THE MEDICINE OF THE MILLION.

PHILOSOPHY AND FACT.

HOLLOWAY'S PILLS.

THE EXCITING CAUSE OF SICKNESS

The blood is the life sustaining agent. It furnishes the components of flesh, bone, muscle, nerve and integument. The stomach is its manufactory, the veins its distributors, and the intestines the channel through which the waste matter rejected in its productions is expelled. Upon the stomach, the circulation and the bowels, these Pills act simultaneously, relieving indigestion, purifying the fluids, and regulating the excretions.

The National Complaint.

Dyspepsia is the most common disease among all classes in this country. It assumes a thousand shapes, and is the primary source of innumerable dangerous maladies; but whatever its type or symptoms, however obstinate its resistance to ordinary preparations, it yields readily and rapidly to this searching and unerring remedy.

BILIOUS AFFECTIONS.

The quantity and quality of the bile are of vital importance to health. Upon the liver, the gland which secretes this fluid, these Pills operate specifically, infallibly rectifying its irregularities, and effectually curing Jaundice, Bilious Remittants, and all the varieties of disease generated by an unnatural condition of the organ.

BOWEL COMPLAINTS.

Unless the bowels perform their functions properly, the whole body suffers. Tens of thousands die annually of Dyspepsia, Diarrhœa, Chronic Constipation, and other diseases of these waste pipes of the system. The effect of the Pills upon all intestinal disorders, whether casual or epidemic, is a phenomenon in medicine. By following the printed directions, the most alarming cases of bowel complaint are promptly controlled.

A WORD TO FEMALES.

The local debility and irregularities which are the especial annoyances of the weaker sex, and which, when neglected, always shorten life, are relieved for the time being, and prevented for the time to come, by a course of this mild but thorough alterative.

Holloway's Pills are the best remedy known in the world for the following Diseases:

Asthma	Fever and Ague	Piles
Bowel Complaints	Female Complaints	Stone & Gravel
Coughs Colds	Head-aches	Secondary Symptoms
Chest Diseases	Indigestion	Venereal affections
Costiveness	Influenza	Worms of all kinds
Dyspepsia	Inflammation	
Diarrhœa	Inward Weakness	
Dropsy	Liver Complaints	
Debility	Lowness of spirits	

. Sold at the Manufactories of Professor HOLLOWAY, 80 Maiden Lane, New York, and 244 Strand, London; and all respectable Druggists and Dealers in Medicine throughout the United States, and the civilized world, in Boxes, at 25 cents, 62½ cents, and $1.00 each.

AYER'S PILLS

Are curing the Sick to an extent never before known of any Medicine.

INVALIDS, READ AND JUDGE FOR YOURSELVES.

JULES HAUEL, Esq., the well known perfumer, of Chestnut street, Philadelphia, whose choice products are found at almost every toilet, says:

"I am happy to say of your CATHARTIC PILLS, that I have found them a better family medicine for common use, than any other within my knowledge. Many of my friends have realized marked benefits from them and coincide with me in believing that they possess extraordinary virtues for driving out diseases and curing the sick. They are not only effectual but safe and pleasant to be taken, qualities which must make them valued by the public, when they are known."

The venerable Chancellor WARDLAW, writes from Baltimore, 15th April, 1854:

"DR. J. C. AYER—Sir: I have taken your Pills with great benefit, for the listlessness, languor, loss of appetite, and Bilious headache, which has of late years overtaken me in the spring. A few doses of your Pills cured me. I have used your Cherry Pectoral many times in my family for coughs and colds with unfailing success. You make medicines which *cure*, and I feel it a pleasure to commend you for the good you have done and are doing."

JOHN F. BEATTY, Esq., Sec. of the Penn. Railroad Co., says:

"*Pa. R. R. Office, Philadelphia, Dec. 13, 1853.*

"Sir: I take pleasure in adding my testimony to the efficacy of your medicines, having derived very material benefit from the use of both your Pectoral and Cathartic Pills. I have never without them in my family, nor shall ever consent to be, while my means will procure them

The widely renowned S. S. STEVENS, M. D., of Wentworth, N. H., writes:

"Having used your CATHARTIC PILLS in my practice, I certify from experience, that they are an invaluable purgative. In cases of disordered functions of the liver, causing headache, indigestion, costiveness, and the great variety of diseases that follow, they are a surer remedy than any other. In all cases where a purgative remedy is required, I confidently recommend these Pills to the public, as superior to any other I have ever found. They are sure in their operation, and perfectly safe, qualities which make them an invaluable article for public use. I have for many years known your *Cherry Pectoral* as the best Cough medicine in the world, and these Pills are in no wise inferior to that admirable preparation for the treatment of diseases."

"*Acton, Me., Nov. 25, 1853.*

"DR. J. C. AYER—Dear Sir: I have been afflicted from my birth with scrofula in its worst form, and now, after twenty years' trial, and an untold amount of suffering, have been completely cured in a few weeks by your Pills. With what feelings of rejoicing I write, can only be imagined when you realize what I have suffered, and how long.

"Never until now have I been free from this loathsome disease in some shape. At times it attacked my eyes, and made me almost blind, besides the unendurable pain; at others it settled in the scalp of my head, and destroyed my hair, and has kept me partly bald all my days; sometimes it came out in my face, and kept it for months a raw sore.

"About nine weeks ago I commenced taking your Cathartic Pills, and now am entirely free from the complaint. My eyes are well, my skin is fair, and my hair has commenced a healthy growth; all of which makes me feel already a new person.

"Hoping this statement may be the means of conveying information that shall do good to others, I am, with every sentiment of gratitude, Yours, &c.,

MARIA RICKER."

