Seeing Eye

The X-ray can "see" tuberculosis before there are any warning symptoms. That's why tuberculosis associations say every adult, even apparently healthy ones, should get periodic chest X-rays. The work of the 3,000 tuberculosis associations affiliated with the National Tuberculosis Association is supported by the sale of Christmas Seals being conducted throughout the country from Nov. 16 to Christmas. (Photo by General Electric X-ray Corporation)

1950 Ford Custom. Heater. SPECIAL. Full Price $695.00
