FOR CONGRESS.

AS the time is approaching when the National Union Democratic party of this Congressional District will again be called upon to select a standard bearer for the approaching Congressional contest, I would beg leave to suggest the name of our late distinguished Representative, General THOMAS F. BOWIE, as one that will be the most likely to harmonize all discordant views—unite all who not only profess but practice devotion to constitutional liberty and be certain to lead us to a second victory over a wily, dangerous and now desperate faction. It will be borne in mind that at the last Congressional canvass, the new Union party was but an experiment—an experiment, it is true, fraught with momentous consequences to our future political and social well-being—still, it was but an experiment, and under the leadership of General BOWIE, our cause prospered—our principles triumphed—our enemy was disconfited. Another such canvass, and the Union party would become a "fixed institution" in this Congressional District. Such another canvass can be had if we select as our leader the gentleman who has so satisfactorily to his constituents and so creditably to himself filled all the duties and met all the responsibilities of our Representative in Congress. Under any other standard bearer, I foresee nothing but distraction—division and defeat—General BOWIE for himself, I am confidident, will acquiesce in whatever may be the will of the convention, and labor for its nominee with his accustomed energy and zeal—but he cannot control the voters of the District who think that justice, gratitude, honor, and the success of our principles demand that he shall not be pretermitted to gratify mere caprice or even individual ambition at the sacrifice of most important and vital interests of the district. Success now will make our party the permanently triumphant party of this district—General BOWIE then would I am sure cheerfully give way to others if the voters of the district should desire a change. But let us make our party; and see the way clear before we presume too much on our own strength or our enemy's weakness.

AN ORIGINAL DEMOCRAT.

April 8, 1857—tf

MR. EDITOR:—As the question of a change in our Congressional delegate has been agitated (although it appears to me we could hardly be more ably represented) I would suggest the name of one of our own countymen,

MAJOR SAMUEL H. BERRY.

It would be superfluous to mention anything here of Major BERRY's qualifications for the honorable station. Suffice it to say as to experience, energy, highmindedness, and the most pleasing and captivating eloquence, Major BERRY has hardly an equal in the district. His nomination would be hailed with pleasure—and his election certain—as Democrats and Old Line Whigs would support him to a man.

One in every ten shares must draw a lot ranging from $50 to $734 in value; and there is not one blank in the whole enterprise. There is no better building site for a large town or city, on the Eastern Shore.

All of these beautiful Lots, for building purposes, are in Church Hill (which is incorporated by law,) and eligible for all kinds of public business, or trade. The proposed Eastern Shore Railroad, (which passed the Legislature at its last session) "via Crumpton, or Air line route," will pass through, or near to these lots. They are 30 ft. by 140 ft. *with a front and back street to each, and the whole regularly plotted in squares,* and (with very few exceptions,) every lot is "high and dry" and now ready for improvements. Daily communication to Baltimore and Philadelphia. As these building lots must inevitably advance rapidly in value from date, no investment can be more advantageous or profitable, and certificates of shares should be secured as early as possible.

The distribution *will be positively made* in Philadelphia on the 1st December, 1857, and published, by committee appointed for the purpose. As soon as it is done, deeds will be prepared, and furnished, (free of charge) and possession given at once. The public may rest assured there is "no humbug" here, but a settled determination to improve my native place, beyond all competition.

Postmasters, and all others, acting as our agents, will forward orders for shares immediately (inclosing the funds,) and deduct 5 per cent on sales. Address

R. E. C. DOWNES,
Church Hill, Maryland.

N. B.—I have sold several building lots since Christmas, at private sale, at $300 and $400 per acre. After the distribution, all lots not disposed of will be sold on ground rent or in fee simple.

SIR HENRY CLINTON.

THIS thorough-bred Horse, and celebrated Trotter, will be let to mares the present season, at the low price of Ten Dollars. If more than two mares are sent by one owner, Eight Dollars each will only be charged. No insurance under any circumstancee.

☞ Fifty Cents to the Groom in every case.

This fine Northern bred trotter was purchased by his present owner with the sole view of improving the breed of draft horses in this section of country, and, looking to his own performances as a fast trotter, and to those of his stock on Long Island, it is believed that no more suitable horse for that purpose could have been selected. SIR HENRY CLINTON has proved himself to be a sure foal getter—as his last season's standing most fully attests.

