NOTICE.

Those persons who are in arrears to the subscriber for the county Levy for 1813, are hereby warned that his Deputies will proceed to enforce the payment agreeably to law, immediately.

To have neglected this measure until this time, would have betrayed a represensible partiality on the part of the Collector, as it respected others, who have long since discharged their accounts; and unless prepared to advance the deficiency thence arising from private means, it would have been highly unjust towards the creditors of the County; but this seeming indulgence was caused solely by the difficulties consequent on the approach of the British forces, and such as would now avoid compulsory process, are respectfully invited to call at the office, St. Paul's lane, without delay.

FOR SALE,

A TRACT OF LAND, containing 222¼ acres, situated on the Philadelphia road, a little above Herring Run, adjoining to Gen. Smith's. A new Turnpike lately located little to the left of the present one will pass through it, which will shorten the distance from town to about 3½ miles. Moores Run passes through the tract, the greatest part of which is covered with wood. There is a most beautiful eminence on it, and in the opinion of the best judges the above tract is superior in quality to any in the neighborhood, having 100 acres well covered with large trees, and might be turned into meadows. It is believed that the wood if cut might pay for the land. A long credit may be obtained, or it will be exchanged for property in the city of Baltimore. For further information apply to
JOHN CARRERE.

FOR SALE,

A valuable Merchant and Grist Mill, Saw Mill, and Plaister Mill, together with two farms containing about TWELVE HUNDRED ACRES of excellent plaister land, in a high state of cultivation, with good buildings, a sufficiency of wood, and a large portion of bottom meadow of a very superior quality. It is well calculated for grazing, as there is now upwards of 500 Acres in clover and timothy, and a preparation for 200 more in the Spring. There are few farms, if any, on which the plaister has a more beneficial effect. The Mill is capable of doing an extensive business, being 68 feet by 30, three stories high, with three overshot water wheels, running three pair of French burrs, all in good repair There is also a valuable Mill Seat on the land, sufficiently powerful for any kind of water works.

This property is situated in a very healthy and improving neighbourhood, on the upper part of Elk Ridge, in Anne Arundel County, 25 miles from Baltimore, about the same from the City of Washington, and four from the Frederick Turnpike Road. If an early application be made, the whole will be sold together, or if required the Mill with a part of the land separate, on accommodating terms. FAIRLAND FOR SALE.

The subscriber offers to sell that well known and highly

VALUABLE ESTATE,

Whereon he resides, containing about 1000 acres of Land, which for fertility of soil and other estimable advantages can be equalled by few tracts of the same dimensions in the state of Maryland.

More than 400 acres of this farm are meadow land; a large proportion of which is of the very first quality and in a state of good cultivation, producing annually luxuriant crops of most excellent Hay. The Patuxent, a large, gentle and constant stream, runs through the land, and by its occasional overflowings renders the beautiful and extensive meadows on its banks perpetually fertile.

On this stream are erected a Stone Merchant Mill and Saw Mill now in operation, and in good repair. Their distance from Baltimore and Washington are respectively 18 miles. The new Turnpike road connecting those cities runs by these mills, divides this farm very handsomely, and affords eligible scites for dwelling houses.

The upland is admirably well situated, part thereof highly improved, and the residue well adapted to farming, planting or grazing. There is Woodland amply sufficient for timber, fencing and fuel. It is well supplied with springs of excellent water, and for healthiness of situation cannot be exceeded in this part of the country.
