THE MIGHTY HEALER.
WORLD KNOWN AND WORLD TRIE

HOLLOWAY'S OINTMENT.

The free admissions of all Nations, as well as the verdict of the leading Hospitals of the Old as well as the New World stamp this powerful remidial Agent as the greatest healing preparation ever made known to suffering man. Its PENETRATIVE QUALITIES are more than MARVELLOUS, through the external orifices of the skin, invisible to the naked eye, it reaches the seat of the internal diseases; and in all external affections its anti-inflammatory and healing virtues surpass any thing else on record, and is nature's great ally.

ERYSIPELAS AND SALT RHEUM

Are two of the most common and virulent disorders prevalent on this continent, to these the Ointment is especially antagonistic, its "MODUS OPERANDI" is first to eradicate the venom and then complete the cure.

BAD LEGS, OLD SORES, AND ULCERS.

Cases of many years standing that have pertinaciously refused to yield to any other remedy or treatment; have invariably succumbed to a few applications of this powerful ungent.

ERUPTIONS ON THE SKIN,

Arising from a bad state of the blood or chronic disease are eradicated, and a clear and transparent surface regained by the restorative action of this Ointment. It surpasses many of the cosmetics and other toilet appliances in its power to dispel rashes and other disfigurements of the face.

PILES AND FISTULA.

Every form and feature of these prevalent and stubborn disorders is eradicated locally and entirely by the use of this emolient; warm fomentations should precede its application. Its healing qualities will be found to be thorough and invariable.

Both the Ointment and Pills should be used in the following cases:

Bunions,	Mecurial Eruptions,	Swelled Glands,
Sprains,	Burns,	Piles,
Sore Legs,	Stiff Joints,	Chapped Hands,
Rheumatism,	Sore Breasts,	Tetter.
Chilblains,	Ringworm,	Sore Heads,
Ulcers,	Fistula,	Salt Rheum,
Sore Throats,	Venteral Sores,	Gout,
Scalds,	Sores of all kinds,	Wounds of all
Lumbago,	Skin Diseases,	kinds.

☞ CAUTION!—None are genuine unless the words "HOLLOWAY, NEW YORK AND LONDON," are discernible as a Water-mark in every leaf of the book of directions around each pot or box; the same may be plainly seen by HOLDING THE LEAF TO THE LIGHT. A handsome reward will be given to any one rendering such information as may lead to the detection of any party or parties counterfeiting the medicines or vending the same, knowing them to be spurious.

*** Sold at the Manufactories of Professor HOLLOWAY, 80 Maiden Lane, New York, and by all respectable Druggists and Dealers in Medicines throughout the United States and the civilized world, in pots at 25 cents, 63 cents, and $1.

☞ There is considerable saving by taking the larger sizes.

TO all persons afflicted with Sexual Diseases, such as Spermatorrhœ, Seminal Weakness, Impotence, Gonorrhœa, Gleet, Syphilis, the Vice of Onanism, or Self Abuse, &c., &c.

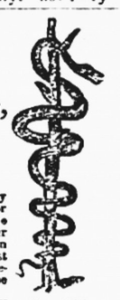

The Howard Association, in view of the awful destruction of human life, caused by sexual diseases, and the deceptions practised upon the unfortunate victims of such diseases by Quacks, several years ago, directed their consulting Surgeon, as a Charitable Act worthy of their name, to open a Dispensary for the treatment of this class of diseases, in all their forms, and to give Medical Advice Gratis, to all who may apply by letter, with a description of their condition, (age, occupation, habits of life, &c.) and in cases of extreme poverty, to FURNISH MEDICINES FREE OF CHARGE. It is needless to add that the Association commands the highest Medical skill of the age, and will furnish the most approved modern treatment

The Directors, on a review of the past, feel assured that their labors in this sphere of benevolent effort, have been of great benefit to the afflicted, especially to the young, and they have resolved to devote themselves, with renewed zeal, to this very important but much despised cause.

Just published by the Association, a Report on Spermatorrhœa, or Seminal Weakness, the Vice of Onanism, Masturbation or Self-Abuse, and other Diseases of the Sexual Organs, by the Consulting Surgeon, which will be sent by mail, (in a sealed letter envelope,) FREE OF CHARGE, on receipt of TWO STAMPS for postage.

AYER'S
CHERRY PECTORAL,
FOR THE RAPID CURE OF
Colds, Coughs, and Hoarseness.

