Following Remarkable Document:

Messrs. Seabury & Johnson, Manufacturing Chemists, 21 Platt St., New York: Gentlemen :- For the past few years we have sold various brands of Porous Plasters. Physicians and the Public prefer Benson's Capcine Porous Plaster to all others. We consider them one of the very few reliable household remedies worthy of confidence. They are superior to all other Porous Plasters or Liniments for external use.

Benson's Capeine Plaster is a genuine Parmaceutical product, of the highest order of merit, and so recognized by physicians and druggists.

When other remedies fail get a Bencon's Capcine Plaster.

You will be disappointed if you use cheap Plasters, Liniments, Pads or Electrical Magnetic toys.
