ELECTION NOTICE.

NOTICE is hereby given to the Judges of Elections and to the voters of Talbot county, that an election will be held in the several election districts of Talbot county, at the usual places of holding elections, on

Tuesday, the 6th day of November next,

for eight Electors of President and Vice President of the United States.

It will also be the duty of the voters of Talbot county, to express their approval or disapproval of the following Act of the General Assembly of Maryland, of January session, 1860, chapter 232.
SAM'L SPARKLIN,
Aug. 25, 1860-te Sheriff.

AN ACT

To add a new Article to the Code of Public Local Laws for St. Mary's, Calvert, Howard, Kent, Baltimore, Worcester, Somerset, Talbot, Queen Anne's, Prince George's and Charles counties, entitled an Act to appoint a Board of Comunissioners for the better control and management of the free colored population of said counties.

Section 1. And be it enacted by the General Assembly of Maryland, That the County Commissioners of St. Mary's, Calvert, Howard, Kent and Baltimore counties, be, and they are hereby authorzed to appoint biennially, three sober and discreet men in each Election District in said counties, to be styled a Board of Commissioners, for the better control and management of the free colored population, a majority of whom shall at all times constitute a quorum for the discharge of the duties of the act.

Sec. 2. And be it enacted, That it shall be the duty of the said Board of Commissioners to assemble at the usual places of holding elections in their respective districts, on the first day of December, 1860, and the same day and month in every year thereafter, and adjourn from day to day, or to any named day, for the purpose of discharging the duties imposed by this act.

Sec. 3. And be it enacted, That the same Board of Commissioners shall, under their hands and seals, issue summons to be directed to one or more constables, as they may see fit, of their respective districts, whose duty it is hereby made to serve the same upon every free negro of all ages and sexes in said districts, and by virtue of which it shall be the duty of said constable to have said free negroes so summoned before the said Board of Commissioners at the time and place specified in said summons.

Sec. 4. And be it enacted, That it shall be the duty of said Board of Commissioners to duly notify all said free negroes when brought before them, except such as shall be otherwise provided for in the subsequent sections, that unless they shall provide homes by hiring themselves to some industrious and respectable citizen, as hereafter provided, to labor and service by the year, they, the said Commissioners, will expose the said free negroes at public sale to the highest bidder for the term of one year.

Sec. 5. And be it enacted, That it shall be the duty of said Board of Commissioners, after having given the aforesaid notice, to expose at public sale to the highest bidder for the term of twelve months, all such free negroes who shall fail to produce before said Commissioners on or before the first day of January, eighteen hundred and sixty-one, and on or before the first day of January of every succeeding year, the note or bond of some respectable and worthy citizen, with security thereon, to be approved by the same, for the hired services of said negro or negroes for the term of twelve months, which said note or bond shall contain the stipulations of the parties, and shall be subject to suit as other notes or bonds are, before a justice of the peace, or the Circuit Courts for St. Mary's, Calvert, Howard, Kent, Baltimore, Worcester, Somerset, Talbot, Queen Anne's, Prince George's and Charles counties, as may be required by the amount of consideration in said bond.

Sec. 6. And be it enacted, That it shall be the duty of said Board of Commissioners to indenture to some citizen of the said counties, all free negroes from four to twelve years of age, said male free negroes to serve until they arrive at the age of twenty-one, and said females until they arrive at the age of thirty, the party giving bond to the State of Maryland for the good treatment and care of said free negroes.

Sec. 7. And be it enacted, That it shall be the duty of said Board of Commissioners to require of the party to whom any female aforesaid, or any other female hired or bound under this act, may be bound, to provide for and support all existing or subsequent issues of said female during her term of indenture or hire, until they arrive at the period of four years of age, at which time it shall be the duty of said Commissioners to bind out the said issues in the manner and for the period specified in the foregoing section; it being the intent of this act, that all free negroes, minors from the time of birth up to the period of four years of age, shall be exempt from the hiring and binding provisions of the same; and it shall be the further duty of the said Commissioners to allow the mother of such issues to select the individual to whom said issue shall be bound; Provided, said individual shall execute a bond, with approved security to the State of Maryland, as before required.

Sec. 8. And be it enacted, That in the event of any free negro hired or bound under this act, shall refuse to serve faithfully, the party to whom he or she may be bound for the full term of his or her indenture, either by absconding, secreting or running away from the service of said party, it shall be the duty of said Board of Commissioners on complaint of the party and proof of the same, by some reliable and disinterested person under oath, to expose the said hired or bound free negro, at public sale to the highest bidder, to be sold as a slave for life, the proceeds of which shall be paid by said Board to the Register of Wills of St. Mary's, Calvert, Howard, Kent and Baltimore counties, to be appropriated by him to the primary school fund.

Sec. 9. And be it enacted, That it shall be the duty of the said Board of Commissioners to provide a fund for the support of such free negroes as they may fail to hire or indenture, because of their extreme old age or disability of any kind, and for any female and her issues whom they may be unable to hire because of the incumbrances of said issues, and which said issues may not be subject to hire by said Board under the provisions of this act, which said fund shall be subtracted from the gross amount of the hire bonds executed for the services of aforesaid free negroes, and the said sum shall be subtracted as well from the bonds of such free negroes who may be hired by the said Commissioners.