BRIMFIELD, MASS., 20th Dec., 1855.

DR. J. C. AYER: I do not hesitate to say the best remedy I have ever found for Coughs, Hoarseness, Influenza, and the concomitant symptoms of a Cold, is your CHERRY PECTORAL. Its constant use in my practice and my family for the last ten years has shown it to possess superior virtues for the treatment of those complaints. EBEN KNIGHT, M. D.

A. B. MORTLEY, Esq., of Utica, N. Y., writes: "I have used your *Pectoral* myself and in my family ever since you invented it, and believe it the best medicine for its purposes ever put out. With a bed cold I should sooner pay twenty five dollars for a bottle than do without it, or take any other remedy."

Croup, Whooping Cough, Influenza.

SPRINGFIELD, MASS., Feb. 7, 1856.

BROTHER AYER: I will cheerfully certify your *Pectoral* is the best remedy we possess for the cure of whooping cough, croup, and the chest diseases of children. We of your fraternity in the South appreciate your skill, and commend your medicine to our people.
HIRAM CONKLIN, M. D.

AMOS LEE, Esq., MONTEAGY, Ia., writes, 31 Jan., 1856: "I had a tedious Influenza, which confined me in doors six weeks; took many medicines without relief; finally tried your *Pectoral* by the advice of our clergyman. The first dose relieved the soreness in my throat and lungs: less than one half the bottle made me completely well. Your medicines are the cheapest as well as the best we can buy, and I we esteem you, Doctor, and your remedies, as the poor man's friend."

Asthma or Phthisic, and Bronchitis.

WEST MANCHESTER, PA., Feb. 4, 1856.

SIR: Your *Cherry Pectoral* is performing marvellous cures in this section. It has relieved several from alarming symptoms of consumption, and is now curing a man who has labored under an affection of the lungs for the last forty years. HENRY L. PARKS, Merchant.

A. A. RAMSEY, M. D., AUSTIN, MONROE Co., Iowa, writes, Sept. 6, 1855: "During my practice of many years I have found nothing equal to your *Cherry Pectoral* for giving ease and relief to consumptive patients, or curing such as are curable."

We might add volumes of evidence, but the most convincing proof of the virtues of this remedy is found in its effects upon trial.

Consumption.

Probably no one remedy has ever been known which cured so many and such dangerous cases as this. Some no human aid can reach; but even to those the *Cherry Pectoral* affords relief and comfort.

ASTOR HOUSE, NEW YORK CITY, March 5, 1856.

DOCTOR AYER, LOWELL: I feel it a duty and a pleasure to inform you what your *Cherry Pectoral* has done for my wife. She had been five months laboring under the dangerous symptoms of Consumption, from which no aid we could procure gave her much relief. She was steadily failing, until Dr. Strong, of this city, where we have come for advice, recmended a trial of your medicine. We bless his kindness, as we do your skill, for she has recovered from that day. She is not yet as strong as she used to be, but is free from her cough, and calls herself well.
Yours with gratitude and regard,
ORLANDO SHELBY, of SHELBYVILLE.

Consumptives, do not despair till you have tried AYER'S CHERRY PECTORAL. It is made by one of the best medical chemists in the world, and its cures all around us bespeak the high merits of its virtues.—*Philadelphia Ledger.*

Ayer's Cathartic Pills.

THE sciences of Chemistry and Medicine have been taxed their utmost to produce this best, most perfect purgative which is known to man. Innumerable proofs are shown that these PILLS have virtues which surpass in excellence the ordinary medicines, and that they win unprecedentedly upon the esteem of all men. They are safe and pleasant to take, but powerful to cure. Their penetrating properties stimulate the vital activities of the body, remove the obstructions of its organs, purify the blood, and expel disease. They purge out the foul humors which breed and grow distemper, stimulate sluggish or disordered organs into their natural action, and impart healthy tone with strength to the whole system. Not only do they cure the every-day complaints of every body, but also formidable and dangerous diseases that have baffled the best of human skill. While they produce powerful effects, they are at the same time, in diminished doses, the safest and best physic that can be employed for children. Being sugar-coated, they are pleasant to take; and being purely vegetable, are free from any risk of harm. Cures have been made which surpass belief were they not substantiated by men of such exalted position and character as to forbid the suspicion of untruth. Many eminent clergymen and physicians have lent their names to certify to the public the reliability of my remedies, while others have sent me the assurance of their conviction that my Preparations contribute immensely to the relief of my afflicted, suffering fellow men.

