We mean to those men who imagine they cannot be suited in a ready-made garment; we mean those business men who pick up the papers and read our advertisements and never give them another thought. To those who have been paying \$25 \$30, \$35 and \$40 for a suit it seems impossible that we should fit them out for \$10, \$12, \$14 and \$16 in a good, stylish cut, well-made suit, but we can, and this class of men we invite to come to our store, to look at our goods, and bear witness to their neighbors that we

prove the truth of our statement in the papers by the goods on our counters. A Word to Workingmen. To men whose honest ton produces values and enrich the country, and to whom more than any other class we are indebted for the tremendous magnitude of our sales: to them we return our thanks We always pick out strong and substantial goodsgoods that the workingmen buy. We are selling good working pants for 75 cts. \$1 00 and \$1.25; a good strong working suit for \$4 or \$6; a stout warm overcoat for \$4 or
