Down the Line with Johnny Bell

Who's the harder worker?

Even on the hottest days, Dad has to work from sun to sun. But the telephone's work is never done. It's on the job around the clock. When you stop to think of the time it saves, the travel it saves and the money it saves, your telephone is one of your best buys.

A smile from Mom on Monday?

Sure! Because the children are carrying out the clothes, Dad has fixed the washing machine and now he's putting up the new clothes line. Co-operation makes even a big wash easier. Helps a lot on the party line, too! When you share the line with your neighbors and hang up carefully after every call, everybody gets better, more valuable telephone service.

Why GMC's make other trucks out of date

Be careful—drive safely

The GMC light-duty truck **does more** because it has, as standard equipment, a full 125-horsepower engine—the most powerful 6 in its class.

The GMC light-duty truck **saves more** because its Truck Hydra-Matic Drive* ends repairs caused by shock-loading strains—ends all clutch costs—uses less gas—spares the tires.

The Hydra-Matic GMC light-duty truck **performs better** because it always is in the correct gear for the need—*regardless.*

The Hydra-Matic GMC light-duty truck **handles easier** because you never have to shove a clutch or shift a gear.

The GMC light-duty **commands respect** with its dashing smartness—its look of quality—its spacious luxury cab, that make you and your wife proud to take it anywhere.

The GMC light-duty truck costs less to own—less to run—than old-style trucks. Come in and we'll demonstrate it!