The Agent below named is pleased to furnish gratis my American Almanac, containing directions for their use and certificates of their cures, of the following complaints:—

Costiveness, Bilious Complaints, Rheumatism, Dropsy, Heartburn, Headache arising from a foul stomach, Nausea, Indigestion, Mould Inaction of the Bowels and Pain arising therefrom, Flatulency, Loss of Appetite, all Ulcerous and Cutaneous Diseases which require an evacuant medicine, Scrofula or King's Evil. They also, by purifying the blood and stimulating the system, cure many complaints which it would not be supposed they could reach, such as Deafness, Partial Blindness, Neuralgia and Nervous Irritability, Derangements of the Liver and Kidneys, Gout, and other kindred complaints arising from a low state of the body or obstruction of its functions.

DR. MORSE, the inventor of Morse's INDIAN ROOT PILLS, has spent the greater part of his life in travelling, having visited Europe, Asia and Africa as well as North America—has spent three years among the Indians of our Western country—it was in this way that the Indian Root Pills were first discovered. Dr. Morse was the first man to establish the fact that all diseases arises from IMPURITY OF THE BLOOD—that our strength, health and life depended upon this vital fluid.

When the various passages become clogged, and do not act in perfect harmony with the different functions of the body, the blood loses its action, becomes thick, corrupted and diseased; thus causing all parts sickness and distress of every name; our strength is exhausted, our health we are deprived of, and if nature is not assisted in throwing off the stagnant humors, the blood will become clogged and cease to act, and thus our light of life will forever be blown out. How important then that we should keep the various passages of the body free and open. And how pleasant to us that we have it in our power to put a medicine in our reach, namely, Morse's Indian Root Pills, manufactured from plants and roots which grow around the mountainous cliffs in Nature's garden, for the health and recovery of diseased man. One of the roots from which these Pills are made is Sarsaparilla, which opens the pores of the skin, and lets Nature in throwing out the foul parasites or corruption within. The second is a plant which is an Expectorant, that opens and unclogs the passage of the lungs, and thus in a soothing manner, performs its duty by throwing off phlegm, and other humors from the lungs by expectorating. The third is a Diuretic, which gives new and double strength to the kidneys; thus enlarged, they draw large amounts of impurity from the blood, which is then thrown out naturally by the urinary or water passage, and which could not have been dis harged in any other way. The fourth is a Cathartic, and accompanies the other properties the Pills while engaged in purifying the blood; the coarser particles of impurity when cannot pass by the other outlets, are thus taken up and conveyed off in great quantities by the bowels.

From the above, it is shown that Dr. Morse's Indian Root Pills not only enter the stomach, but become united with the blood, for they find way to every part, and completely rout out and cleanse the system from all impurity, and the life of the body, which is the blood, become perfect healthy; consequently all sickness and pains drive from the system, for they cannot remain when the body becomes so pure and clear.

The reason why people are so distressed when sick, and why so many die, is because they do not get a medicine which will pass to the afflicted parts, and which will open the natural passage for the disease to be cast out; hence, a large quantity of food and other matter is lodged, and the stomach and intestines are literally overflowing with the corrupted mass; thus undergoing disagreeable fermentation, constantly mixing with the blood, which throws the corrupted matter through every vein and artery, until life is taken from the body of disase. Dr. Morse's PILLS have added to themselves victory upon victory, by restoring millions of the sick to blooming health and happiness. Yes, thousands who have been racked or tormented with sickness, pain and anguish, and whose feeble frames have been scorched by the burning elements of raging fever, and who have been brought, as it were, within a step of the silent grave, now stand ready to testify that they would have been numbered with the dead, had it not been for this great and wonderful medicine, Morse's Indian Root Pills. After one or two doses had been taken, they were astonished, and absolutely surprised, in witnessing their charming effects. Not only do they give immediate ease and strength, and take away all sickness, pain and anguish but they at once go to work at the foundation of the disease, which is the blood—Therefore, it will be shown, especially by those who use these Pills, that they will so cleanse and purify, that disease—that deadly enemy—will take its flight, and the flush of youth and beauty will again return, and the prospect of a long and happy life will cherish and brighten your days.
