The Great Ambassador of Health
TO ALL MANKIND.

HOLLOWAY'S PILLS.

A BOON TO THE SICK.

The want of a sterling medicinal to meet the ills and necessities of the suffering portion of humanity, and one entirely free from mineral and other deleterious particles, was severely felt till this all powerful medicine was ushered into the world; Holloway's invaluable Pills have become the household remedy of all nations. Their attribute is to prevent as well as to cure: they attack the radix of the complaint, and thus by removing the hidden cause of disease reinvigorate and restore the drooping energies of the system, assisting nature in her task of vital and functionary reformation.

DYSPEPSIA.

The great scourge of this continent yields quickly to a course of these antiseptic Pills, and the digestive organs are restored to their proper tone; no matter in what hideous shape this hydra of disease exhibits itself, this searching and unerring remedy disperses it from the patient's system.

GENERAL DEBILITY AND WEAKNESS.

From whatever cause, lowness of spirits, and all other signs of a diseased liver, and other disorganization of the system, vanish under the eradicating influence of this all powerful antiseptic and detergent remedy.

BILIOUS DISORDERS.

The proper quantum and right condition of the bile is of momentous importance to the health of the human frame, this anti-bilious medicine expels the hidden seeds of the complaint, and renders all the fluids and secretions pure and fluent, cleansing and restituting the vital functions of the body.

SICKLY FEMALES

Should lose no time in trying a few doses of this regulating and renovating remedy, whatever may be their complaint, it can be taken with safety in all periodical and other disorganizations its effect is all but miraculous.

UNREFUTED PROOF.

The testimony of Nations is unanimously borne to the health-giving virtues of his noble remedy, and certificates in every living language bear witness to the UNDENIABLENESS of their INTRINSIC WORTH.

Holloway's Pills are the best remedy known in the world for the following diseases:

Asthma,	Diarrhœa,	Indigestion,
Stone & Gravel,	Bowel Complaints,	Dropsy,
Influenza,	Secondary symptoms,	Coughs,
Debility,	Fever and Ague,	Inflamation.
Colds,	Chest Disease,	Inward Weakness,
Veneral Affections,	Female Complaints,	Liver Complaints,
Costiveness,	Lowness of Spirits,	Headaches,
Worms of all kinds,	Dyspepsia, Piles,	

☞ CAUTION!—None are genuine unless the words "*Holloway, New York and London,*" are discernible as a *Water-mark* in every leaf of the book of directions around each pot or box: the same may be plainly seen by *holding the leaf to the light.* A handsome reward will be given to any one rendering such information as may lead to the detection of any party or parties counterfeiting the medicines or vending the same, knowing them to be spurious.

***Sold at the manufactories of Professor Holloway, 80 Maiden Lane, New York, and by all respectable Druggists and Dealers in Medicine throughout the United States and the civilized world, in boxes at 25 cents, 63 cents, and $1 each.

☞ There is considerable saving by taking the larger sizes.

N. B.—Directions for the guidance of patients in every disorder are affixed to each box. [june-y

TO THE FARMERS & BREEDERS
OF TALBOT,
AND ITS ADJACENT COUNTIES.

I MOST respectfully and cheerfully announce to the public that I have permanently located myself in the town of Easton, Md., at the Brick Hotel, and will devote my attention to the handling of Horses, both under the saddle and in harness, as well as a particular attention to all sick Horses. Being generally known through this part of the country as a considerable horse fancier, I feel sure that I shall have no difficulty in giving perfect satisfaction to all who may engage my services in the manner above described. For which moderate prices will be made in all cases.

MORSE'S INDIAN ROOT PILLS.

CAUTION.

Merchants and Traders will be on their guard and not be imposed upon by a Counterfeit of Morse's Indian Root Pills, signed *A. B. Moore.* All genuine Indian Root Pills have the name and signature of *A. J. White & Co.,* on each box.

DR. MORSE, the inventor of the INDIAN ROOT PILLS, has spent the greater part of his life in traveling; having visited Europe, Asia, and Africa, as well as North America—as spent three years among the Indians of our Western country—it was in this way that the Indian Root Pills were first discoverd. Dr. Morse was the first man to establish the fact that all diseases arise from IMPURITY OF THE BLOOD—that our strength, health and life depend upon this vital fluid.

A. J. WHITE & Co.,
50 Leonard street, New York.

DR. MORSE, the inventor of Morse's INDIAN ROOT PILLS, has spent the greater part of his life in travelling, having visited Europe, Asia, and Africa as well as North America—has spent three years among the Indians of our Western country—it was in this way that the Indian Root Pills were first discovered. Dr. Morse was the first man to establish the fact that all diseases arises from IMPURITY OF THE BLOOD—that our strength, health and life depended upon this vital fluid.