"I have known the above named Maria Ricker from her childhood, and her statement is strictly true.

ANDREW J. MESERVE,

Overseer of the Portsmouth Manufacturing Co."

CAPT. JOEL PRATT, of the ship Marion, writes from Boston, 20th April, 1854:

"Your Pills have cured me from a bilious attack which arose from derangement of the Liver, which had become very serious. I had tried of any relief by my Physician, and took every remedy I could try, but a few doses of your Pills have completely restored me to health. I have given them to my children for worms, with the best effects. They were promptly cured. I recommended them to a friend for costiveness, which had troubled him for months; he told me in a few days they had cured him. You make the best medicine in the world, and I am free to say so."

Read this from the distinguished Solicitor of the Supreme Court, whose brilliant abilities have made him well known, not only in this but the neighboring States.

"*New Orleans, 5th April, 1854.*

"Sir: I have great satisfaction in assuring you that myself and family have been very much benefited by your medicines. My wife was cured two years since, of a severe and dangerous cough, by your CHERRY PECTORAL, and since then has enjoyed perfect health. My children have several times been cured from attacks of the Influenza and Croup by it. It is an invaluable remedy for these complaints. Your CATHARTIC PILLS have entirely cured me from a dyspepsia and costiveness, which has grown upon me for some years,—indeed this cure is much more important, from the fact that I had tried to get relief from the best Physicians which this section of the country affords, and from any of the numerous remedies I had taken.

"You seem to us, Doctor, like a providential blessing to our family, and you may well suppose we are not unmindful of it. Yours respectfully,

LEAVITT THAXTER."

"*Senate Chamber, Ohio, April 5th, 1854.*

"DR. J. C. AYER—Honored Sir: I have made a thorough trial of the CATHARTIC PILLS, left me by your agent, and have been cured by them of the dreadful Rheumatism under which I have long laid me suffering. The first dose relieved me, and a few subsequent doses have entirely removed the disease. I feel in better health now than for some years before, which I attribute entirely to the effects of your CATHARTIC PILLS. Yours with great respect,

LUCIUS B. METCALF."

The above are all from persons who are publicly known where they reside, and who would not make these statements without a thorough conviction that they were true.

INHALATION IN CONSUMPTION,

BRONCHITIS, LARYNGITIS, and other Diseases of the Chest and Throat, successfully treated by the inhalation of Medicated Vapors and Powders, by absorption and constitutional treatment, as practiced at the Stuyvesant Medical Institute, New York City.

The unprecedented success which has attended this method of treating diseases of the Lungs and Throat, has induced us to depart from our usual course, and avail ourselves of the columns of the press, in order to bring it to the knowledge of such as may be laboring under, or predisposed to such affections. The dawn of a brighter day has at length arrived for the Consumptive; the doctrine of the incurability of consumption having at length passed away. We have indubitable proofs in our possession that *Consumption is all its stages can be cured!* in the first, *by transformation of the tubercule into chalky and calcareous concretions;* in the third, *by cicatrices, or scars.* Those wedded to the opinions of the past may assert, that even now, Consumption is incurable; such are behind the age. To all, this great truth must be apparent viz: that the medicines inhaled in the form of Vapor or Powder directly into the Lungs, must be much more effective than that taken into the Stomach, where the disease does not exist. The advantage of Inhalation in Consumption and Throat Diseases is, that medicines in the form of Vapor are applied directly to the Lungs, where the disease exists; the stomach thus left free to aid in restoring health, by administering to it healthy life-giving food. *There is no case so helpless that Inhalation will not reach!* The means, too, are brought within the reach of all, the manner of administering the Vapors being so simple, that the invalid is never required to leave home, where the hand of friendship and affection tends so much to aid the physician's efforts.

The inhaling method is *soothing, safe and speedy*, and consists in the administration of medicine in such a manner that they are conveyed into the Lungs in the form of vapor, and produce their action at the seat of the disease. Its practical success is destined to revolutionize the opinions of the medical world; and *establish the entire curability of Consumption.*

I earnestly appeal to the common sense of all afflicted with Lung diseases, to embrace at once the advantage of Inhalation, and no longer apply medicine to the unoffending stomach. I claim for Inhalation a place amongst the priceless gifts that nature and art hath given us, that "our day may be long in the land," *and as the only ark of refuge* for the Consumptive; a method not only *rational, but simple and efficacious.*

Such of the profession that have adopted Inhalation have found it *efficacious in the highest degree, arresting the progress of the disease, and working wonders in many desperate cases;* in verity, a signal triumph of our Art over this fell destroyer of species.

NOTE.—Physicians wishing to make themselves acquainted with this practice, are informed that, our time being valuable, we can only reply, as to ingredients used, to such letters that contain a fee.

The fee in all cases of Pulmonary Affections will be $5.00, on receipt which the necessary medicines and instruments will be forwarded. The fee in other cases will be from $5 to $10. Applicants will state, age, sex, married or single, how long affected, if any hereditary diseases exists in the family, and symptoms generally. Let the name, town and State be plainly written. Easton Tonsorial Saloon.

PHILEMON FLOYD takes this method of informing his customers and the public generally, that he can be found at the old stand, where he still continues to carry on everything in the line of a Barber. Having been at some additional expense, and the high price of provisions, has caused him to raise the price of Hair Cutting to 18¾ cents—Shaving at the old price, 6¼; Shampooning 25, Boot Blacking 6. His patrons can find the Baltimore papers at his shop, after the arrival of the steamboats, and have an opportunity to read the latest news. july 1-y