Sec. 10. And be it enacted, That it shall be the duty of said Board of Commissioners to collect by suit or otherwise, the amount stipulated in each bond, and report the same annually to the county Commissioners with a statement of all the expenses attending the operation of this act, including attorney and clerk's fees, constables, auctioneers and commissioner's charges with the vouchers thereof, also the amount necessary to support those incapable of being hired or bound under the provisions of this act, and the said county commissioners after deducting the same from the gross amount of the hire bonds shall direct the said Commissioners to pay the balance due to the aforesaid hired free negroes in proportion to the amount stipulated for in each bond, which said payment shall be made in the presence of some justice of the peace, who shall certify to the payment of the same, and the said certificate shall be filled in the aforesaid clerk's office in satisfaction of said bond, and the said county Commissioners shall further direct the said Board of Commissioners to distribute the funds provided for the aforesaid purposes among the said free negroes of their respective districts, to whom such fund is appropriated by this act, as in their judgement and discretion shall be most proper and equitable.

Sec. 11. And be it enacted, That it shall be the duty of the said Board of Commissioners to make an annual report of such free negroes as may be brought before them, together with a full description of their ages, names and sex, and in case of minors the names of their parents, which report shall be recorded in the clerk's office of the Circuit Courts for St. Mary's, Calvert, Howard, Kent and Baltimore counties.

Sec 12. And be it enacted, That the said Board of Commissioners shall allow such constables and such auctioneers as may be called by them into requisition under the provisions of this act, such fees as are usually allowed constables for serving of writs and summons, and such fees as are usually allowed auctioneers.

Sec. 13. And be it enacted, That the said Board of Commissioners shall allow the State's Attorney for all suits brought on any of the aforesaid bonds such fees as are allowed by law as appearance fees.

Sec. 14. And be it enacted, That the Clerks of the Circuit Courts for St. Mary's, Calvert, Howard, Kent and Baltimore counties, shall be allowed for the recording all bonds executed, and census taken in pursuance of this act, such fees as are usually allowed and charges for the recording of deeds.

Sec. 15. And be it enacted, That the said Board of commissioners shall be allowed for their services under the duties of this act, a per diem of two dollars for every day they may be engaged in the execution thereof; Provided, however, they shall not be allowed any compensation for any time that may exceed thirty days in any one year.

Sec. 16. And be it enacted, That this act shall not apply to any free negroes, or free negro, nor his wife, who shall possess in his or her own right one hundred and fifty dollars of assessed property, nor to any free negro, minor or adult, of either sex, who may have a bona fide residence in the family of his or her parents: Provided, said parents shall possess in his or her own right fifty dollars of assessed property for each of his or her said children who may have a bona fide residence in his or her family, in addition to the one hundred and fifty dollars of assesed property which is necessary to exempt him or her from the provisions of this act.

Sec. 17. And be it enacted, That this act shall not go into operation, nor take effect until it shall be accepted by a majority of the legal voters of St Mary's, Calvert, Howard, Kent and Baltimore counties, cast at the next general election for the President and the Vice-President of the United States.

Sec. 18. And be it enacted, That it shall be the duty of the Sheriff of St Mary's, Calvert, Howard, Kent and Baltimore counties, in ordering an election of electors for President and Vice President, also to order an election for or against the acceptance of this act, which said election shall be held by endorsing upon the ticket for the aforesaid electors the words for or against the act to appoint a Board of commissioners for the better control and management of the free colored population of St. Mary's, Calvert, Howard, Kent and Baltimore counties.

Sec. 19. And be it enacted, That it shall be the duty of the judges of election in the several districts to make a return to the clerks of St. Mary's, Calvert, Howard, Kent and Baltimore counties, of all the votes cast for or against the aforesaid act, and it shall be the duty of the said clerks, in ten days after said election, to notify said Board of commissioners by publication in the St. Mary's Beacon, or otherwise, and in some newspaper in Calvert, Howard, Kent and Baltimore counties, or otherwise of the acceptance or the rejection of this act by the majority of the legal votes cast at said election: and if said act shall be rejected, it shall be null and void, but if said act be accepted, the same shall take effect from the date of the modification of said clerks of said commissioners, and they shall then proceed to execute its provisions in the manner and at the times and places prescribed in the foregoing sections.

Sec. 20. And be it enacted, That Worcester, Somerset, Talbot, Queen Anne's, Prince George's and Charles counties are hereby included in and subjected to all the provisions of this act, as fully as if it had been so expressed in the preceeding sections thereof.

A. P. SHARP & CO.,
PROPRIETORS OF THE
BOOTH & PARMENTER
SEWING MACHINE,
59 South Howard Steet, (near Pratt,)
BALTIMORE, MD.

We take the liberty of calling your attention to our superior Sewing Machines, expressly adapted for family use.

