FERTILIZERS!

Fertilizers!

Fertilizers!

THE attention of wheat growers is called to the following well known and standard brands of FERTILIZER, which we offer at lowest manufacturers' prices and on most favorable terms, for Fall seeding. From a large experience in the sale of the goods I handle, I am satisfied that I can please all who are in want of first-class phosphates. We quote in part—

Whitelock's Vegetator,

AND

TURNER'S EXCELSIOR PHOSPHATE,

in our judgment the best brands in the market.—The great increase in yield occasioned by the use of the above goods, sufficiently attest their merits. Also, the favorite

ORCHILLA GUANO,

that has been used with such marked results throughout the county, competing, on some lands, with higher priced articles. Would also call the attention of those who have suffered from dwarfed yields, to

POPPLEIN'S SILICATED SUPER PHOSPHATE.

claimed by the manufacturers to be the most wonderful discovery, in scientific agriculture, effectually preventing BLIGHT AND RUST.

We name other articles sold here for reasons too well known by farmers to need further comment:

Davis' Excelsior Phosphate,
Wmans's Raw Bone Phosphate,
Davis' Bone Flour
Rhodes' Ammo. Super Phosphate,
Lister's Super Phosphate,

Pelican Guano,
Woodside & Griffith's Phosphate.

All of the above articles are offered at a small advance to purchasers, with liberal discount on cash sales or notes on crop time.

Fertilizers sold are delivered at nearest landings free of all freight and drayage.

Consumers are requested to call and examine samples of the above goods at our office.
