LIME.

To the Editor of the Annapolis Gazette:

WE deem it due to Mr. COULTER, of your place, to invite public attention to the very superior article of LIME now furnished by him. In doing so we feel that we are rendering a service to the Farmers, and especially to those of Anne Arundel county. We say without hesitation that, in our opinion, Mr. COULTER furnishes an article greatly superior to any thing of the kind we have ever used or seen. The Lime furnished by him is burnt with the best spruce pine and light wood, the ashes of which every Farmer knows the value of, in improving land. These mix with the Lime and add greatly to its fertilizing properties. Whereas the Lime obtained from Baltimore and elsewhere is burnt with the filthy coal offal, procured from yards, and of course inferior in quality and of much less value as a fertilizer than that furnished by Mr. COULTER.

Mr. Coulter must certainly possess some secret in manufacturing his Lime, for we have never seen any Lime where all the shells were so thoroughly burnt. He burns ten thousand bushels in ten days, and every shell is converted into Lime of the finest quality and as white as the driven snow.

Dr. James Higgins, State Agricultural Chemist, in Company with Col. Walton, visited Mr. Coulter's place of business a short time since, and pronounced his Lime the most beautiful article of the kind he had ever seen.

Mr. Coulter furnishes his Lime at Baltimore prices; and the Farmers of Anne Arundel county and others would do well to give him a call, if they wish to procure an article of superior quality

The Howard Association, in view of the awful destruction of human life, caused by sexual diseases, and the deceptions practised upon the unfortunate victims of such diseases by Quacks, several years ago, directed their consulting Surgeon, as a Charitable Act worthy of their name, to open a Dispensary for the treatment of this class of diseases, in all their forms, and to give Medical Advice Gratis, to all who may apply by letter, with a description of their condition, (age, occupation, habits of life, &c.) and in cases of extreme poverty, to FURNISH MEDICINES FREE OF CHARGE. It is needless to add that the Association commands the highest Medical skill of the age, and will furnish the most approved modern treatment

The Directors, on a review of the past, feel assured that their labors in this sphere of benevolent effort, have been of great benefit to the afflicted, especially to the young, and they have resolved to devote themselves, with renewed zeal, to this very important but much despised cause.

AYER'S Cathartic Pills,

(SUGAR COATED,)

ARE MADE TO

CLEANSE THE BLOOD AND CURE THE SICK.

Invalids, Fathers, Mothers, Physicians, Philanthropists, read their Effects, and judge of their Virtues.

FOR THE CURE OF

Headache, Sick Headache, Foul Stomach.

PITTSBURG, PA., May 1, 1855.

DR. J. C. AYER. Sir: I have been repeatedly cured of the worst headache any body can have by a dose or two of your Pills. It seems to arise from a foul stomach, which they cleanse at once. If they will cure others as they do me, the fact is worth knowing.

Yours with great respect, ED. W. PREBLE,
Clerk of Steamer Clarion.

Bilious Disorders and Liver Complaints.

DEPARTMENT OF THE INTERIOR, WASHINGTON, D. C., 7 Feb., 1856.

SIR: I have used your Pills in my general and hospital practice ever since you made them, and cannot hesitate to say they are the best cathartic we employ. Their regulating action on the *liver* is quick and decided, consequently they are an admirable remedy for derangements of that organ. Indeed, I have seldom found a case of *bilious disease* so obstinate that it did not readily yield to them.

Fraternally yours, ALONZO BALL, M. D.,
Physician of the Marine Hospital.

Dysentery, Relax, and Worms.

POST MASTER, HARFORD, LIV. CO., MICH., Nov. 16, 1855.

DR. AYER: Your Pills are the perfection of medicine. They have done my wife more good than I can tell you. She had been sick and pining away for months. Went off to be doctored at great expense, but got no better. She then commenced taking your Pills, which soon cured her, by expelling large quantities of worms (dead) from her body. They afterwards cured her and our two children of bloody dysentery. One of our neighbors had it bad, and my wife cured him with two doses of your Pills, while others around us paid from five to twenty dollars doctor bills, and lost much time, without being cured entirely even then. Such a medicine as yours, which is actually good and honest, will be prized here.

GEO. J. GRIFFIN, *Postmaster.*

Indigestion and Impurity of the Blood.

From Rev. J. V. Himes, Pastor of Advent Church, Boston.

DR. AYER: I have used your Pills with extraordinary success in my family and among those I am called to visit in distress. To regulate the organs of digestion and purify the blood they are the very best remedy I have ever known, and I can confidently recommend them to my friends. Yours, J. V. HIMES.

WARSAW, WYOMING CO., N. Y., Oct. 24, 1855.

DEAR SIR: I am using your Cathartic Pills in my practice, and find them an excellent purgative to cleanse the system and purify the fountains of the blood.

JOHN G. MEACHAM, M. D.

Erysipelas, Scrofula, King's Evil, Tetter, Tumors, and Salt Rheum.

From a Forwarding Merchant of St. Louis, Feb. 4, 1856.

DR. AYER: Your Pills are the paragon of all that is great in medicine. They have cured my little daughter of ulcerous sores upon her hands and feet that had proved incurable for years. Her mother had been long grievously afflicted with blotches and pimples on her skin and in her hair. After our child was cured, she also tried your Pills, and they have cured her. ASA MORGRIDGE.

Rheumatism, Neuralgia, and Gout.

From the Rev. Dr. Hawkes, of the Methodist Epis. Church.

PULASKI HOUSE, SAVANNAH, GA., Jan. 6, 1856.

