OLD AGE STARTS WITH YOUR KIDNEYS

Science says that old age begins with weakened kidneys and digestive organs.

This being true, it is easy to believe that by keeping the kidneys and digestive organs cleansed and in proper working order old age can be deferred and life prolonged far beyond that enjoyed by the average person.

For over 200 years GOLD MEDAL Haarlem Oil has been relieving the weaknesses and disability due to advancing years. It is a standard old-time home remedy and needs no introduction. GOLD MEDAL Haarlem Oil is inclosed in odorless, tasteless capsules containing about 5 drops each. Take them as you would a pill, with a small swallow of water. The oil stimulates the kidney action and enables the organs to throw off the poisons which cause premature old age. New life and strength increase as you continue the treatment. When completely restored continue taking a capsule or two each day. GOLD MEDAL Haarlem Oil Capsules will keep you in health and vigor and prevent a return of the disease.

Do not wait until old age or disease have settled down for good. Go to your druggist and get a box of GOLD MEDAL Haarlem Oil Capsules. Money refunded if they do not help you. Three sizes. But remember to ask for the original imported GOLD MEDAL brand. In sealed packages.

Remember The Girl

In your town, as in thousands of others, young women are busy putting up telephone connections. Day after day and night after night the work goes on.

Many of these calls are of the greatest importance. Some are comparatively trivial. But each call must be answered and completed as it comes in. There is no way to pick out and speed up the important ones. War calls, business calls, social calls—they all demand the operator's attention.

Remember the telephone girl. She is giving loyal and cheerful service. Patience and courtesy are especially in order during these busy days.

B

HAS HIS COFFIN BUILT

Philip Hitch, of Norfolk, is in Laurel this week making final arrangements for his own funeral and is attending to the digging of his own grave.

Mr. Hitch is a former Sussex countian. He was one of the most prosperous farmers in this neighborhood and retired a few years ago and went to live with relatives in Norfolk. During the recent epidemic of influenza he became very much concerned about the interment of his body and as soon as conditions would permit, started to make these arrangements.

A coffin of the old fashioned type with a flat top is being built by an undertaker in Norfolk. By special request the coffin has a hinged door on the lid. Beneath this door is a pane of glass which Mr. Hitch says could be easily broken in case he should be buried alive.

Having a fearful dread of being buried alive. Mr. Hitch has requested that no dirt be put on the grave in which he is buried. In the church yard at Christ Church, better known as old Broad Creek Church he has had the grave dug and walled up with brick. This grave will be kept covered until his death. The idea may seem a bit gruesome but in case of another epidemic, when it is impossible to secure enough caskets to bury the dead, Mr. Hitch says he is assured of a decent burial.

ENGINEER GALE GOES TO DELAWARE

Appointed Assistant To Chief Engineer Of Highway Division There.

C. S. Gale, well known here, where he has been in charge of State road work for some years, has been appointed to the chief highway engineer of Delaware. He will, with his family, move to Dover before the first of the yeear.

Mr. Gale had charge of all the Eastern Shore roads for the Maryland State Roads Commission and resigned last year to accept a position with the Portland Cement Association as inspector and advisor of concrete construction. He has been most successful in all his work and is regarded as a highway engineer of great ability.

In July of this year the Government requested the Chicago office of the association to send a man to the Aberdeen proving grounds to organize and start construction on some concrete roads, and he was picked for the job, and after organization of same he was returned as consulting engineer until October 30, at which time he resigned to accept the position o fassistant to chief engineer of Delaware State Highway Department, in charge of all State highway construction.

The Highway Department of Delaware was organized last winter and the first bids opened May 15 and construction of 40 miles of concrete and brick construction started, with more to come next year.

This position was offered Mr. Gale on several occasions while at the proving grounds but he declined it, as he felt he was doing his bit. The appointment in Delaware came absolutely unsolicited to him.

FEEL MISERABLE FROM THAT COLD?

Colds and coughs are quickly relieved by Dr. King's New Discovery

Nobody should feel "perfectly miserable" from a cold, cough or bronchial attack for very long. For it takes only a little while to relieve 't and get back on the road to recovery when Dr. King's New Discovery is faithfully used. It soon loosens the phlegm, relieves irritation, soothes the parched, sore throat, brings comfort.

Half a century old and more popular today than ever. At all druggists.

Make Your Bowels Behave

Make them function with gratifying precision. If regulation of the diet does not relieve their torpidity Dr. King's New Life Pills will. They are perfect bowel trainers, cleanse the system surely, comfortably.
