From where I sit ... *by* Joe Marsh

No Sale!

Right in front of Granny White's beautiful old house on Maple Avenue there's a brand-new sign: "Antiques. Inquire Within."

Now—don't get excited. Granny explained it all the other night—after we settled down in her parlor, me with my temperate beer, Granny with her tea.

I asked her if she was really going in the antique business. "Oh, no," says Granny, "I wouldn't *sell* anything. I put that sign up so folks would come in and talk—and look around. If they insist on a price, I tell them some outrageous figure! I guess I just like people," she said.

From where I sit Granny can be excused for her little ruse. She may be in her eighties, but her mind is young—and open. She's the kind of person who's made this town so wonderful. Granny not only likes people—but she respects them and their preferences and opinions. Come to think of it, "liking" and "respecting" mean much the same thing, don't they?

Be careful — drive safely

Why GMC's make other trucks out of date

The GMC light-duty truck **does more** because it has, as standard equipment, a full 125-horsepower engine—the most powerful 6 in its class.

The GMC light-duty truck **saves more** because its Truck Hydra-Matic Drive* ends repairs caused by shock-loading strains—ends all clutch costs—uses less gas—spares the tires.

The Hydra-Matic GMC light-duty truck **performs better** because it always is in the correct gear for the need—*regardless.*

The Hydra-Matic GMC light-duty truck **handles easier** because you never have to shove a clutch or shift a gear.

The GMC light-duty **commands respect** with its dashing smartness—its look of quality—its spacious luxury cab, that make you and your wife proud to take it anywhere.

The GMC light-duty truck costs less to own—less to run—than old-style trucks. Come in and we'll demonstrate it!

*Optional at extra cost
