Sand's Nathan's & Co.'s

AMERICAN CIRCUS, AND Elephant Exhibition,

WILL EXHIBIT AT

EASTON, on Friday, the 24 of October.

THE leading feature of this Grand Exhibition is the unrivalled performance of the Wonderfully Educated Elephants, VICTORIA AND AL-BERT, whose unequalled feats have been the wonder and delight of thousands upon thousands in the Paris, London, New York and Philadelphia Theatres. They ex-hibit the MOST ASTONISHING DISPLAYS OF ANIMAL TRAIN-ING AND INSTINCT EVER BE-HELD. They have been taught to ascend an inclined Plank, only nine inches in width, a distance of 30 yards, where one of them will BALANCE HIMSELF ON HIS HEAD! upon a Pedestal not over a foot in Diameter. They will also perform a great variety of Feats of Posturing, Gymnastics, Dancing, Waltzing, Marching, &c., such as have never been attempted in Ameri-ca and have been the wonder and amazement of the world for the last two years. These perfectly and sur-prisingly trained Elephants, both of whom are quite young, were brought out to this country in March last, by Mr. B. SANDS, personally, who purchased them at an almost incredi-ble cost—bidding over the greatest wild beast proprietor in Europe—while they were performing an en-gagement at the Port St. Denis, Paris. Their individual trainer, Mons. LAGRANGE, accompanies the Ele-phants and superintends their per-formances.

PARTICULAR NOTICE.

The proprietors do most positively and unequivocally assure the pub-lic, that these extraordinary Ele-phants will PERFORM ALL that is announced or illustrated by cuts in their bills, and that all the Feats thus illustrated in the Engravings and described, ARE ACTUALLY DONE.

In the Equestrian and Acrobatic De-partment, the Proprietors confidently recommend to the notice of the public the names of Mons. FERANTE, and ac-complished pupils.

The German Acrobats, Herrs Volk-man and Von Castle; Mlle Louise Brower, the accomplished Equestrienne; Mr. J. J. Nathans with his talented Pki-lo; Mr. Wm. Aymar, the Equestrian Grotesque; Jos-se Sands, favorite pupil of Mr. B. Sands, the most accomplished rider of the age; Mr. Geo. Sergent, the Graphic Scenic Rider; and a host of other artists of distinguished abilities.

Among the comic features of the entertainments will be introduced the two celebrated PERFORMING ZEBRAS! trained in a most wonderful manner by C. H. Basset. Beautiful displays of Vaulting, Tum-bling, Somersetting, &c., by the Troupe, in which the whole gymnastic strength of the company will appear.

The performances will be accompanied with the OTTO HORNE'S NEW YORK CORNET BAND. Each Entertainment will conclude with the Roman-tic Legend of

MAZEPPA,

OR, THE WILD HORSE OF TARTARY. Clowns, Messrs. BROWER & AYMAR, With several able assistants,

☞ In the forenoon a splendid outside Procession of Elephants, with the magnificent Band Chariot, drawn by a Team of Six, will parade through the principal streets.

FREE EXHIBITION.—TERRIFIC ASCENSION ON A SINGLE WIRE, from the ground to the top of the Pavillion, 350 feet, by M'me LEONTINE, immediately before the opening of the doors for the after-noon performance.

Admission 25 Cents—No Half Price.

THE greatest offer in gold pens, gold pencils, gold chains, and gold watches, ever made.—Read the following:

A SPLENDID GOLD PREMIUM worth from five to one hundred dollars, positively given to any person who can spare one day in a week, or one hour in a day, getting up clubs of subscri-bers in his own and adjoining neighborhoods, for the best and most popular Family Newspaper now published. No expense, no outlay, no capi-tal required of Agents. An entire new plan is proposed, by which any person can succeed in making it a paying business, who will undertake the agency. A private circular, for the inspec-tion of agents only, with full list of premiums, will be sent to any one who desires it, on receipt of a stamp to pay return postage. Some agents have earned a hundred dollar gold Watch in one week.

Every family should read at least one newspa-per from New York city, without interfering with their Local Papers, which of course cannot, and should not, be dispensed with. But New York, being the great commercial and busines centre of this Continent, no farmer, mechanic, professional man, or merchant, is properly prepared for the e-mergencies of his calling, unless he is in commu-nication with New York City, by means of one of its first class Newspaper mediums. Such a me-dium is our "LEDGER," neutral in politics, but giving all the facts, items of news, and thrilling incidents worth knowing throughout the country.

A VALUABLE GIFT.

Each new subscriber will receive with the first No. of his or her paper one of the new and beauti-ful glass pointed indelible Pencils,* just imported from Europe, and for which we have obtained the exclusive agency for this country. This is the most ingenious and useful little improvement of the present age, and is the only pencil ever made that will write with ink, making it both a pen and a pencil of the finest quality at the same time. It will last for years, and for practical use is worth more than any gold pen in the market.