When the various passages become clogged, and do not act in perfect harmony with the different functions of the body, the blood loses its action, becomes thick, corrupted and diseased; thus causing all parts sickness and distress of every name; our strength is exhausted, our health we are deprived of, and if nature is not assisted in throwing off the stagnant humors, the blood will become choked and cease to act, and thus our light of life will forever be blown out. How important then that we should keep the various passages of the body free and open. And how pleasant to us that we have it in our power to put a medicine in your reach, namely, Morse's Indian Root Pills, manufactured from plants and roots which grow around the mountainous cliffs in Nature's garden, for the health and recovery of diseased man. One of the roots from which these Pills are made is a Sudorific, which opens the pores of the skin, and assists Nature in throwing out the finer parts of the corruption within. The second is a plant which is an Expectorant, that opens and unclogs the passage of the lungs, and thus in a soothing manner, performs its duty by throwing off phlegm, and other humors from the lungs by copious spitting. The third is a Diuretic, which gives ease and double strength to the kidneys; thus encouraged, they draw large amounts of impurity from the blood, which is then thrown out bountifully by the urinary or water passage, and which could not have been dis harged in any other way. The fourth is a Cathartic, and accompanies the other properties the Pills while engaged in purifying the blood; the coarser particles of impurity which cannot pass by the other outlets, are thus taken up and conveyed off in great quantities by the bowels.

From the above, it is shown that Dr. Morse's Indian Root Pills not only enter the stomach, but become united with the blood, for they find way to every part, and completely rout out and cleanse the system from all impurity, and the life of the body, which is the blood, become perfectly healthy; consequently all sickness and pain is driven from the system, for they cannot remain when the body becomes perfectly healthy; consequently all sickness and pain is driven from the system, for they cannot remain when the body becomes so pure and clear.

The reason why people are so distressed when sick, and why so many die, is because they do not get a medicine which will pass to the afflicted parts, and which will open the natural passage for the disease to be cast out; hence, a large quantity of food and other matter is lodged, and the stomach and intestines are literally overflowing with the corrupted mass; thus undergoing disagreeable fermentation, constantly mixing with the blood, which throws the corrupted matter through every vein and artery, until life is taken from the body of disase. Dr. Morse's PILLS have added to themselves victory upon victory, by restoring millions of the sick to blooming health and happiness. Yes, thousands who have been racked or tormented with sickness, pain and anguish, and whose feeble frames have been scorched by the burning elements of raging fever, and who have been brought, as it were, within a step of the silent grave, now stand ready to testify that they would have been numbered with the dead, had it not been for this great and wonderful medicine, Morse's Indian Root Pills. After one or two doses had been taken, they were astonished, and absolutely surprised, in witnessing their charming effects. Not only do they give immediate ease and strength, and take away all sickness, pain and anguish but they at once go to work at the foundation of the disease, which is the blood.—Therefore, it will be shown, especially by those who use these Pills, that they will so cleanse and purify, that disease—that deadly enemy—will take its flight, and the flush of youth and beauty will again return, and the prospect of a long and happy life will cherish and brighten your days.

CAUTION.—Be ware of a counterfeit signed *A. B. Moore.* All genuine have the name of A. J. White & Co. on each box. Also the *signature of A. J. White & Co.* All others are spurious

The Howard Association, in view of the awful destruction of human life, caused by sexual diseases, and the deceptions practised upon the unfortunate victims of such diseases by Quacks, several years ago, directed their consulting Surgeon, as a Charitable Act worthy of their name, to open a Dispensary for the treatment of this class of diseases, in all their forms, and to give Medical Advice Gratis, to all who may apply by letter, with a description of their condition, (age, occupation, habits of life, &c.) and in cases of extreme poverty, to FURNISH MEDICINES FREE OF CHARGE. It is needless to add that the Association commands the highest Medical skill of the age, and will furnish the most approved modern treatment

The Directors, on a review of the past, feel assured that their labors in this sphere of benevolent effort, have been of great benefit to the afflicted, especially to the young, and they have resolved to devote themselves, with renewed zeal, to this very important but much despised cause.

Just published by the Association, a Report on Spermatorrhœa, or Seminal Weakness, the Vice of Onanism, Masturbation or Self Abuse, and other Diseases of the Sexual Organs, by the Consulting Surgeon, which will be sent by mail, (in a sealed letter envelope,) FREE OF CHARGE, on receipt of TWO STAMPS for postage.

Address, for Report or treatment, Dr. GEO. R. CALHOUN, Consulting Sergeon, Howard Association, No. 2 South Ninth Street, Philadelphia, Pa.

By order of the Directors,
EZRA D. HEARTWELL, President.

℞ AYER'S
Cathartic Pills,
(SUGAR COATED,)
ARE MADE TO
CLEANSE THE BLOOD AND CURE THE SICK
Invalids, Fathers, Mothers, Physicians, Philanthropists, read their Effects, and Judge of their Virtues.
FOR THE CURE OF
Headache, Sick Headache, Foul Stomach,
PITTSBURGH, Pa., May 1, 1858.

DR J. C. AYER. Sir: I have been repeatedly cured of the worst headache any body can have by a dose or two of your Pills. It seems to arise from a foul stomach which they cleanse at once. If they will cure others as they do me, the fact is worth knowing.
Yours with great respect, ED. W. PHELPS,
Clerk of Steamer Clarion.

Bilious Disorders and Liver Complaints.
DEPARTMENT OF THE INTERIOR,
WASHINGTON, D. C., 7 Feb., 1858.

