DEMOCRATIC TICKET

For Representative in the 66th Congress
JESSE D. PRICE
of Wicomico County
ELECTION TUESDAY, NOVEMBER 5

Kent county goes over the top in the Fourth Liberty Loan.

Germany never did like the U. S. because it stands for unconditional surrender.

The Hun certainly did get a terrible smach in the vital regions when President Wilson gave our peace terms to him.

The sympathy of the whole community goes out to the homes that have been made sad by the death of loved ones. Kent county like many other places is passing through a trying ordeal.

Hon. Carvil D. Benson has been nominated for Congress to succeed Uncle Fred. Talbot. Mr. Benson should be elected as no man in that section is a warmer supporter of President Wilson and more capable of upholding his policies.

There is no reason why Hon. Jesse D. Price should be defeated for Congress and Wm. N. Andrews, the Republican candidate elected. Excuse us, there is one reason and that is that Andrews wants the job. Andrews has no program we have heard of. He has no more sense than Price, no more character, no more capacity for service, and he lacks Price's experience.

NO PEACE WITH A BRUTE

All Kent county joins heartily in the answer of President Wilson to the peace note of Germany. In that reply he has flayed the Germans for their Hunism and declared that the United States and its Allies cannot enter into an armistice with those who are at the very moment of asking it violating every principle of decent and human warfare. That which forced the United States into the war will keep it in the war until it has been abandoned. No peace can be made with a brute like the Kaiser has proved to be.

The United States and its Allies will go on with the war. The German duplicity has been checkedmated. Is Germany sincere, then let Germany toe the mark.

There will be no retracing. Evacuation will be held to. The condition has been repeated and made emphatic. It can come about in two ways. The one by frank and explicit compliance with the demands of the United States and its Allies. If it does not so come, it will come through the armed forces of the united command. In such case the Hun will burn and pillage every city and town in his retreat in an effort to make the cost to the Allies unbearable. When he has arrived at his frontiers he will throw up his hands and cry unconditional surrender.

Here, then, is the gist of the note: It calls for an unconditional military surrender—the conditions of evacuation of territory being those dictated by the Allied command, and the evacuation to the satisfaction of the United States and its Allies must assure the military supremacy of their armies that they now possess. There can be no retiring back to the border and a reforming and rattling of the sword while peace is being discussed. At the same time the President has given astute and creditable deference to the German Reichstag that is the nucleus for a liberal government for the German people. Only because this body was stated to have accepted by a large majority the principles laid down by the President in his fourteen articles does Mr. Wilson give to the German reply the degree of consideration he, in fact, extends to it. Hence there is here a direct bid for the German people to become actual and expressive in their government, so that they may speak the language of freedom and be fit to associate with free peoples.

Let Marshal Foch, Gen. Pershing, and Gen. Haig receive the surrender of the German hordes.

Large Stock Sale

100 HEAD OF CATTLE

My Third Fall Sale of Fancy Fresh Cows and Close Springers, Heifers and Stock Bulls will be held at my stables in Cecilton, Maryland, on

Thursday, Oct. 24, 1918

At 10.30 a. m., rain or shine.

I have 50 head of the best Fresh Cows and Springers that money would buy. This lot of cattle are far superior to any lot of cattle I have ever sold; about half of them are large Holsteins, the other half are Guernseys. Not a cow over 6 years old, and weighing up to 1400 lbs., and show more milking qualities than any cattle I have ever owned; not a cow in this lot was ever in my stables before. They have been bought direct from the farms where raised. I looked over 1000 head to find what I wanted, and if you want cows ready to use this is the place to come; and remember, they will be sold. In this lot are 5 or 6 Registered Fresh Cows and Heifers.

50 HEAD CATTLE OF ALL DESCRIPTIONS.
