WISTAR'S BALSAM OF WILD CHERRY.

CURE OF CONSUMPTION.

Rue Brunswick, Oxford County, Me., May 17, 1875.
Messrs. Sold W. Fowle & Sons:
Gentlemen—I feel it my duty to write a few words in favor of Dr. Wistar's Balsam of Wild Cherry. In the early part of last winter I took a severe cold, and shortly afterward a distressing cough was added to it. My friends did every thing they could for me, but without avail. The best physicians that could be procured did not relieve me, and my cough continued with me all through the winter with increasing severity. I spit blood three or four times a day, and my friends considering my case hopeless, gave me up as a confirmed Consumptive. I was in this condition when I heard of Dr. Wistar's Balsam of Wild Cherry. I buy a bottle and before I had taken half a bottle of it my cough and all my other troubles left me, and I was soon cured. I feel so truly indebted to this great remedy that I think it but due to me that I should give this voluntary testimony, hoping it may be the means of inducing others who are suffering as I was, to make use of it.
I am, Gentlemen, with respect,
Your obedient servant, JAMES M. BALL.
I am well known in this vicinity, and my friends can vouch for the truth of this statement.

HAS enlarged and refitted his warerooms, and has just filled them with the largest stock of furniture that has ever been brought to Eastern Shore, embracing nearly every thing in the furniture trade, from a common stool chair to a fine parlor suite of walnut, and from a common $4.00 bedstead to a fine chamber suite of walnut, nearly all of which have been bought from first hands, and will be sold at as low a city retail prices. My warerooms are large and ample, and I believe I can make it to the interest of all to buy from me their fine as well as common furniture, and I respectfully ask the public to call and see my stock, and hear my prices, before purchasing elsewhere.

$5,000

Worth of Boots and Shoes thrown on the Easton Market.

The daily increasing demand for a certain quality and style of Boot and Shoe, is an evidence of the popular favor in which our stock is held by the community generally. We keep none but the best make, and sell at the very lowest prices, and we venture to assert that

The "Mongomery Boots" and "Plow Shoes"

have not their equal in the market. We have just received the largest invoice that we have ever before ordered of those celebrated boots and shoes, being almost an impossibility to keep the demand supplied, and we are offering them still, at the same low price. Persons in want of a good Boot or Shoe, should examine our stock, and they will be sure to purchase, as they commend themselves to purchasers at sight, to say nothing of the wide reputation by the hundreds who have purchased the same make before. In addition to this class, we have the most complete stock of

Ladies and Misses, Boys and Youths Boots and Shoes,

of every quality, style and price, and we defy competition Call early and see for yourselves, as our stock is just opened. Our stock of

Fall & Winter Dry Goods

is very large and complete, and goods are marked down! *down*!! down!!! so that all can buy without embarrassment. Our stock of

GROCERIES

was never larger and more complete than at present, and we are selling them very close, indeed. An examination will be all sufficient to prove what we here assert. We respectfully invite our many friends and customers to call and see us at our old stand on Market Space.

FIRST INSTALLMENT

FOR

Fall & Winter 1877-78

OF

BOOTS, SHOES, HATS AND CAPS.

THE fine crops of wheat and corn raised this year, and the fair prices realized, (and likely to be realized) for them by the farmers of our county, has furnished them means for one to contract himself than higher days have dawned for them, and that time is now.

PROSPECT FOR TRADE FOR 1877-78

is superior to any that we have had for many years
Believing firmly the above, I have determined to make

Greater Preparations, Greater Efforts

AND OFFER

Greater Inducements

than ever before, to those that purchase their goods in Easton.
I am desirous of increasing my sales to an aggregate that will enable me to sell to the trade at a lower profit still, and it can only be done by consumers concentrating their patronage upon the one that already sells the cheapest.
In addition to reduced profits this season, I have made arrangements to control in this market, several makes of very superior boots, each pair of which will be specially warranted to give satisfaction.
Accommodating terms of credit given to responsible and prompt paying customers.
The present large stock is but a foreshadow of what is to come.
Please give me a call.
Respectfully,

SPECIAL TO FARMERS.

JOHN H. THOMPSON, Wheelwright, near the Gas Works, Easton respectfully informs the farmers and others, that he has on hand a quantity of the very best timber, *thoroughly seasoned*, and has determined to *reduce the price of work to narrow returns*. He is manufacturing and repairing Carts, Wagons, Wheels, Agricultural Implements, Cradles, Ox Yokes, and other work in his line, *at prices which cannot fail to give satisfaction*. All his work is done in the strong, strongest manner, and warranted to give satisfaction. He respectfully invites farmers and others to give him a call, examine his work, and compare prices and quality with the work of other wheelwrights. He returns thanks for past favors and solicits a continuance of the public patronage.

Our stock of Tile is very heavy, and we sell it very low for cash; but are prepared to enter into arrangements with farmers, who may want to put in tile, and who may not have the cash, to give them SIX or NINE months credit.
