) answer well for a large manufactory of Wool, Cotton, &c. There is also a lot of good thriving woodland on the state ridge of about 30 acres, to be sold separately at the same time & place, one of the proprietors being lately deceased, it will be sold to close to the concern.—Title indisputable. Terms will be made known at time of sale. For view or information apply to the subscribers on the premises.
