SUBSCRIPTION PRICE $1 PER YEAR

Entered at the Post Office at Chestertown Md., as Second Class matter. Obituary and In Memoriam noticescost 5 cents per line, each insertion.

SATURDAY, AUGUST 3, 1918

The war news from the Western Front in France has been very encouraging the past week, and the Allies have made material gains.

The Congressional primaries will be on Monday, September 9. Jesse D. Price and Omar D. Crothers will be the contestants in the Democratic primaries. The Republicans will not likely have any contest.

The News' sale record last week contained 122 horses, 188 cows, besides mules, implements, etc. A fine chance to get some good stock. Why not sell off your old cow or inferior cow while the prices are high and buy better stock at these sales.

The Court of Appeals has unanimously decided the Annexation case in favor of the city, and Baltimore will on January 1 exercise the functions of municipal government over the areas of Anne Arundel and Baltimore counties added to her territory.

During the two-pounds-per-month-per-person sugar limitation, do not complain if your coffee is not sweet enough. The French are allowing but thirteen pounds of sugar per year per person, the Italians only nine pounds, if they can get it. The price of sugar in France is twenty-five cents, in Italy sixty cents a pound.

The News has on several occasions received communications from Broad Neck the purpose of which is to reflect upon some of the best citizens in Kent. Some of these letters have been signed by names which were forgeries. The News has one in hand now, and we take this method of notifying the guilty party that his or her offenses is punishable by a penitentiary sentence of ten years. State's Attorney Vickers is making an investigation.
