TO FARMERS.

I have for sale a new variety of wheat which has been grown in the counties of Queen Anne's and Talbot for the past six years. The yield has never been less than 18 bushels for one seeding and has been as high as 44 for one. The grain is of a white color like "Fultz." The great virtue of this wheat lies in its strength of the straw, and the size of the head which is heavily bearded; some of the heads in my field this year contained as many as 85 grains. I have a limited quantity which I desire to sell for seed, and shall be glad to give further particulars to any desiring to try what I consider an unusually productive wheat. Price at my barn $3 00 per bushel. Samples may be seen at Dawson & Bros., and the office of this paper.

On the appearance of the first symptoms—as general debility, loss of appetite, pallor, chilly sensations, followed by night sweats and cough, prompt measures of relief should be taken. Consumption is scrofulous disease of the lungs; therefore use the great anti-scrofulous or blood-purifier and strength-restorer, Dr. Pierce's "Golden Medical Discovery." Cathartic Pills

Combine the choicest cathartic principles in medicine, in proportions accurately adjusted to secure activity, certainty, and uniformity of effect. They are the result of years of careful study and practical experiment, and are the most effectual remedy yet discovered for diseases caused by derangement of the stomach, liver, and bowels, which require prompt and effectual treatment. AYER'S PILLS are specially applicable to this class of diseases. They act directly on the digestive and assimilative processes, and restore regular healthy action. Their extensive use by physicians in their practice, and by all civilized nations, is one of the many proofs of their value as a safe, sure, and perfectly reliable purgative medicine. Being compounded of the concentrated virtues of purely vegetable substances, they are positively free from calomel or any injurious properties, and can be administered to children with perfect safety.

AYER'S PILLS are an effectual cure for **Constipation or Costiveness, Indigestion, Dyspepsia, Loss of Appetite, Foul Stomach and Breath, Dizziness, Headache, Loss of Memory, Numbness, Biliousness, Jaundice, Rheumatism, Eruptions and Skin Diseases, Dropsy, Tumors, Worms, Neuralgia, Colic, Gripes, Diarrhœa, Dysentery, Gout, Piles, Disorders of the Liver, and all other diseases resulting from a disordered state of the digestive apparatus.**

As a Dinner Pill they have no equal.

While gentle in their action, these PILLS are the most thorough and searching cathartic that can be employed, and never give pain unless the bowels are inflamed, and then their influence is healing. They stimulate the appetite and digestive organs; they operate to purify and enrich the blood, and impart renewed health and vigor to the whole system.

A Fertilizer specially adapted to the Soil of the Eastern Shore of Maryland.

$20 PER TON.

Sold at a very small profit on cost of production and clear of Agents' commissions.

THE COMPOSITION IS NO SECRET.

Made Without Sand or Dirt.

FOR SALE BY

THE OXFORD GUANO CO., Oxford, Md.
W. H. SETH, Secretary.

The attention of Farmers who desire to secure a good fertilizer at a reasonable price, is respectfully called to the above named brand.

The object of the manufacturers has been to originate a compound of plant foods directly adapted to the soil of the Eastern Shore of Maryland, and to fix the price therefor at the lowest possible figures, cutting off all agents fees of $5 and $6 per ton and adding to the actual cost only a very small profit. We think this fertilizer has as much intrinsic value as most of the high price manures, and feel confident that farmers who may think proper to use it will say, that in its effects upon the soil, it will equal them.

The analysis, as made by Prof G. A. Liebig, shows it to contain:—

Ammonia, from	.75 to 1.25	per cent.
Phosphoric Lime, from	5.00 to 7.90	"
Lime	33.10	"
Carbonic Acid	26.07	"

The lime and carbon, which are essential to plant growth, are obtained from oyster shells ground to powder, instead of being burnt. This combination not only dispenses with the necessity for dirt or sand to hold the chemicals, but is a most valuable assistant to their action.

We are also manufacturing ground lime, which we propose to put upon the market at a low price. aug30-6m

My ware-house contains 3500 square feet of flooring, which is at all times covered with stock pertaining to my business, and which will be sold as cheap or cheaper than can be bought here or elsewhere.

Having no other trade or profession, I am in the business for life, health permitting, and do not intend to be undersold or excelled in any particular pertaining to my business.

Myself and son Harry will give our personal attention to the business, and I recommend him as capable to attend to all business in my absence.

To the Farmers.

THE TALBOT COUNTY PAPER MILLS COMPANY will now contract for WHEAT STRAW, to be delivered at a convenient time hereafter. A little more care in stacking and ricking, will insure so much better keeping as to enable farmers to spare at least half of their straw, the cash for which would nearly pay for their phosphates. Salmon Brick, Arch Brick, Red Brick, Paving Brick, Well Brick, Pressed Brick, and

TILE

from 2 to 7 inches vent, at all prices, from $12 to $75 per thousand.

WE are now prepared to deliver bricks in any part of Talbot county, or anywhere on the water or on railroad out of the county, at 20 *per cent.* BELOW OLD PRICES, *for the cash.* We have a heavy stock on hand, of splendid quality, and are determined to command the the brick trade of this section, if SUPERIOR BRICKS and LOW PRICES will do it.

Our stock of Tile is very heavy, and we sell it very low for CASH; but are prepared to enter into arrangements with farmers, who may want to put in tile, and who may not have the cash, to give them SIX or NINE months credit. The tile ought to go in, and the springs land be made productive, and we are willing to help those who are short of money.

We invite a call from all those in want of either brick or Tile.
