Why is it that the trees on the school grounds do not grow? And when it rains, oh, those muddy pavements. If only one of the school trustees would take his knitting under his arm and trudge to school with the children some bad snowy or sleety or rainy morning, his colleagues would not see him for two days as it would require that much time to remove the mud from his shoes as well as his clothes. Having sent five children to and fro under the existing conditions, I feel fully able to express by views.

Dr. Lynch Leads 20 Triggermen

Breaks 48 Clays In Shoot. Shaffer, Brice, 45

A strong south wind which made shooting difficult only sharpened the eyes of Dr. Lynch as he led a field of twenty marksmen at the weekly round-up of skeet shooters on the Sudlersville grounds Sunday afternoon. The doctor knocked the stuffing out of 48 of the 50 clay birds sprung for him.

Despite the wind good scores prevailed. Shaffer and Dr. Merritt Brice pulled in second with 45 nicked birds each while Tilden A. Geiser racked up 42 cracked saucers for fourth place.

A good sized delegation of Price gunners showed up expecting a return match and revenge on Sudlersville for the trimming of the week before. Sudlersville was not there. According to reports Paul Phillip's "feet got cold" although it was a warm day and he did not show up for a skirmish.

The results for two rounds of 25 birds each were: Dr. Lynch, 24, 24 for 48; Dr. Merritt Brice, 22, 23 for 45; Shaffer, 22, 23, 45; T. A. Geiser, 22, 21, 43; Gore, 19, 22, 41; C. Green 20, 21, 41; K. Cannon, 20,20,40; Dr. C. Haydon Metcalfe, 20, 20, 40.

Dr. Turner, 20, 20, 40; Harry Hartley, 16, 19, 35; H. Palmer, 17, 16, 33; Hull, 16, 16, 32; Frank Brower, 14, 18, 32; J. Groff, 15, 17, 32; Bernard Merrick, 14, 15, 29; Edward Gillespie, 11, 10, 21.

Scores for single rounds only were John Grier, 21; Charles Clow, 20; C. Clow, 16; Goldsboro, 17.
