AYER'S CHERRY PECTORAL,

FOR THE RAPID CURE OF

Colds, Coughs, and Hoarseness.

BRISTOL, MASS., 29th Dec., 1855.

DR. J. C. AYER: I do not believe it is to say the best remedy I have ever found for Coughs, Hoarseness, Influenza, and the concomitant symptoms of a Cold, is your CHERRY PECTORAL. Its constant use in my practice and in my family for the last ten years has shown it to possess superior virtues for the treatment of these complaints. EBEN KNIGHT, M. D.

A. B. MORTLEY, Esq., of Utica, N. Y., writes: "I have used your *Pectoral* myself and in my family ever since you invented it, and believe it the best medicine for its purpose ever put out. With a bad cold I shall sooner pay twenty five dollars for a bottle than do without it, or take any other remedy."

Croup, Whooping Cough, Influenza.

SPRINGFIELD, MASS., Feb. 7, 1856.

BROTHER AYER: I will cheerfully certify your *Pectoral* is the best remedy we possess for the cure of whooping cough, croup, and the chest diseases of children. We of your fraternity in the South appreciate your skill, and commend your medicine to our people.

HIRAM CONKLIN, M. D.

AMOS LEE, Esq., MONTEREY, IA., writes, 31 Jan., 1856: "I had a tedious Influenza, which confined me in doors six weeks; took many medicines without relief; finally tried your *Pectoral* by the advice of our clergyman. The first dose relieved the soreness in my throat and lungs; less than one half the bottle made me completely well. Your medicines are the cheapest as well as the best we can buy, and we esteem you, Doctor, and your remedies, as the poor man's friend."

Asthma or Phthisic, and Bronchitis.

WEST MANCHESTER, PA., Feb. 4, 1856.

SIR: Your *Cherry Pectoral* is performing marvellous cures in this section. It has relieved several from alarming symptoms of consumption, and is now curing a man who has labored under an affection of the lungs for the last forty years. HENRY L. PARKS, Merchant.

A. A. RAMSEY, M. D., ALBION, MONROE CO., IOWA, writes, Sept. 6, 1855: "During my practice of many years I have found nothing equal to your *Cherry Pectoral* for giving ease and relief to consumptive patients, or curing such as are curable."

We might add volumes of evidence, but the most convincing proof of the virtues of this remedy is found in its effects upon trial.

Consumption.

Probably no one remedy has ever been known which cured so many and such dangerous cases as this. Some no human aid can reach; but even to those the *Cherry Pectoral* affords relief and comfort.

ASTOR HOUSE, NEW YORK CITY, March 5, 1856.

DOCTOR AYER, LOWELL: I feel it a duty and a pleasure to inform you what your *Cherry Pectoral* has done for my wife. She had been five months laboring under the dangerous symptoms of Consumption, from which no skill we could procure gave her much relief. She was so badly failing, until Dr. Strong, of this city, where we have come for advice, recommended a trial of your medicine. We then his kindness, as we do your skill; for she has recovered from that day. She is not yet as strong as she used to be, but is free from her cough, and feels herself well.

Yours with gratitude and regard,
ORLANDO HILLEY, OF SUTTON.

Consumption, do not despair till you have tried AYER'S CHERRY PECTORAL. It is made by one of the best medical chemists in the world, and its cures all around us speak the high merits of its virtues.—*Philadelphia Ledger.*

Ayer's Cathartic Pills.

THE sciences of Chemistry and Medicine have been taxed their utmost to produce this best, most perfect purgative which is known to man. Innumerable proofs are shown that these Pills have virtues which surpass in excellence the ordinary medicines, and that they win unprecedentedly upon the esteem of all men. They are safe and pleasant to take, but powerful to cure. Their penetrating properties stimulate the vital activities of the body, remove the obstructions of its organs, purify the blood, and expel disease. They purge out the foul humors which breed and grow distemper, stimulate sluggish or disordered organs into their natural action, and impart healthy tone with strength to the whole system. Not only do they cure the every-day complaints of every body, but also formidable and dangerous diseases that have baffled the best of human skill. While they produce powerful effects, they are at the same time, in diminished doses, the safest and best physic that can be employed for children. Being sugar-coated, they are pleasant to take; and being purely vegetable, are free from any risk of harm. Cures have been made which surpass belief were they not substantiated by men of such exalted position and character as to fell all the suspicion of untruth. Many eminent clergymen and physicians have lent their names to certify to the public the reliability of my remedies, while others have sent me the assurance of their conviction that my Preparations contribute immensely to the relief of my afflicted, suffering fellow-men.

The Agent below named is pleased to furnish gratis my American Almanac, containing directions for their use and certificates of their cures, of the following complaints:—

Costiveness, Bilious Complaints, Rheumatism, Dropsy, Heartburn, Headache arising from a foul stomach, Nausea, Indigestion, Morbid Inaction of the Bowels and Pain arising therefrom, Flatulency, Loss of Appetite, all Ulcerous and Cutaneous Diseases which require an evacuant medicine, Scrofula or Kings Evil. They also, by purifying the blood and stimulating the system, cure many complaints which it would not be supposed they could reach, such as Deafness, Partial Blindness, Neuralgia and Nervous Irritability, Derangements of the Liver and Kidneys, Gout, and other kindred complaints arising from a low state of the body or obstruction of its functions.

Do not be put off by unprincipled dealers with some other pill they make more profit on. Ask for AYER'S Pills, and take nothing else. No other they can give you compares with this in its intrinsic value or curative powers. The sick want the best all there is for them, and they should have it.

Practical and Analytical Chemist, Lowell, Mass.

To the Editor of the Annapolis Gazette:

WE feel it due to Mr. COULTER, of your place, to invite public attention to the very superior article of LIME now furnished by him. In doing so we feel that we are rendering a service to the Farmers, and especially to those of Anne Arundel county. We say without hesitation that, in our opinion, Mr. COULTER furnishes an article greatly superior to any thing of the kind we have ever used or seen. The Lime furnished by him is burnt with the best spruce pine and light wood, the ashes of which every Farmer knows the value of, in improving land. These mix with the Lime and add greatly to its fertilizing properties. Whereas the Lime obtained from Baltimore and elsewhere is burnt with the filthy coal of dial, procured from yards, and of course inferior in quality and of much less value as a fertilizer than that furnished by Mr. COULTER.

Mr. Coulter must certainly possess some secret in manufacturing his Lime, for we have never seen any Lime where all the shells were so thoroughly burnt. He burns ten thousand bushels in ten days, and every shell is converted into Lime of the finest quality and as white as the driven snow.

Dr. James Higgins, State Agricultural Chemist, in Company with Col. Wilson, visited Mr. Coulter's place of business a short time since, and pronounced his Lime the most beautiful article of the kind he had ever seen.

Mr. Coulter furnishes his Lime at Baltimore prices; and the Farmers of Anne Arundel county and others would do well to give him a call, if they wish to procure an article of superior quality.
