FREE OF CHARGE

Any adult suffering from cough, cold or bronchitis, is invited to call at the drug store of Sterling's Pharmacy and get absolutely free, a sample bottle of Boschee's German Syrup, a soothing and healing remedy for all lung troubles, which has a successful record of fifty years. Gives the patient a good night's rest free from coughing, with free expectoration in the morning.

A standard medicine for 50 years. For sale in all civilized countries.

BABY REGISTRATION

At a very early date the parents of this county will be called upon to assist the government in a registration of all children below the age of six years. This will complete a system of records that started with men between 31 and 21 years, then was extended to boys between 21 and 16 years, then by the State to all school chidren six years and over, and now is taking all young children from birth to six years.

This baby registration is not a local institution, but set on foot by the National Government in the interest of the welfare of the "Kiddies." It was thought that the parents could be best reached through the school children; thereupon, it is proposed to put into the hands of each chilld cards of registration, containing blanks to be filled out, which should be self explanatory. These cards, which are made on the order of a return postal card, are to be torn apart—one-half returned to the Department of Labor, in Baltimore, and the other retained by the parent. They contain a government "frank" and will, consequently, require no postage.

This move is entirely in the interest of the race, and no parent shoulld offer any opposition to the government in its endeavor to produce the best adult child gives any prospect of developing into. No parent knows all that can be learned concerning the best way of raising offspring, and this plan of the government should be heartily approved, and seconded by the co-operation of every father and mother in Kent.

Mrs. Leo. Gale and two little daughters, Arline and Florence, who have been visiting relatives at Queen Anne, returned home on Sunday.

Miss Emily Caldwell, of Wilmington, spent the week-end at home with her parents.

Miss Mary Scott, of Baltimore, is spending her vacation at the home of her father, Dr. E. A. Scott.

Miss Emma Body, who has been spending sometime in Wilmington, has returned to her home.

The Red Cross outfitted Henry Caldwell, Henry and James Shaw, also William N. Turner and John H. Connor, of Golt, with the hand knit woolen outfits and well filled comfort bags.

Miss Marian Dempsey is spending a week in Washington being one of the medal winners of the county in the canning and garden contest. The party of which she is a member, left Townsend Friday morning.

Private Charles Stradley, of Camp Meade, spent the week-end at his home in town.

Henry Trinks, who has a position at Philadelphia, spent a few days of last week at his home here.

Mr. and Mrs. James Davis, two sons, Edward and James, and Miss Mary Scott, spent the week-end at the home of Frank Woodside, West Chester, Pa.
