VALUABLE LAND

FOR SALE.
By virtue of a decree of the honorable the Chancellor of Maryland, the subscriber will set up and expose to Public Sale, on MONDAY, the 16th day of May next, at 11 o'clock A. M. at the Auction Room of R. Lemmon & Co. in the city of Baltimore.
A very Valuable Tract of Land,
About nine miles from the city, adjoining the lands of the Union Cotton Manufactory—two miles from the Baltimore and Frederick town Turnpike road, and the same distance from Ellicott's Patapsco Mills; containing seven hunpred and forty two acres of Land, more or less of which not more than fifty acres are cleared and the residue covered with heavy and very valuable timber. The old Fredericktown road leading to Ellicott's Upper Mills, (which are only one and a quarter miles distant) passes through the land and is vere much travelled by waggons, &c. during the spring, summer and fall months. There is a never failing stream of water running through it with a fall of from 20 to 30 feet, on which manufactories might be advantageously erected.
It will be sold entire or divided into lots to suit purchasers, as may be most convenient at the time of sale.
This Land offers great advantages to persons desirous of investing money in real property, as it may be made very profitable to the purchaser either for the purposes of cultivation or the establishment of manufactories, and much benefit might be derived from the sale of the Valuable Timber with which it is covered. Its vicinity to the city of Baltimore, and being situated in one of the most growing and flourishing neighborhoods in the state, renders it a most desirable as well as valuable property to the Farmer or Manufacturer. It will be shewn to persons disposed to purchase by Col Daniel Carroll of Mount Dillon, who lives within a short distance of it, and will give every information that may be required relative to the same. A plat with the title papers can be seen at the office of the subscriber No. 4, North Calvert street, Baltimore.
The terms of sale as prescribed by the decree are, that the purchaser or purchasers of the whole or any part thereof, shall give bonds with approved security for the payment of the purchase money with interest in nine, fifteen and twenty four months, from the day of sale, and on payment of the purchase money and nterest a deed will be given by the subscriber.
