REPUBLICAN CANDIDATE
For Congress. First Congressional District

O. Straughn Lloyd
State Senator For Wicomico County
HE STANDS FOR:

(1) The application of sound business methods in government.
(2) The elimination of waste and extravagance from government.
(3) The abolition of such Government Bureaus and Commissions as are not essential to the functioning of the Government.
(4) Sound currency and an honest business administration.
(5) The immediate balancing of the budget and a cessation of reckless spending.
(6) The withdrawal of the Government from competition with private business, but a reasonable, supervision of business by the Government for the good of the people as a whole.
(7) The proper care of and provision for the destitute and needy, administered impartially and without preference, regardless of race, creed or political affiliation, in such a manner as to discourage indolence and to enable the beneficiary to maintain self-respect.
(8) The conservation of the great natural resources of inland water-ways of the nation and further development of the seafood industry.
(9) An intelligent consideration of the problems of the farmer and such assistance in the solution thereof as may conform to the laws of nature and the law of the land.
(10) A recognition of the fact that both labor and capital are essential to the welfare and continued progress of the nation and that each is dependent upon the other, and the general welfare of all the people upon both.
(11) The abolition of Utopian Theories in Government and a return to common-sense, business-like methods, the application of which has heretofore made this nation the greatest power in world affairs.
