CHURCH NOTES

Rev. A. Norman Ward, of Salisbury, will occupy the pulpit at Christ M. P. Church Sunday morning and evening. Sunday school at 2.30.

Chestertown M. E. Church—10.30 a. m., communion service and reception of members; be sure to be present at this service; 2.15 p. m., Sunday school; 7 p. m., Epworth League and short sermon by pastor. The twilight services are proving to be quite popular. Come and see.

Services at Bond and Mowbray Churches next Sunday promise to be of an unusual character and interest. At Bond the pastor, Rev. Edwin Gardner, is preaching a series of sermons on "The Four Last Things." Next Sunday the subject will be "The Judgment." Sunday evening at Mowbray the pastor will repeat by request his sermon on "The White Robed Angels of the Battlefield." Special music by some of the singers from Chestertown will be an attractive feature. Mr. Wood, the agent for the marvelous Delco Light, will light the church for the occasion. Every effort is being made to make the occasion one to be remembered.

"Mother's Day" was observed in Christ M. P. Church and Sunday school. At the morning service Rev. J. L. Ward preached an appropriate sermon while Messrs. Bowers, Usilton, Thompson and Sparks rendered a male quartette entitled "My Mother's Old Red Shawl." The Young Men's Club attended in a body. In the afternoon a fine attendance of scholars and teachers was noted. Flowers brought to the shcool were carried to 17 mothers by Miss Mayme Thompson's class of young ladies. Mrs. George Carter read an appropriate poem. It was monthly missionary day and over $42 was raised, Miss Thompson's class winning the banner which was presented by Howard Reed. Mrs. Frank Hurlock sang a sweet solo at night.

At a meeting of the Quarterly Conference of the M. E. Church held last Friday evening, the salary of the pastor, Rev. T. F. Beauchamp, was increased from $1,200 to $1,400 a year.

A special sermon was preached on "Mother's Love," by Rev. T. F. Beauchamp on Sunday morning, also Roll Call and special prayer for the boys in service, and special collection for War Work of the Church. In the evening the newly elected officers of the Epworth League were installed.

The following have been elected officers of Rock Hall Sunday school: Capt. Edward Apsley, superintendent; Charles Davis, secretary; Chas. Thomas, treasurer; Mrs. John Dowling, Jr., missionary treasurer; Medford Taylor, and Walter Cully, librarians.

The Epworth League of Galena have entered upon another busy year with these officers: President, Mrs. Walter Hadley; 1st vice-president, Mrs. James Davis; 2nd vice-president, Mrs. Wallace Duhamell; 3rd vice-president, Mrs. Frank White; 4th vice-president, Miss Annie Hayes; secretary, Miss Lavella Dempsey; treasurer, Miss Molly Dixon; organist, Mrs. G. E. Hicks; Junior League superintendent, Miss Carrie M. Dempsey. Sunday night was devoted to the Epworth League Anniversary, the program being: "Onward Christian Soldiers;" prayer by pastor; song, "Stand Up For Jesus;" scripture lesson read by Walter Hadley; address of welcome by Rev. Frank White; procession of the Allies by E. L. Cabinet and the larger members of the Junior League; song, "America the Beautiful;" talk on Epworth League War Work, Miss C. M. Dempsey; song, "Song of God Goes Forth to Work;" talk on "Progress of the Big Drive," by Mrs. F. White; song, of the Service Flag, and Rev. Frank White dedicated our new silk Epworth League Service Flag with two stars, one for William Starr and one for Frank Merchant. Other stars will be added soon. Sketch, "Keep the League Fires Burning," by Epworthians around a camp fire, concluded with prayer for the soldiers boys by L. A. Vansant; song, "Our League Is Marching On;" installation of new Epworth League officers and closed by singing "America."

After several years omission the Kent County Sunday School Convention was revived and a pleasant meeting held in the Chestertown M. E. Church Tuesday, Rev. T. F. Beauchamp presiding. Rev. S. A. McCollam made two excellent addresses and inspired many new thoughts especially in adult work. Miss Maggie Wilson spoke of her work among the children. The nominating committee's report of new officers was adopted as follows: President, Mark Creasy; vice-president, F. B Harper; secretary, M. E. Newsome; rec. sec., and treas., Miss Emma Shafer; representative on State Board, Thomas D. Bowers; elementary supt., Miss Mabel Norris; supt. teacher training, Mrs. L. B. Harper; adult class work, W. WOMAN'S NERVES MADE STRONG

By Lydia E. Pinkham's Vegetable Compound.

Winona, Minn.—"I suffered for more than a year from nervousness, and was so bad I could not rest at night—would lie awake and get so nervous I would have to get up and walk around and in the morning would be all tired out. I read about Lydia E. Pinkham's Vegetable Compound and thought I would try it. My nervousness soon left me. I sleep well and feel fine in the morning and able to do my work. I gladly recommend Lydia E. Pinkham's Vegetable Compound to make weak nerves strong."—Mrs. ALBERT SULTZE, 603 Olmstead St., Winona, Minn.

How often do we hear the expression among women, "I am so nervous, I cannot sleep," or "it seems as though I should fly." Such women should profit by Mrs. Sultze's experience and give this famous root and herb remedy, Lydia E. Pinkham's Vegetable Compound, a trial.

For forty years it has been overcoming such serious conditions as displacements, inflammation, ulceration, irregularities, periodic pains, backache, dizziness, and nervous prostration of women, and is now considered the standard remedy for such ailments.

STILL POND

The Still Pond Farmers Club met at the home of A. L. Harris. The War and Thrift Stamps occupied most of the attention of the Club. The importance of thrift and saving, until our war debt is paid, was emphasized by Rev. S. S. Hepburn. The farmers wives agreed to use all Sunday eggs for investment in Thrift Stamps. The Club also bought a five dollar W. S. S., each member paying 25 cents. A recess was taken long enough for all to go upon the government observation towers at Howell's Point and see the shells explode over on the proving ground. There were two newly married couple present, Emory Bonwill and wife, and Roger B. Harris and wife, who were made honorary members of the Club for one year. The two young men being sons of old men who have been in the Club twenty or thirty years. The next meeting will be held at G. W. Harris on May 30.

DELCO-LIGHT
Increases Farm Efficiency

Fifty thousand Delco-Light plants in operation on American farms are saving at the most conservative estimate, an hour a day each—or over 18,000,000 work hours a year.

That is equal to an army of 60,000 men working ten hours a day for a full month.

Delco-Light is a complete electric light and power plant for farms and suburban homes.

It furnishes an abundance of clean, safe, economical light, and operates pump, churn, cream separator, washing machine and other appliances.

It is also lighting rural stores, garages, churches, schools, army camps and railway stations.
