DEMOCRACY ARISE!

GET-RID-OF-RITCHIE And Don't Make It "NICE"

Break Up Both Political Machines And Reorganize As Real Democrats

There is no patriotism in a political machine.
Instead of love of country it practices love of self.
The RITCHIE PARTY is not the Democratic Party

It is a political machine operated to keep Ritchie in office. He caters to the rich. He opposes President Roosevelt. He has taken the Democratic Party away from the true Democrats of Maryland.
