REUBEN KNOTT.

- Says Reuben Knott unto his fair, In language burning hot, "Matilda, do you love me, dear?"
- Says she, "I love you, Knott." "Oh, say not so!" again he cried, "On, share with me my lot!
- "On, say that you will be my bride!" Says she, "I'll wed you, Knott."
- "Oh, cruel fair, to serve me so! I love you well, you wot!' "I could not wed you, Renb." says she, "For then I should be Knott!"
- A light breaks in on Reuben's mind, And in his arms she's got, She looks demurely in his face And says, "Pray kiss me, Knott."
