HAIR RENEWER

This standard article is compounded with the greatest care.

Its effects are as wonderful and as satisfactory as ever.

It restores gray or faded hair to its youthful color.

It removes all eruptions, itching and dandruff. It gives the head a cooling, soothing sensation of great comfort, and the scalp by its use becomes white and clean.

By its tonic properties it restores the capillary glands to their normal vigor, preventing baldness, and making the hair grow thick and strong.

As a dressing, nothing has been found so effectual or desirable.

A. A. Hayes, M.D., State Assayer of Massachusetts, says, "The constituents are pure, and carefully selected for excellent quality; and I consider it the BEST PREPARATION for its intended purposes."

Price, One Dollar.

Buckingham's Dye

FOR THE WHISKERS.

This elegant preparation may be relied on to change the color of the beard from gray or any other undesirable shade, to brown or black, at discretion. It is easily applied, being in one preparation, and quickly and effectually produces a permanent color, which will neither rub nor wash off.

EASTON BRICK AND TILE YARD.

THE undersigned having purchased the interest of William H. Cooper, in the Easton Brick and Tile Yard, will continue the business on his own account.

It has become well established and is now undisputed, that TILE land brings better crops by being underdrained, and that low, springy or wet land cannot be worked with profit without underdraining. Underdraining doubles or treble the crops, and increase the value of the land far more than the cost.—The undersigned have on hand a large stock of superior

DRAIN TILE, OF ALL SIZES,

from 2 to 7 inches vent, which they offer to farmers at from 20 to 30 per cent. less than they can be procured anywhere else. Terms will be made accommodating, so that no farmer need fail to put his land in order to raise the largest crops it can be made to produce. Call at our yard in Easton and examine my stock.
