INSURANCE MAPS OF ANNAPOLIS MARYLAND

INCLUDING SOUTH RIVER PARK, EDGEWATER BEACH, BAY RIDGE, PINES on the SEVERN AND HERALD HARBOR.

ANNE ARUNDEL CO.

Published by the Sanborn MAP Company

This is a Semi-Bound Map

The Semi-Bound Map is designed to bridge the gap between the loose Sheet Map and the Bound Map.

Its purpose is to preserve and perpetuate large sheet maps of territories which are expected to expand to bound map proportions. Also some new maps of future bound map potential will be issued in semi-bound form.

The Semi-Bound Map is expected to preclude the necessity of republication and subsequent transfer of company liability.

Copies of Semi-Bound Maps purchased by companies and general agents will be mounted and hinged. Binders are available at option of purchaser.

Copies of Semi-Bound Maps loaned to resident local agents at the requests of companies holding up-to-date copies of identical maps will be supplied in bound form. Such loaned copies remain the property of the Sanborn Map Company.

Correction service to maps converted to the semi-bound classification, as well as service to new semi-bound maps, will be charged to local agents holding copies of the maps at the same rate as paid by their principals.

Add'l Index Oct. 1942

Note: This Index supersedes Add'l Index of Oct., 1943, & Addenda of May, 1941, both of which are now void.
