Hampton's Tincture.

Wherever used, has been successful in CURING DISEASE, after other remedies have failed.

For diseases of Women and Children it is a great remedy, and should be used in every family.

MR. WM. HIGH, No 195 South Paca street, Baltimore, Cured of Rheumatism, Dyspepsia and Nervous Disease.

Mr EDWIN M SPARKLIN, No 27 Register street, Baltimore, most dreadful case of Scrofula of year's standing, lost a number of pieces of bone, restored to health.

HEREDITARY SCROFULA.

A boy in the family of Hon W P Thomasson, once a member of Congress from Kentucky, was a mass of sores from head to foot. His eyelids turned inside out, protruding over the eyeballs so as to produce blindness. He was cured by Hampton's Vegetable Tincture.

Mr Wm Oldham, of Baltimore custom-house, suffered from these complaints for 18 months, with body and mind severely effected. He was cured by Hampton's Vegetable Tincture, after other things failed.

COUGH, CONSUMPTION, &c.

Mr Henry C Winn had a cough for 5 years—great weakness, etc.; had in all, five or six physicians, tried all the remedies, but was cured only by HAMPTON'S VEGETABLE TINCTURE.

We appeal to our best known Citizens

We offer no mere Mushroom Article, but a Medicine proved by thousands to be the Great Invigorator and Restorer of the system!

FACTS FOR SICK PEOPLE.

WE WOULD NOT GIVE A DOLLAR FOR ALL THE TINCTURE HAMPTON EVER MADE.

THUS spoke a wise and good man; but mark the change! Let the AFFLICTED hear him, and then decide whether to suffer on or be made whole. YE PROFESSIONAL MEN WITH RUINED HEALTH, HEAR!

Rev. James W. Bunnicutt, the talented and independent editor of that highly popular and extensively read paper, the Christian Banner, published at Fredericksburg, Va., in his editorial of the 15th of May, 1855, thus speaks of

HAMPTON'S VEGETABLE TINCTURE:

"Some time ago we merely alluded to Hampton's Vegetable Tincture, with a promise of noticing more particularly the great relief we have ourself derived from its use. During our coheriate course, owing to sedentary habits, became quite dyspeptic, and were very much troubled with vertigo. For more than twelve years after leaving college, we were labouring seriously under these two afflictions. In the spring of 1853, our general health became so delicate that it was with great difficulty we could attend to the ordinary duties of our profession. Everything we ate immediately turned acid; our digestive organs became wholly deranged; losing as it seemed to us all their activity; we were constantly depressed in spirit; our energy almost forsook us, and nothing but necessity urged us to action.

We had taken strong medicines, observed great particularity in our diet, and all to no purpose. We had despaired of ever recovering our health, when a female friend of ours importuned us to get a bottle of Hampton's Vegetable tincture, assuring us that we would find great relief from its use. We briefly replied, "we would not give a dollar for all the Tincture Hampton ever made, so far as our own individual health was concerned." We had no faith in it, nor any other medicine in effecting a cure on us. In the kindness of her heart, however, without consulting us about it, she sent and got one bottle and urged us to accept of it, and for her sake as it could not possibly injure us, to use it according to direction. For the high regard we had for her and her act of kindness, we promised to do so. And without the least exaggeration we can truly say that before we had used the contents of one bottle we felt like a new man.

We used, consecutively, from ten to fifteen bottles. We were afraid to give it up, fearing our old diseases might return. Since then, our digestive organs have been uniformly correct, our head clear, and so far as our labors, toils liabilities, responsibilities, and worldly cares will allow, our spirits have been buoyant, and we eat what we please, and as much as we please, and when we please—and all is well. For the sake of the afflicted we make the statement, hoping that others may find the same relief from it that we have. It should be kept in every family. No family should ever be without HAMPTON'S VEGETABLE TINCTURE.

LAWYERS, DOCTORS, BANKERS, MINISTERS, in all the Departments of State, Ladies and Gentlemen in the highest walks of life, as well as those moving in the most humble spheres, speak of the cures on themselves and friends by this wonderful article.

☞ Delicate Ladies and Children will please give it a trial.

COLLECTOR'S NOTICE.

THE subscriber informs the tax payers of Talbot county that he is prepared to receive their State and County Taxes for the year 1856. I hope they will be promptly paid, as I shall aim to close my collections within the time prescribed by law. The commissions paid for collecting the taxes are not sufficient to justify me in riding the county to make repeated calls on delinquents, therefore I shall expect tax payers to call on me at once, and settle their taxes. To enable persons to save the *four per cent* discount on their State tax, which they may do by paying their taxes during this month (September,) I shall be in Easton every Tuesday, at Trappe every other Saturday, beginning with to day, and at St Michaels when not on a cruise in other parts of the county. Mr. Charles Robinson, in Easton, will receive and receipt for taxes for me during any day in the week for the Easton, Trappe and Chapel Districts.

He has now on hand and ready for sale a fine assortment of Carriages, Harness, &c., both new and second hand, of various patterns and finish, which he would respectfully invite the public to call and examine.

To Farmers and Gardners.

THE subscribers offer for sale 10,000 barrels of their New and Improved

POUDRETTE,

Manufactured from the night soil of New York city, in lots to suit purchasers. This article (greatly improved within the last two years) has been in the market for eighteen years, and still defies competition, as a manure for Corn and Garden Vegetables, being *cheaper, more powerful than any other*, and at the same time *free from disagreeable odor*. Two barrels (⅔ worth) will manure an acre of corn in the hill, will save two-thirds in labor, will cause it to come up quicker, to grow faster, ripen earlier, and will bring a larger crop on poor ground than any other fertilizer, and is also a preventative of the cut worm, also it does not injure the seed to be put in contact with it.

The L. M. Co. point to their long standing reputation, and the large capital ($100,000) invested in their business, as a guarantee that the article they make shall always be of such quantity as to command a ready sale.

Price, delivered in the city free of charge and other expense—

One barrel,	$2.00
Two barrels,	3.50
Five barrels,	8.00
Six barrels,	9.50

And at the rate of $1.50 per barrel for any quantity over six barrels.

☞ A Pamphlet, containing every information, will be sent *(free)* to any one applying for the same. Our address is—

The Lodi Manufacturing Co.,
Office, 60 Cortlandt St., New-York.
