### HARLAN BAND TO TAKE TO BETTERTON

Bandmaster Cox of the Harlan Band is arranging for a pleasant trip through the Chesapeake & Delaware Canal to Betterton, Md. The trip is planned for July 14 and 15. The members of the band and the committee will leave Wilmington about 9 o'clock on Saturday morning and en route to Betterton will stop for short concerts at Delaware City and Chesapeake City.

The concert at Betterton on Saturday night will be the big event of the trip. A steamboat that will accommodate the band with sleeping quarters and meals will be engaged. Each member of the band will defray his own expenses, and the trip is an idea of the band committee at the suggestion of the bandsmen to get together for a jolly time. The return trip will be made to Wilmington on Sunday afternoon, the musicians arriving there Sunday evening.

### U-BOATS SINK SUGAR

Over 24,000,000 pounds of sugar enroute from Cuba has been lost by submarine sinkings along the Atlantic Coast this week, Food Administrator Hoover announced tonight.

Further cuts in sugar consumption will be necessary to make up the loss. Soft drinks probably will be hit hard, it was indicated.

Practically all of the sugar was lost aboard the Carolina and the Vinland destroyed within the last week, Mr. Hoover added. The Carolina was bringing almost her entire cargo of sugar, while the Vinland carried nothing else. Varying smaller amounts were aboard some of the other vessels.

The loss, while a comparatively heavy one, is not serious enough to cause the Food Administrator any great worry over keeping up the supply to the Allies. By further conservation and the cutting down on the manufacture of luxuries using sugar, particularly the soda and soft drinks industry, it is believed the amount may be made up without any hardship to the public generally

Mr. Hoover may announce early next week a supplemental program for saving sugar or lowering the percentage of sugar that may be used by manufacturers.

### CALLS WOMEN FOR WORK ON FARMS

A call to the women of Md. to enroll themselves in the Woman's Land Army has been issued by Governor Harrington. In it he calls attention to the pressing need of help on the farms of Maryland and appeals to the patriotism of able-bodied women over 18 years of age to lend their services. He says:

"Owing to the imperative need throughout the State of Maryland of farm labor for the cultivation and harvesting of crops the Woman's Branch of the Maryland Council of Defense has organized the 'Woman's Land Army of the State, and at the request of the council I issue this appeal to able-bodied women of 18 years of age and upward who are able and willing to render patriotic service to their country by enrolling in the Woman's Land Army for assignment in groups, under proper chaperons, to work upon Maryland farms at proper compensation including board and lodging under comfortable and healthful conditions, during the crop seasons of the present year.

"The need is both great and urgent, and the opportunity for service in a work which will aid our country in its great task of feeding our heroic soldiers, our allies and ourselves in this great crisis of our history should be embraced by every woman who is able and willing to render this greatly needed help.

"Registration can be made in person or by mail at the headquarters of the Woman's Branch of the Maryland council of Defense, 200 West Saratoga street, Baltimore.

### OPEN FOR SEASON

The steamer Louise opened the Tolchester season on Wednesday by making two trips to the popular resort. The favorite Louise was spick and span in new paint, and after having been thoroughly overhauled and renovated the boat carried about 2,000 excursionists on her two trips.

The beach has been spruced up in all departments; all the amusements have been looked after and put in first-class shape, and everything was running in full blast. The resort never looked nicer than it does this season. The hotel has been put in its usual good order, where the famous Tolchester meals are served. The bathing beach has also been looked after. Hundreds of new and attractive suits have been added for those who take to the water.