HONORED SIR: I should be ungrateful for the relief your skill has brought me if I did not report my case to you. A cold settled in my limbs and brought on excruciating neuralgic pains, which ended in chronic rheumatism. Notwithstanding I had the best of physicians, the disease grew worse and worse, until, by the advice of your excellent agent in Baltimore, Dr. Mackenzie, I tried your Pills. Their effects were slow, but sure. By persevering in the use of them, I am now entirely well.

SENATE CHAMBER, BATON ROUGE, LA., 5 Dec., 1855.

DR. AYER: I have been entirely cured by your Pills of Rheumatic Gout—a painful disease that had afflicted me for years. VINCENT SLIDELL.

For Dropsy, Plethora, or kindred Complaints, requiring an active purge, they are an excellent remedy.

For Costiveness or Constipation, and as a Dinner Pill, they are agreeable and effectual.

Fits, Suppression, Paralysis, Inflammation, and even **Deafness**, and **Partial Blindness**, have been cured by the alterative action of these Pills.

Most of the Pills in market contain Mercury, which, although a valuable remedy in skilful hands, is dangerous in a public pill, from the dreadful consequences that frequently follow its incautious use. These contain no mercury or mineral substance whatever.

AYER'S CHERRY PECTORAL

FOR THE RAPID CURE OF

COUGHS, COLDS, HOARSENESS, INFLUENZA, BRONCHITIS, WHOOPING COUGH, CROUP, ASTHMA, INCIPIENT CONSUMPTION,

and for the relief of consumptive patients in advanced stages of the disease.

We need not speak to the public of its virtues. Throughout every town, and almost every hamlet of the American States, its wonderful cures of pulmonary complaints have made it already known. Nay, few families in any civilized country on this continent will not some personal experience of its effects; and fewer yet the communities any where which have not among them some living trophy of its victory over the subtle and dangerous diseases of the throat and lungs. While it is the most powerful antidote yet known to man for the formidable and dangerous diseases of the pulmonary organs, it is also the pleasantest and safest remedy that can be employed for infants and young persons. Parents should have it in store against the insidious enemy that steals upon them unprepared. We have abundant grounds to believe the *Cherry Pectoral* saves more lives by the consumptions it prevents than those it cures. Keep it by you, and cure your colds while they are curable, nor neglect them until no human skill can master the lamentable canker, that, fastened on the vitals, eats your life away. All know the dreadful fatality of lung disorders, and as they know too the virtues of this remedy, we need not do more than to assure them it is still made the best it can be. We spare no cost, no care, no toil to produce it the most perfect possible, and thus afford those who rely on it the best agent which our skill can furnish for their cure.

DR. MORSE, the inventor of Morse's INDIAN ROOT PILLS, has spent the greater part of his life in travelling, having visited Europe, Asia, and Africa as well as North America—has spent three years among the Indians of our Western country—it was in this way that the Indian Root Pills were first discoverad. Dr. Morse was the first man to establish the fact that all diseases arises from IMPURITY OF THE BLOOD—that our strength, health and life depended upon this vital fluid.

When the various passages become clogged, and do not act in perfect harmony with the different functions of the body, the blood loses its action, becomes thick, corrupted and diseased; thus causing all parts sickness and distress of every name; our strength is exhausted, our health we are deprived of, and if nature is not assisted in throwing off the stagnant humors, the blood will become choked and cease to act, and thus our light of life will forever be blown out. How important then that we should keep the various passages of the body free and open. And how pleasant to us that we have it in our power to put a medicine in your reach, namely, Morse's Indian Root Pills, manufactured from plants and roots which grow around the mountainous cliffs in Nature's garden, for the health and recovery of diseased man. One of the roots from which these Pills are made is a Sudorific, which opens the pores of the skin, and assists Nature in throwing out the finer parts of the corruption within. The second is a plant which is an Expectorant, that opens and unclogs the passage of the lungs, and thus in a soothing manner, performs its duty by throwing off phlegm, and other humors from the lungs by copious spitting. The third is a Diuretic, which gives ease and double strength to the kidneys; thus encouraged, they draw large amounts of impurity from the blood, which is then thrown out bountifully by the urinary or water passage, and which could not have been discharged in any other way. The fourth is a Cathartic, and accompanies the other properties the Pills while engaged in purifying the blood; the coarser particles of impurity which cannot pass by the other outlets, are thus taken up and conveyed off in great quantities by the bowels.

From the above, it is shown that Dr. Morse's Indian Root Pills not only enter the stomach, but become united with the blood, for they find way to every part, and completely rout out and cleanse the system from all impurity, and the life of the body, which is the blood, become perfectly healthy; consequently all sickness and pain is driven from the system, for they cannot remain when the body becomes perfectly healthy; consequently all sickness and pain is driven from the system, for they cannot remain when the body becomes so pure and clear.

The reason why people are so distressed when sick, and why so many die, is because they do not get a medicine which will pass to the afflicted parts, and which will open the natural passage for the disease to be cast out; hence, a large quantity of food and other matter is lodged, and the stomach and intestines are literally overflowing with the corrupted mass; thus undergoing disagreeable fermentation, constantly mixing with the blood, which throws the corrupted matter through every vein and artery, until life is taken from the body of disase. Dr. Morse's PILLS have added to themselves victory upon victory, by restoring millions of the sick to blooming health and happiness. Yes, thousands who have been racked or tormented with sickness, pain and anguish, and whose feeble frames have been scorched by the burning elements of raging fever, and who have been brought, as it were, within a step of the silent grave, now stand ready to testify that they would have been numbered with the dead, had it not been for this great and wonderful medicine, Morse's Indian Root Pills. After one or two doses had been taken, they were astonished, and absolutely surprised, in witnessing their charming effects. Not only do they give immediate ease and strength, and take away all sickness, pain and anguish but they at once go to work at the foundation of the disease, which is the blood
