We, the undersigned, having associated ourselves together in business under the firm name of

adopt this measure of informing the public that we have rented the MACHINE SHOPS that for many years have been conducted by Tuthill & Avery, and more recently by D. C. Avery & Co., where we are now prepared to take orders for new work, such as

and Saw Mills.

This branch of the business will be attended to by E. J. BIERY, in person, whose long experience in handling the Wood, Tabor & Morse, Watertown, Nicols & Shepard, and all other Engines used in this and adjoining counties, gives him a thorough knowledge of their natures, a trial of which will be convincing proof of what we assert. We have also in our Smith Department a First-Class Horse-Shoer, who will give this grade of Blacksmithing his particular attention. The

Carriage Department

will be under the supervision of C. P. P. MATTHEWS, whose long experience in building fine Carriages, Dearborns, Sulkys, and all repair work in connection with the trade, justifies him in saying that he will give entire satisfaction to each and every customer who may favor him with orders. In our

Paint Rooms

we have all the facilities for doing the finest of work, having in our employ a skilled mechanic, who thoroughly understands his business. Old Carriages repainted, made to look as good as new.
