Country Seat for Sale.

That beautiful Country Seat, known by the name of Brown's Prospect, containing 45 acres, situate on the Falls Turnpike Road, 5 miles from Baltimore, adjoining lands of the Washington Cotton Manufactory, is offered at private sale. This stand is well situated for almost any kind of public business. The land is fertile and rich, and stands in a high state of cultivation; it is extremely well adapted to Plaister of Paris—many excellent springs with several branches of water interspersed through the land—Jones' Falls passing through the same, affords an opportunity of driving upwards of a thousand Cotton Spindles—a Woolen Manufactory, or other water works, at a light expence, as there is a quarry of good stone quite convenient on the premises. There are 3 acres of timber land, a dwelling house 24 by 21 feet, under story stone, and upper story frame, with a handsome spring of water within a few feet of the door—7 acres planted in an Orchard, consisting of apples, peaches, pears, quinces, damsons and cherries, the whole selected from the choicest of fruit, and just beginning to bear.—Persons who wish to view the property and know the terms, may call on the subscriber, living on the premises.

In Chancery, Dec. 15th, 1814.

Thomas Cromwell & William Winchester, Ex'rs. of Thos. Cromwell, *vs.* John Nace.

The object of the bill filed in this case is to obtain an injunction to prevent Elias Glenn, Esq. Trustee for the sale of the real estate of Thomas Cromwell, deceased, from paying to the defendant, John Nace, a certain sum of money out of the proceeds of said sale, and also to obtain a decree for the payment of the complainant's claim.

The bill states that a certain Thomas Cromwell, late of the state of Pennsylvania, deceased, in his life time put and placed a negro boy as an apprentice until he was 21 years of age, to the defendant, to learn the Tanning business—That the defendant took the said negro boy into his possession in the life time of said Cromwell, and did commence teaching him in his trade of Tanning—That the said negro boy remained with the said defendant several years until he had acquired a considerable knowledge of the said trade, and was a good workman—That the said defendant, without the consent or knowledge of the said Cromwell, sold said negro for the sum of 450 dollars, and received the said sum of money—That the said defendant never did account to said Cromwell for the same, or return the said negro to the said Cromwell, or afford him any satisfaction therefor, and that said negro having gained the art and trade of Tanning, was worth the sum of money beforementioned. That George Nace, the father of the defendant, by will did devise all his real estate to be sold by his Executors, and out of the sales there should be paid to the defendant, John Nace, the sum of 7,500.—That the real estate of the said George Nace has been sold by a decree of this court; and a certain Elias Glenn was appointed Trustee, who made sale of the same and made report thereof—That the complainants are Executors of the said Cromwell. The bill also states that the said defendant resides out of the state of Maryland.

It is thereupon adjudged and ordered, that the complainant by causing a copy of this order to be inserted once in each of three successive weeks in the American of Baltimore before the 15th day of January next give notice to the absent defendant of the substance and object of the bill, that he may be warned to appear in this court in person or by a solicitor before the 15th day of May next to shew cause if any he has, why a decree should not pass as prayed.

John Tod Russell.

The object of the bill filed in this cause is to obtain a decree for a division and partition of the lands and premises in the proceedings mentioned, so as to allot to each of the parties the several lots of ground, the rents of which had been before allotted to them by a decree of this court.

The bill states that a bill for a division of the estate as mentioned in the proceedings in this cause was heretofore filed in this court, and a decree obtained on the 19th day of October, 1809, which decree only provides for a division of the rents arising from the estate aforesaid, without apportioning the lots from which said rents arise to the respective heirs to whom the said rents are allotted. That the complainants, William R. Boote and Sarah his wife, supposing that it was so ordered and adjudged have since by deeds duly executed acknowledged and recorded conveyed said lots of ground, the rents of which were allotted to them, to Henry Schroeder and Francis Donaldson, two of the complainants.

The bill also states that the defendant, John Tod Russell, resides out of the state of Maryland

It is thereupon adjudged and ordered, that the complainants by causing a copy of this order to be inserted once in each of three successive weeks in the American of Baltimore before the 1st day of January next, give notice to the absent defendant of the substance and object of the bill that he may be warned to appear in this court in person or by a solicitor, before the 1st day of May next, to shew cause if any he has, why a decree should not pass as prayed.
