NOTES

Numbers have been reserved for proposed pages which will be made and inserted in the volume when territory develops.

When growth demands, certain sections now shown by pages on 100 ft. scale will be replaced by pages on 50 ft. scale to which numbers have been allotted. For example:

Pages 1145 and 1152 will be replaced by eight pages on 50 ft. scale, carrying numbers 1145 to 1152 inclusive.

All information contained in this volume, covering properties that might be related to National Defense activities, is to be treated as **strictly confidential** by our subscribers and not divulged to any outside interests. The U. S. Espionage Act makes it incumbent upon possessors of information relating to National Defense to take all possible precautions to prevent it from falling into the hands of interests inimical to the United States.
