CHESTERTOWN GAS COMPANY

Pursuant to the requirements of the Public Service Commission.

Rates Charged For Gas

Domestic and Commercial, Other Than Manufacturing—Gas used for domestic and commercial purposes (other than manufacturing purposes when the amount used for such purposes equals or exceeds 15,000 cubic feet per month) will be charged for at rate of Two Dollars ($2.00) per 1,000 cubic feet, with minimum charge of One Dollar ($1.00) per month.

Manufacturing—Gas used for manufacturing purposes, when the consumption for such purposes equals or exceeds 15,000 cubic feet per month, will be charged for at rate of One Dollar and Fifty Cents ($1.50) per 1,000 cubic feet.

Discount—The above rates are net. All bills are due and payable on or before the 10th day of the month next succeeding that in which the consumption occurs.

Rules and Regulations—All bills are payable at the office of the company on the 10th of the month.

Gas will be supplied through a meter, and should a meter be found defective it will be immediately changed, and in case of its ceasing to register the quantity of gas consumed, the account will be made by the average or another meter, or by the amount charged during the previous corresponding period.

In case of default of payment by the 10th of the month for gas consumed during the previous month, or in case of a leak or injury done to a meter or pipes within the premises of any consumer, the supply of gas may be stopped until the bill is paid or the necessary repairs are made.

The occupant of any premises using gas should give written notice to this company at least three days before removing therefrom, that the supply of gas may be discontinued, and will be liable for any gas that may pass through the meter until such notice is given.

The Company reserves to itself the right at all times to disconnect the service pipe and remove the meter if it shall find it necessary to do so in order to protect itself against abuse or fraud.

The inspectors or other authorized agents of the company shall at all times have the right of free access into the premises supplied with gas for the purpose of examining the meter and service pipe.