It is now a fixed fact, that Sewing Machines must take the place of the old needle. It is no longer an experiment. After ten years' experience of the difficulties of Sewing Machines, from the fact of their complication rendering them almost impossible to be used in the country, success has become complete. In offering to the public the BOOTH & PARMENTER MACHINE, we can say with great confidence that the difficulty is now removed, for this Machine is so simple in all its parts, that any ordinary child can learn to work it, and it will sew with equal facility either way you turn it. In other words, there is no wrong way of turning the treadle, nor is there any danger of inexperienced persons putting it out of order.

As those who have them in use are the ones to speak, we insert a few cards of the hundreds who can testify of its simplicity, easy management, &c.:

From Rev. E. Yeates Reese, Editor "Methodist Protestant."

MESSRS. A. P. SHARP & Co.

The *Sewing Machine* of *Booth & Parmenter* is a household fixture in my family. It answers all my expectations concerning it—is simple, rapid in operation, does coarse and fine work, and has given no trouble to those who operate it. I can recommend it with great confidence.
E. Y. REESE, 105 Conway Street.

From "Barnum's City Hotel."
Baltimore, January 14th, 1860.

MESSRS. A. P. SHARP & Co.

Gentlemen:—The *Booth & Parmenter Sewing Machine* works well, and to say it is doing the principal work of this *Hotel*, using up spool after spool of thread, and sewing from the finest to the coarest fabrics, without the *least trouble*, is saying very much in its favor. It is extremely simple, and not liable to get out of order; and being easily understood and worked, makes it a *very superior* Family Machine.
BARNUM & CO.

From Gerard H. Reese, 209 Pratt Street.

MESSRS. A. P. SHARP & Co.

Gentlemen:—I have carefully examined the *Booth & Parmenter Sewing Machine* at your suggestion, and, having paid considerable attention to such machines generally from their first introduction, I can with confidence recommend it *for general family and plantation use.* Its *simplicity* and *ease* of management renders it particularly *well adapted* to those who do not posses the mechanical tact necessary in using more complicated machines. Yours truly,
GERARD H. REESE.

From Dr. Wm. H. Stinson, Dentist, 43 Hanover Street.
Baltimore, January 14th, 1860.

MESSRS A. P. SHARP & Co.

Gentlemen:—I am very much pleased with the *Booth & Parmenter Sewing Machine;* it is *very simple*, and not liable to get out of order, and being *very easily* learned and worked, makes it a *very desirable* Machine, both for manufacturing and family purposes. Yours truly,
WM. H. STINSON.

This is to certify that we, the undersigned, have had in use in our family, and thoroughly tested *Booth & Parmenter Sewing Machine*, on various kinds of Goods, both heavy and light, and do hereby concur in pronouncing it the most simple and perfect working Machine, that has ever come under our notice. It is so very strong and simple in all its parts, that it cannot get out of order, except from carelessness. It sews with perfect ease by turning either way, and makes a very neat, strong elastic seam, which will not rip, though every third or fourth stitch be cut.

From R. King, (firm of F. W. & R. King, Mathematical Instrument Makers,) 226 Baltimore Street.

A. P. SHARP & Co.

Gentlemen:—From an inspection of the *Booth & Parmenter's Sewing Machine*, I was pleased with its simplicity and certainty of forming a stitch, and purchased one from this fact, and I am glad to say, so far, my expectations have been fully realized, and I feel justified in recommending it, after a *severe test*, as a *simple, reliable machine*, easily managed and understood, and not liable to get out of order. Respectfully,
RICHARD KING.

From the Proprietor of the "Relay House."
Relay House, Md., July 17, 1860.

MESSRS A. P. SHARP & Co.

Gentlemen:—After a fair trial of the *Booth & Parmenter Machine*; having tried 3 or 4 other *high* priced ones, (which we have thrown by,) we give the decided preference to this Machine. It is much more simple, more easily understood, and less liable to get out of order, and we find that any of our employees can use it with as much facility as a lady of refinement and intelligence. The great advantage this Machine has over all others, it may be turned in either direction, uses a straight needle, and *never* misses a stitch. J. M. LOWE.

MESSRS. A. P. SHARP & Co.

Gentlemen:—After useing your Sewing Machine for some time, I am very much pleased with it, and would cheerfully recommend it for family use. Yours, truly,
MISS JOHNS.

Gents:—After over six months almost constant use, the *Booth & Parmenter Sewing Machine* continues to work admirably.
BARNUM & Co.

From the "Methodist Protestant," edited by the Rev. E. Yates Reese.

A First-rate Sewing Machine.—BOOTH & PARMENTER'S SEWING MACHINE, is really a first rate instrument. It is rapidly going into domestic use. One was placed some time ago in our domicil on trial, to be returned if we did not like it. But, like the Yankee clock, the experiment was a capital *hit*. Once worked there, it would require more fortitude than a peacefully-disposed husband could summon to allow it to be removed. The danger is that, to find work for it, more money may be spent for dry-goods than is desirable; for it disposes of material so rapidly, and so fascinates the femanines who operate it, that it is likely to be used more than is agreeable to a linky-lanky editorial purse. We commend it to our readers.