PEDIGREE:

Sir Henry Clinton was foaled on Long Island, and was got by HENRY DUROC, (a fine race horse,) his dam by imported ROMAN. Through his sire he traces to the celebrated Henry, Eclipse, Oliet, Duroc and Messenger—all fast horses as well as the fastest of trotters. Flying Dutchman, Lady Suffolk, Taconi, and nearly all the fastest trotters of the North are of this family of horses.

He will stand at the stables of his owner, in Upper Marlborough, on *Mondays, Tuesdays* and *Wednesdays.*

On the other days of the week he will visit the plantations of those who may be disposed to patronize him.

☞ The season will commence on the first of April and end on the first of July.

BEN BOLT.

THIS finely formed young horse will be let to mares the ensuing season, commencing on the 20th March, and ending on the 13th of June, at $15 the season, to be discharged by the payment of $10, if paid within the season—insurance $20. Fifty cents to the groom in each case. ☞ A good groom will be provided, but no liability for accidents.

He will stand at Upper Marlborough on *Monday;* (the place for standing on *Wednesday* will be fixed hereafter;) at Queen Anne on *Saturday* of each week; and the remainder of the week at the subscriber's farm.

☞ Where there are three or more mares to be let on one farm the horse will be sent, if the distance be convenient.

BEN BOLT

is a chestnut sorrel, full sixteen hands high, finely formed, and is one of the best saddle and harness horses in the county. The subscriber deems it unnecessary to give a lengthy description, as the horse's appearance and action is his best recommendation. He is six years old next grass. He is by the celebrated horse "RED BUCK," out of a thorough-bred RATTLER mare. He has proved himself a sure foal getter.

DAVY CROCKETT.

THIS thorough-bred and beautiful stallion will be let to mares the present season, commencing the first of April and ending the first of July, at Twenty Dollars to insure blooded mares, to be discharged by the payment of Fifteen Dollars, if paid within the season; common mares Fifteen Dollars, to be discharged by the payment of Ten Dollars, if paid within the season.

He will stand at Piscataway on Mondays and Tuesdays.

On Wednesdays and Thursdays at John H. Underwood's farm, four miles below Piscataway.

On Fridays and Saturdays at Thomas S. Martin's, in Charles County.

Every care taken to prevent accidents; but if any, the subscriber will not be responsible for them.

DESCRIPTION:

DAVY CROCKETT is a bright sorrel, near sixteen hands high, six years old this spring, has a beatiful coat and fine action. He is considered very "Lotty," and in several races, when running under great disadvantage, he has made most excellent time. It is believed if he had been properly trained, he could have been made one of the fastest horses in this part of the country.

PEDIGREE:

DAVY CROCKETT was by Captain Bragg, his dam by Boston; his grand dam, Jennie Deans, was got by Vanguard; her dam by Oscar Junior; her grand dam, Kitty Fox, by Fox; her g g dam by Register; her g g g dam by Linsay's Arabian. Portable Bake Oven.

The Most Economical and Best Oven in Use.

THE undersigned offer to the public BLODGETT & SWEET'S PATENT PORTABLE BAKE OVEN, which they unhesitatingly pronounce the best in use. *It will roast at the same time as many different kinds of meat as the Oven can contain,* and each piece will be perfectly sweet and free from the grease arising from the different varieties, as their gasses are let off through an escape pipe at the top.

For baking *Bread* and *Pastry* it is without a rival, the oven being under the perfect control of the operator.

In point of *Economy* it is not excelled, the heat required being generated *within the oven.* We have in our possession certificates showing that it will save over ordinary ovens 75 *per cent. of fuel.* For *Summer use* it is partienlarly desirable—the material of which it is made, being a non-conductor; there no is radiation of heat.

In short it is *The Oven,* and should be in use in every family.

We would call attention to the following extracts from letters in our possession:

* * * I have given your Oven a fair and full trial in my family, and feel no hesitation in saying that it is decidedly the *best* and most *economical* Oven for baking bread, meat, fowls, &c., that I have seen in use. * * *

JAMES V'D. STEWART, Chemist,
S. E. corner Hanover and Camden Sts.

* * * * I am prepared to say, without hesitation, that in every particular it is far superior to anything of the kind of which I have any knowledge. The convenience, facility of management, elegance of performance, and economy of both time and fuel, of this Oven, can only be appreciated by those who have used it. * * *
