THANKSGIVING DAY IN TOWN

A union Thanksgiving service has been arranged for in the Chestertown M. E. Church. Dr. Thomas H. Lewis, one of the best speakers in the State, will deliver the address. This will be a rare treat.

PRESIDENT'S THANKSGIVING PROCLAMATION

President Wilson in a Proclamation Sunday designated Thursday, November 28 as Thanksgiving Day, and said this year the American people have special moving cause to be grateful and rejoice. Complete victory, he said, has brought not only peace, but the confident promise of a new day as well, in which "justice shall replace force and jealous intrigue among the nations." The proclamation follows:

"It has long been our custom to turn in the autumn of the year in praise and thanksgiving to Almighty God for His many blessings and mercies to us as a nation. This year we have special and moving cause to be grateful and to rejoice. God has in His good pleasure given us peace. It has not come as a mere cessation of arms, a mere relief from the strain and tragedy of war. It has come as a great triumph of right. Complete victory has brought us, not peace alone, but the confident promise of a new day as well, in which justice shall replace force and jealous intrigue among the nations. Our gallant armies have participated in a triumph which is not marred or stained by any purpose of selfish aggression. In a righteous cause they have won immortal glory and have nobly served their nation in serving mankind. God has indeed been gracious. We have cause for such rejoicing as revives and strengthens in us all the best traditions of our national history. A new day shines about us, in which our hearts take new courage and look forward with new hope to new and greater duties.

While we render thanks for these things, let us not forget to seek the Divine guidance in the performance of those duties, and Divine mercy and forgiveness for all errors of act or purpose, and pray that in all that we do we shall strengthen the ties of friendship and mutual respect upon which we must assist to build the new structure of peace and good will among the nations.

"Wherefore, I, Woodrow Wilson, President of the United States of America, do hereby designate Thursday, the Twenty-eighth Day of November next, as a day of Thanksgiving and prayer, and invite the people throughout the land to cease upon that day from their ordinary occupations and in their several homes and places of worship to render thanks to God, the Ruler of Nations.

"In witness whereof, I have hereunto set my hand and caused the seal of the United States to be affixed.

"Done in the District of Columbia this Sixteenth Day of November, in the Year of Our Lord One Thousand Nine Hundred and Eighteen, and of the Independence of the United States of America the One Hundred and Forty-third."

IT'S EASY TO "LEND"—NOW WE MUST "GIVE."

Kent county individuals and institutions may well feel proud of the fact that they have met every war issue and every demand created as the result of the war, fairly, squarely and promptly. All four loans were enthusiastically subscribed. In the campaigns where giving was required instead of loaning, has also done well, and now comes the big campaign in which the liberality of our people will be genuinely tested.

Maryland has raised the funds to equip her soldiers, to fit them out with munitions, to ship them and to feed them and to maintain them physically on the fighting line. Now she must minister to their mental needs.

**The trial of Charles Halwardt Johnson, former cashier of the National Bank of Aberdeen, who shot and killed Major John R. King, the architect at the Aberdeen Proving Grounds, which was recently removed from the Hartford County Court to the Baltimore County Court, has been removed to Cecil County Court for trial, at the December term of Court.

GERMANY OWES $35,000,000,000

The direct cost of the war for all beligerent nations to last May 1 was reported at about $175,000,000,000 by the Federal Reserve Board bulletin and it is estimated that the cost will amount to nearly $200,000,000,000 before the end of this year.

ROCK HALL

Judge Pearce, as per announcement, was here on Sunday and gave a most interesting address in behalf of the War Work Campaign, unfortunately, only a small assembly was in attendance. The inclemency of the weather was responsible in part, for the small attendance.

Mr. and Mrs. Arthur Downey and George Downey, of New Jersey, are spending a week here among their relatives and friends in this section.

Officer C. H. Middleton, of the City Police Force, has been the guest of his mother and other relatives here. He has put in every day bird and rabbit hunting. He has found the pastime some job.

Richard Hodges, of Baltimore, was on a short visit here the past week.

Jarrett Price and family moved from the Island to Baltimore county this week. He will engage in farming over there.

The relatives of the late Maxwell Ryan appreciates very highly the death notice and verses by "A Friend" in last week's News.

Oystering here is an almost dead game. Our oyster house was about filled up and the firm had a vessel load in the harbor, but could get an order for a shipment from no place in the State. A number of oystermen in the river, who shuck their catch for shipment, were in the same plight, not an order for oysters could they get. Some buyers have quit the business.

Dressed hogs have taken a big drop in price. Some of our people butchered this week and sold for $11 per hundred weight.

The Lyceum Course at the High School was well patronized this week.

Mr. and Mrs. James Davis moved from here to Baltimore this week. Mr. Davis has a lucrative position there.

Mrs. C. S. Porter is visiting in the City among relatives.

The rains of this week are a big blessing to this section.

WORTON

Worton is again "waking up" after six weeks of "Flu." Business of all kinds has been resumed.

Next Sunday afternoon at 3 p. m. a service flag will be presented to Union M. E. Church. Bro. West, Bro. Rash, Bro. Ralph Williams and a gentleman from Chestertown will be the speakers for the occasion. Chestertown male quartette has promised to sing for us and our musical quartette will furnish good music. Altogether quite a good time is expected. Collection for Red Cross.

Our Grange has again resumed its regular Monday night meetings. Next Monday night Nov. 25th will be special meeting night. Mrs. Blanche Loller is to have charge of the program which will be on Thanksgiving and the graces will serve something to be thankful for.

This Grange entertains the Pomona Grange Saturday, November 30th. All the Granges in the county are requested to be represented as business of importance is to be transacted.

Mr. and Mrs. W. M. Hadaway spent Sunday with thir parents, near Rock Hall.

Mr. and Mrs. Jack Hackett visited relatives in Still Pond for the week-end.

Mrs. Anna E. Crouch, who has been spending the summer with her granddaughter, Mrs. Carroll Loller, has returned to Wilmington for the winter.

You couldn't have chosen a more appropriate gift for him. The Folding Brownies are Autographic, like the Kodaks. They are built for hard service—easy to focus and simple to operate.

GIVE him a watch, or books, or money—but nothing will please a boy like a Kodak or Brownie camera. It's a Christmas gift for all the year.
