VALUABLE LAND
FOR SALE.

By virtue of a decree of the honorable the Chancellor of Maryland, the subscriber will set up and expose to Public Sale, on MONDAY, the 16th day of May next, at 11 o'clock A. M. at the Auction Room of R. Lemmon & Co. in the city of Baltimore.

A very Valuable Tract of Land,

About nine miles from the city, adjoining the lands of the Union Cotton Manufactory—two miles from the Baltimore and Frederick town Turnpike road, and the same distance from Ellicott's Patapsco Mills; containing seven hunpred and forty two acres of Land, more or less of which not more than fifty acres are cleared and the residue covered with heavy and very valuable timber. The old Fredericktown road leading to Ellicott's Upper Mills, (which are only one and a quarter miles distant) passes through the land and is vere much travelled by waggons, &c. during the spring, summer and fall months. There is a never failing stream of water running through it with a fall of from 20 to 30 feet, on which manufactories might be advantageously erected.

It will be sold entire or divided into lots to suit purchasers, as may be most convenient at the time of sale.

This Land offers great advantages to persons desirous of investing money in real property, as it may be made very profitable to the purchaser either for the purposes of cultivation or the establishment of manufactories, and much benefit might be derived from the sale of the Valuable Timber with which it is covered. Its vicinity to the city of Baltimore, and being situated in one of the most growing and flourshing neighborhoods in the state, renders it a most desirable as well as valuable property to the Farmer or Manufacturer. It will be shewn to persons disposed to purchase by Col Daniel Carroll of Mount Dillon, who lives within a short distance of it, and will give every information that may be required relative to the same. A plat with the title papers can be seen at the office of the subscriber No. 4, North Calvert street, Baltimore.

The terms of sale as prescribed by the decree are, that the purchaser or purchasers of the whole or any part thereof, shall give bonds with approved security for the payment of the purchase money with interest in nine, fifteen and twenty four months, from the day of sale, and on payment of the purchase money and interest a deed will be given by the subscriber.

By virtue of a Decree of the

COURT of Chancery of Maryland, and in pursuance of the last Will and Testament of Charles Carnan, late of Baltimore County, deceased—The subscriber will set up and expose to Public Sale, on Monday the 16th day of May next, at 11 o'clock, A. M. at the Auction Room of R. LEMMON, & Co. in the city of Baltimore.

555¾ ACRES of VALUABLE LAND in Baltimore County

About thirteen miles from the city, one mile From the Baltimore & Reister's town turnpike road, and the same distance from Owing's Mills. 200 acres are in wood, of which 130 are said to be heavily timbered, and the rest of the land is well adapted to the cultivation of all kinds of grain. There is a considerable proportion of meadow ground, supposed to be very valuable, and several quarries of limestone, with two kilns for burning lime. Persons desirous of purchasing are requested to view this land previous to the day of sale.

Its short distance from the city and its being so near a turnpike road more travelled than any other leading from the city of Baltimore and situated in an agreeable neighborhood, renders this place a desirable Residence to a person wishing a country establishment; and the increasing value of land in that part of the county offers a fair prospect of profit to the speculating adventurer. Mr. Robert Sinclair will shew the premises to those who apply to him and Mr. John Tagart, residing on the adjoining farm, will give every information that will be required of these Lands.

The terms of sale as directed by the decree are, that the purchaser shall pay one third of the purchase money on the day of sale or on the day of the ratification thereof, with interest from the day of sale, one third with interest in nine months, and the remaining third in eighteen months with interest from the day of sale; the payments to be secured by negotiable notes with approved indorsers.

Mr. Noah Ridgely,

SIR—My daughter, Sarah Coleman, aged about thirteen years, has been from her infancy greatly afflicted with a distressing cough, which her friends were very fearful would terminate in some fatal disease. A bottle of your Lee's Elixir was procured from you, and given according to the directions. She had taken it but a few days before she found great relief; and strange as it may appear, less than half a bottle entirely removed this tormenting cough —she has not had the least return of it since, although it is now been several months. This excellent medicine has in all probability, (thro' the blessings of Divine Providence) been the means of prolonging her days, and perhaps the saving her life. The high opinion I have of your Lee's Elixir, as a most valuable medicine has induced me to send you this certificate, you are at liberty to make it as public as possible for the benefit of others.

Yours with respect.