SIR: I have used your Pills in my general and hospital practice ever since you made them, and cannot honestly say they are the best cathartic we employ. Their regulating action on the *liver* is quick and decided, consequently they are an admirable remedy for derangements of that organ. Indeed, I have seldom found a case of *bilious disease* so obstinate that it did not readily yield to them.
Fraternally yours, ALONZO BALL, M. D.
Physician of the Marine Hospital.

Dysentery, Relax, and Worms.
POST OFFICE, HARTLAND, LIV. CO., MICH., Nov. 14, 1858.

DR. AYER: Your Pills are the perfection of medicine. They have done my wife more good than I can tell you. She had been sick and pining away for months. Was off to be doctored at great expense, but got no better. She then commenced taking your Pills, which soon cured her, by expelling large quantities of worms (dead) from her body. They afterwards cured her and our two children of bloody dysentery. One of our neighbors had it bad and my wife cured him with two doses of your Pills, while others around us paid from five to twenty dollars doctor bills, and lost much time, without being cured entirely even then. Such a medicine as yours, which is actually good and honest, will be prized here.
GEO. J. GRIFFIN, *Postmaster.*

Indigestion and Impurity of the Blood.
From Rev. J. V. Himes, Pastor of Advent Church, Bath.

DR. AYER: I have used your Pills with extraordinary success in my family and among those I am called to visit in distress. To regulate the organs of digestion and purify the blood they are the very best remedy I have ever known, and I can confidently recommend them to my friends. Yours, J. V. HIMES.

WARSAW, WYOMING Co., N. Y., Oct. 24, 1858.

DEAR SIR: I am using your Cathartic Pills in my practice, and find them an excellent purgative to cleanse the system and purify the fountains of the blood.
JOHN G. MEACHAM, M. D.

Erysipelas, Scrofula, King's Evil, Tetter, Tumors, and Salt Rheum.
From a Forwarding Merchant of St. Louis, Feb. 4, 1858.

DR. AYER: Your Pills are the paragon of all that is great in medicine. They have cured my little daughter of ulcerous sores upon her hands and feet that had proved incurable for years. Her mother had been long grievously afflicted with blotches and pimples on her skin and in her hair. After our child was cured, she also tried your Pills, and they have cured her. ASA MORGRIDGE.

Rheumatism, Neuralgia, and Gout.
From the Rev. Dr. Hawkes, of the Methodist Epis. Church.

PULASKI HOUSE, SAVANNAH, GA., Jan. 6, 1858.

HONORED SIR: I should be ungrateful for the relief your skill has brought me if I did not report my case to you. A cold settled in my limbs and brought on excruciating neuralgic pains, which ended in chronic rheumatism. Notwithstanding I had the best of physicians, the disease grew worse and worse, until, by the advice of your excellent agent in Baltimore, Dr. Mackenzie, I tried your Pills. Their effects were slow, but sure. By persevering in the use of them, I am now entirely well.

SENATE CHAMBER, BATON ROUGE, LA., 5 Dec., 1853.

DR. AYER: I have been entirely cured by your Pills of Rheumatic Gout—a painful disease that had afflicted me for years. VINCENT SLIDELL.

For Dropsy, Plethora, or kindred Complaints, requiring an active purge, they are an excellent remedy.

For Costiveness or Constipation, and as a Dinner Pill, they are universable and effectual.

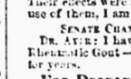

Fits, Suppression, Paralysis, Inflammation, and even **Deafness,** and **Partial Blindness,** have been cured by the alterative action of these Pills.

Most of the Pills in market contain Mercury, which although a valuable remedy in skillful hands, is dangerous in a public pill, from the dreadful consequences that frequently follow its incautious use. These contain no mercury or mineral substance whatever.

AYER'S CHERRY PECTORAL
FOR THE RAPID CURE OF
COUGHS, COLDS, HOARSENESS, INFLUENZA, BRONCHITIS, WHOOPING COUGH, CROUP, ASTHMA, INCIPIENT CONSUMPTION,
and for the relief of consumptive patients in advanced stages of the disease.

We need not speak to the public of its virtues. Throughout every town and almost every hamlet of the American States, its wonderful cures of pulmonary complaints have made it already known. Nay, few are the families in any civilized country on this continent without some personal experience of its effects; and from all the communities say where is the individual who has not among them some living trophy of its victory over the subtle and dangerous diseases of the throat and lungs. While it is the most powerful antidote yet known to man for the formidable and dangerous diseases of the pulmonary organs, it is also the pleasantest and safest remedy that can be employed for infants and young persons. Parents should have it in store against the insidious enemy that stands ready to fasten upon them unprepared. We have abundant grounds to believe the *Cherry Pectoral* saves more lives by the early use of the first symptoms it prevents than those it cures. Keep it by you, and a cure is certain. Do not wait till they are curable, nor permit them until no human skill can master the inveterate disease that, fastened on the vitals, eats your life away. All know the dreadful fatality of lung disorders, and we need not do more than to assure them it is still made the best it can be. We spare no cost, no toil to produce it the most perfect remedy that man can devise, and we offer it to the best agent which our skill can furnish for their cure.
