RECOMMENDATION.

Extract of a letter from R. G. Hite, Esq. Adjutant General of the 10th Military Division, to the Author, in reply to a note in which was enclosed a copy of the "Manual Exercise."

"BALTIMORE, Nov. 19, 1814.

"Your 'Manual Exercise,' in the form it now appears before me, I think is calculated to be of use to those who will give it a perusal, with a view to acquire a knowledge of the Manual. It might, in my opinion, be made of more extensive utility, by being circulated in its present shape among the non-commissioned officers of the army, as the system of military discipline which will soon make its appearance, for the government of our ranks will be too voluminous and too costly for their means and for the little time (while in camp) that they have to devote to improvement by reading.

R. G. HITE."

A TRACT OF LAND, containing 222¼ acres, situated on the Philadelphia road, a little above Herring Run, adjoining to Gen Smith's. A new Turnpike lately located little to the left of the present one will pass through it, which will shorten the distance from town to about 3½ miles. Moores Run passes through the tract, the greatest part of which is covered with wood. There is a most beautiful eminence on it, and in the opinion of the best judges the above tract is superior in quality to any in the neighborhood, having 100 acres well covered with large trees, and might be turned into meadows. It is believed that the wood if cut might pay for the land. A long credit may be obtained, or it will be exchanged for property in the city of Baltimore. For further information apply to
